## Animals and Fish - Historical Notes

The following is a listing of acts that at one time affected, but no longer appear to have any effect on, hunting, fishing or animal control in Moore County. They are included herein for reference purposes. Also referenced below are acts which repeal prior law without providing new substantive provisions.

1. Private Acts of 1915, Chapter 206, was the first stock or fence law for Moore County, making it unlawful for stock to be allowed to run at large except on unfenced ranges in the county. This act also gave damaged property owners the right to impound the wandering livestock and a lien on them for payment of damages. This act was amended by the Private Acts of 1919, Chapter 147, to provide that persons cultivating lands adjacent to unfenced ranges could not recover for damages caused by livestock running at large unless such cultivated lands were enclosed by a lawful fence. The original act was also amended by Private Acts of 1923, Chapter 293, to make it a misdemeanor to willingly violate any provisions of the act.
2. Private Acts of 1929, Chapter 695, made it unlawful to catch fish with a hook and line or with a trot line in any month of the year in Moore County. In addition, it would be unlawful to use baskets with wooden slats or wire.
3. Private Acts of 1935, Chapter 57, provided that any landowner and/or his guest, could hunt quail, partridge, rabbits, or squirrels between November 1st and March 1st of each year. This act never really had any effect, since it was repealed later in the 1935 session by Private Acts of 1935, Chapter 417.
4. Private Acts of 1935, Chapter 231, required hunters to receive the permission of the landowner before hunting or fishing in Moore County, but relieved them of any duty to purchase a hunting or fishing license. It would be unlawful for residents to hunt or trap any furbearing animals, except Red Fox, between November 15 and February 15.
5. Private Acts of 1935, Chapter 632, made it lawful to buy and/or sell furs from wild animals in Moore County, without payment of any license fee for such a privilege.

## Chapter III - Bond Issues

### Bond Issues - Historical Notes

A listing of the acts which authorized various bond issues for Moore County is included below for reference purposes, although these acts are no longer current. Also referenced below are acts which repeal prior law without providing new substantive provisions.

#### Debts

1. Private Acts of 1929, Chapter 89, authorized Moore County to borrow up to \$25,000 and to issue interest-bearing notes for repayment of its outstanding indebtedness. The notes would bear 6% interest and the County Court would levy a special property tax to create a sinking fund.
2. Private Acts of 1929, Chapter 340, authorized Moore County to borrow up to \$3,000 in any one year for the purpose of paying outstanding indebtedness and to issue interestbearing notes for the

- repayment of that loan. These notes could not bear interest in an amount greater than 6% per annum. This act was repealed by Private Acts of 1933, Chapter 9.
3. Private Acts of 1929, Chapter 681, was identical to Private Acts of 1929, Chapter 340. Chapter 681 was repealed by Private Acts of 1933, Chapter 8.
  4. Private Acts of 1935, Chapter 232, authorized a bond issue of not more than \$26,000. These bonds were to bear interest in the amount not greater than 5¼%. The proceeds from their sale were to be used to pay off outstanding indebtedness of Moore County. The power to levy a special tax and create a sinking fund was granted.
  5. Private Acts of 1935, Chapter 556, validated the issuance of funding bonds in the amount of \$26,000. These bonds were dated January 1, 1935, bearing interest at 3½%, and maturing from January 1, 1940 through 1952. The Quarterly County Court was given the power to levy a sufficient tax to cover this amount.

### **Schools**

1. Private Acts of 1925, Chapter 561, authorized a bond issue, with voter approval, not exceeding \$50,000. These bonds were to bear interest at an annual rate of up to 6%, mature within ten to fifty years, and the proceeds from their sale were to be used to build schools. This act was repealed by Private Acts of 1927, Chapter 43.
2. Private Acts of 1927, Chapter 61, authorized Moore County to issue and negotiate interest-bearing warrants to be used to provide funds for lands and school buildings. There was a mistake in the census figures used in this act, so it was amended by Private Acts of 1927, Chapter 206, to correct that error. Private Acts of 1931, Chapter 438, also amended the original act, to make the issuance of those warrants subject to voter approval, and Private Acts of 1931, Chapter 686, was also amendatory to the original act, striking out the work "warrants" and substituting the work "bonds." In addition no bond issue could exceed \$22,000 nor could the interest exceed 6%.
3. Private Acts of 1931, Chapter 589, validated the issuance of high school bonds in the amount of \$22,000. These bonds were to bear interest at 6% per annum and were to mature between the years of 1931 and 1942.
4. Private Acts of 1941, Chapter 136, validated a bond issue of \$5,700, to be used for repaying the indebtedness created by N.S. Walker, a former Moore County Superintendent of Instruction who had issued school warrants in excess of the budget.
5. Private Acts of 1947, Chapter 646, authorized a bond issue of \$150,000, maximum interest rate of 4%, payable within twenty years, to be used for constructing school buildings. This was amended by Private Acts of 1949, Chapter 737, to provide that no member of the Moore County School Building Commission appointed by the original act to oversee the sale of these bonds could be employed as secretary of that commission.
6. Private Acts of 1949, Chapter 736 authorized Moore County to issue bonds in an amount of no more than \$50,000, upon request of the building commission established by Private Acts of 1947, Chapter 646.

## Education/Schools - Historical Notes

### **Board of Education**

The following act once affected the board of education in Moore County but is no longer operative. Also referenced below is an act which repeals prior law without providing new substantive provisions.

1. Private Acts of 1935, Chapter 5, provided that the members of the County Board of Education

shall be elected by popular vote for two year terms. School districts were set out comprising one or more of the civil districts. A total of six districts were created with district one electing two members and the remainder one. This Act was repealed by Private Acts of 1972, Chapter 318.

### **Superintendent or Director of Schools**

The acts referenced below once affected the office of Superintendent of Education in Moore County, but are no longer operative. Also referenced below is an act which repeals prior law without providing new substantive provisions.

1. Private Acts of 1935, Chapter 21, provided for the popular election of the County Superintendent of Public Instruction for a two year term.
2. Private Acts of 1947, Chapter 647, provided that the County Superintendent of Education would be elected by the Quarterly County Court at its April term biennially. Qualifications for this office were listed. This Act was repealed by Private Acts of 1963, Chapter 86.

### **General Reference**

The following acts constitute part of the administrative and political heritage of the educational structure of Moore County but are no longer operative since they have either been superseded, repealed, or failed to receive local approval. Also referenced below are acts which repeal prior law without providing new substantive provisions.

1. Acts of 1891, Chapter 166, authorized the County Court to lay off, create, establish, or change the lines of school districts in their county. This act was repealed by Acts of 1903, Chapter 240.
2. Acts of 1903, Chapter 240, made every school district in the counties of the State coextensive with the civil districts of said county. In a special election to be held in August, 1903, three school directors for each school district would be chosen. Attendance outside of a district was permitted.
3. Acts of 1905, Chapter 232, provided that persons who lived on one side of a county line and were not convenient to a public school in their respective district or county may form themselves into a school district jointly, or could attend the nearest school in the adjacent district or county. This act amended Private Acts of 1903, Chapter 240 only as it pertained to Lincoln and Moore Counties.
4. Acts of 1905, Chapter 272, created the Fourteenth School District out of portions of the Third, Fourth, and Sixth Civil Districts, setting out its boundaries and appointing a board of school directors. This act contained no tax provision, so this special school district was abolished by Public Acts of 1925, Chapter 13.
5. Acts of 1905, Chapter 322, created the Twelfth School District out of portions of the Tenth and Eleventh Civil Districts in Moore County. Like the special school district above, this non-taxing special school district was abolished by the general education law of 1925.
6. Acts of 1905, Chapter 421, authorized the Moore County Court to establish such special school districts as were determined to be necessary for the benefit of county residents. The number of these special school districts could not exceed the number of civil districts in the county by more than twenty-five percent.
7. Private Acts of 1911, Chapter 533, divided the then existing Second School District into two districts, the one on the northwest side of the line to be known as the Fifteenth School District and the other as the Second School District.
8. Private Acts of 1917, Chapter 19, authorized the directors of school districts to establish primary and secondary schools in which the first ten grades of public school curriculum could be taught.
9. Private Acts of 1919, Chapter 113, established the Lynchburg Special School District in the First Civil District of Moore County. This special school district was authorized to establish a primary school and a high school and it was also given taxing powers. The tax rate was set at 50 cents on every \$100 of taxable property plus a one dollar per person poll tax. Private Acts of 1920 (Ex. Sess.), Chapter 68, amended Private Acts of 1919, Chapter 113 to establish a tax rate scale by which the larger the value of the property, the smaller the tax rate applied. Private Acts of 1923, Chapter 635, repealed Private Acts of 1920 (Ex. Sess.), Chapter 68 and amended Private Acts of 1919, Chapter 113 by establishing a new work tax scale. Private Acts of 1927, Chapter 657, further amended Private Acts of 1919, Chapter 113 by establishing a new inverse tax scale and repealed both Private Acts of 1920 (Ex. Sess.), Chapter 68 and Private Acts of 1923, Chapter 635. Private Acts of 1929, Chapter 732, returned the tax rate to a flat ten cents per \$100 of valuation. Private Acts of 1933, Chapter 3 repealed Private Acts of 1919, Chapter 113 and its amendments and returned control of the schools in this district to the Moore County Board of Education.
10. Private Acts of 1919, Chapter 178, created the Marble Hill Special School District, covering the

territory of the Third Civil District. This act named a Board of Trustees, set up a taxing schedule and provided for the establishment of both a primary and a high school. This was purportedly amended by Private Acts of 1919, Chapter 440, to reduce the number of members of the Board of Trustees to three members. Private Acts of 1920 (Ex. Sess.), Chapter 67, also amended Private Acts of 1919, Chapter 178, by setting up the inversely graduated tax scale, peculiar to the special school districts in Moore County. These Acts were amended by Private Acts of 1923, Chapter 341, to establish a tax of twenty cents on every \$100 valuation in the district.

11. Private Acts of 1919, Chapter 629, established the Lois Special School District in the Fourteenth and Sixth Civil Districts and a portion of the Fourth Civil District of Moore County. This special school district was to be controlled by a five-member board of trustees and was to operate on funds provided by a tax levy for the special school district. Private Acts of 1920 (Extra Session), Chapter 66, amended the original act to lower the original tax levy of \$1 per \$100 to \$.50 per \$100 assessed valuation. Private Acts of 1921, Chapter 449, was another amendment, changing the tax rate from the flat rate to a changing tax schedule based on the value of the taxable property. The tax rate was again amended by Private Acts of 1923, Chapter 328, to return to a fixed fifteen cents on the hundred tax rate and to repeal Private Acts of 1921, Chapter 449. Under the general education law found in Public Acts of 1925, Chapter 13, special school districts which were taxing districts could elect to join the county school system after retirement of their outstanding debts. If the Lois Special School District did not go out of existence in this manner, it was apparently superseded by the private acts which have created county-wide boards of education in Moore County, setting up school districts without reference to any special school districts which were to remain separate.
12. Private Acts of 1921, Chapter 284, created the Chestnut Ridge Special School District out of parts of Moore and Lincoln Counties. This act also set up the board of school trustees who were to be elected by the district voters every two years, and also authorized a tax levy on an inverse scale to support the schools in the district. This was repealed by Private Acts of 1923, Chapter 220.
13. Private Acts of 1921, Chapter 285, created the Charity Special School District, in the counties of Lincoln and Moore. An inverse tax scale was set out for the collection of taxes to fund the schools of the district. This act was repealed and the district abolished by Private Acts of 1927, Chapter 499.
14. Private Acts of 1929, Chapter 284, provided that the Moore County Board of Education was to designate the curriculum to be taught in the elementary schools of the county, which in schools with two or more teachers could have ten grades. This act also authorized the board of education to award certificates of promotion from the elementary schools in the county, which would certify that the student was ready to enter and pursue a course of study in a high school in the county.
15. Private Acts of 1935, Chapter 5, created a county-wide school system for Moore County, setting out the school districts in the county and providing for the popular election of members of the Moore County Board of Education. This act was amended by Private Acts of 1939, Chapter 549, which changed the boundaries of the third and fourth school districts. These acts were repealed by the current private act setting up the Moore County Board of Education, Private Acts of 1972, Chapter 318, found in this volume.

Prince and Will Cleek are hereby designated as justices of the peace for said civil district until September 1, 1942, or until their successors shall be elected and qualified.

## Elections - Historical Notes

The following is a listing of acts for Moore County which affected the elective process, but which have been superseded or repealed. They are listed here for historical and reference purposes. Also referenced below are acts which repeal prior law without providing new substantive provisions.

1. Acts of 1871, Chapter 96, created Moore County and provided for the division of the county into districts of convenient size with a place of voting in each district. The number of districts could not exceed four for every eighty square miles of the county.
2. Private Acts of 1911, Chapter 448, changed the boundary between the Fourth and Fifth Civil Districts of Moore County by transferring the lands of George Smith from the Fifth to the Fourth Civil District.
3. Private Acts of 1931, Chapter 482, transferred all the lands owned by W. C. Evans which were in the Third Civil District into the Sixth Civil District.
4. Private Acts of 1939, Chapter 91, was a redistricting act for Moore County, establishing six civil districts. This was amended by Private Acts of 1939, Chapter 511, Page 1650, to adjust the Third and Fourth Civil Districts. It was effectively repealed by Private Acts of 1941, Chapter 135, which is found in this volume.

5. Private Acts of 1957, Chapter 383, attempted to set the salary of the Moore County Registrar at \$1500.00 per annum. However, this act did not gain local approval and never became an effective law. Other general salary bills of this type for Moore County indicate that the intent may have been to set the salary of the register rather than the registrar.
6. Private Acts of 2016, Chapter 43, authorized an advisory referendum relative to funding for public school renovation in Metropolitan Lynchburg, Moore County.

## Chapter VIII - Health

## Highways and Roads - Historical Notes

The following is a listing of acts which once had some effect upon the county road system in Moore County, but which are no longer operative. Also referenced below are acts which repeal prior law without providing new substantive provisions.

1. Private Acts of 1919, Chapter 154, regulated the operation of toll turnpikes in Moore County, providing that no toll could be charged unless such turnpikes were at least five miles in length and kept at all times in good repair. This Act replaced the supervision of the turnpikes under the County Road Commission who would inspect the turnpikes at the order of the County Judge or Chairman. Procedures for the County Judge or Chairman to order the turnpikes open were enclosed.

2. Private Acts of 1919, Chapter 160, was the first general road law for Moore County, creating a three-member Road Commission, to be elected by the Quarterly County Court for terms of two years. The Road Commission had full supervision of the county's public roads, except for public bridges which remained under the control of the Quarterly County Court. This Road Commission was to appoint a district commissioner from each road district, who would then appoint a district overseer to insure the efficient working of the roads in his district. Procedures for opening, changing, or closing roads were included in the Act as were provisions for a tax levy, work of road hands, and commutation. This act was amended by Private Acts of 1920 (Extra Session), Chapter 96, to change the powers of the county road commission to declare which roads were to be worked on and to set up an appeal procedure for disgruntled citizens who disagreed with the commission's decision. Both of these acts were repealed by Private Acts of 1921, Chapter 867.
3. Private Acts of 1921, Chapter 867, was the next general road law for Moore County. This act set up the office of county road commissioner and gave him full charge and control of all the county roads but not of the bridges. The county road commissioner was to appoint road district commissioners who would appoint their district road overseer. This was amended by Private Acts of 1923, Chapter 610, to lower the road commissioner's salary from \$300 per year to \$200. Private Acts of 1933, Chapter 162, was another amendment to the 1921 Moore County road law, providing that the quarterly county court could exempt men from road duty only for a mental or physical disability which made them unfit for manual labor, and had been exempted from the payment of poll taxes.
4. Private Acts of 1935, Chapter 6, designated each civil district in the county as a road district. A road overseer was to be elected for a two year term from each road district, to take charge and to oversee the working of public roads in their district. This act was repealed by Private Acts of 1949, Chapter 463.
5. This Act was amended by Private Acts of 1935, Chapter 225, to reduce the overseer's bond from \$2,000 to \$1,000. Private Acts of 1935 (E.S.), Chapter 99, amended Private Acts of 1935, Chapter 6, to provide that it was not to be construed as interfering with the right of the State Highway Commissioner to designate the roads in Moore County on which the allotment of auto tax fund may be expended. Private Acts of 1935 (Ex. Sess.), Chapter 99, was repealed by Private Acts of 1949, Chapter 469.
6. Private Acts of 1937, Chapter 19, amended Private Acts of 1935, Chapter 6, to provide that the Board of Highway Commissioner had to file a monthly report with the County Trustee estimating their future expenditure for machinery and its repair. This was repealed by Private Acts of 1941, Chapter 26.
7. Private Acts of 1939, Chapter 84, was an amendment to Private Acts of 1935, Chapter 6, which created six road districts in Moore County by combining some of the civil districts. This act was repealed by Private Acts of 1941, Chapter 466.
8. Private Acts of 1939, Chapter 510, was amendatory to Private Acts of 1939, Chapter 84, by redefining the Third and Fourth Road Districts. This act was repealed by Private Acts of 1941, Chapter 467.
9. Private Acts of 1941, Chapter 312, was amendatory to Chapter 6 of the Private Acts of 1935, and it set up a "Machinery Fund" on which warrants could be drawn for the payment of expenses in connection with the buying, maintaining, repairing and operating the county highway department's machinery. No more than 70% of the road funds could be placed in this account and all purchases were to be competition bidding. This act was repealed by Private Acts of 1949, Chapter 467.
10. Private Acts of 1941, Chapter 468, was an amendment to the Moore County road law found in of the Private Acts of 1935, Chapter 6, raising the compensation of the road overseers to \$15.00 per month. This amendatory act was repealed by Private Acts of 1949, Chapter 466.
11. Private Acts of 1949, Chapter 473, created the Board of County Road Commissioners consisting of three members, popularly elected, for two year terms. The Board was empowered to exercise all powers of the county in the administration, control and supervision of county roads. The Board was directed to employ a Supervisor of Roads who would construct, repair and maintain all county roads and bridges, and maintain all county road equipment. This Act was repealed by Private Acts of 1979, Chapter 109.
12. Private Acts of 1953, Chapter 318, was an amendment to Private Acts of 1949, Chapter 473, which increased the number of members of the Road Commission by two and to gave the Quarterly County Court the authority to remove any member of the Commissioner for misconduct in office. This Act also limited to 40% of the road funds the amount that could be spent to acquire

machinery. There were two acts passed in the 1967-68 legislative session to repeal this amendment. Private Acts of 1967-68, Chapter 47, was rejected by the Quarterly County Court, but Private Acts of 1967-68, Chapter 96, was approved by local officials and did repeal the 1953 amendment to the road law.

13. Private Acts of 1970, Chapter 347, was an attempted amendment to the Private Acts of 1949, Chapter 347, which did not gain local approval. This amendatory act was a fairly comprehensive one, redefining the road districts and the qualifications, term and salary of the road commissioners.
14. Private Acts of 1972, Chapter 345, was an amendment to Private Acts of 1949, Chapter 473 setting the salary of the Chairman of the Board of County Road Commissioners at \$1,800 per annum and the members at \$1,200 per annum. A provision for traveling expenses was also included. The salary for the Secretary to the commission was to be set by the commissioners between \$2,500 and \$3,800 per annum. The Supervisor of Road's salary was to be set by the commissioners between \$4,800 and \$6,000 per annum. Employment restrictions any qualifications were also included in the Act. This Act was repealed by Private Acts of 1979, Chapter 109.
15. Private Acts of 1980, Chapter 299, would have created the Moore County Board of Highway Commissioners, to be composed of five members who would be elected to six year terms after the initial staggered terms, for the purpose of maintaining a system of public roads. In addition, the office of Highway Supervisor was created who would be elected to a four year term. He would be the chief administrative officer of the Highway Department as defined in the "County Uniform Road Law". This Act was not approved by the Board of County Commissioners and is not effective.

## Chapter X - Law Enforcement

### Law Enforcement - Historical Notes

#### **Sheriff**

The following acts have no current effect but are included here for reference purposes since they once applied to the Moore County sheriff's office. Also referenced below are acts which repeal prior law without providing new substantive provisions.

1. Private Acts of 1919, Chapter 395, set the annual salary of the sheriff at \$250 plus all the fees of his office. This was amended by Private Acts of 1925, Chapter 420, Page 1564, to raise the salary to \$500 yearly in addition to the fees.
2. Private Acts of 1931, Chapter 485, exempted Moore County, by creating a new class of county, from the general law salary statute, with the sheriff's salary remaining at \$500 per annum. This was repealed by Private Acts of 1935, Chapter 261.
3. Private Acts of 1943, Chapter 391, set the Moore County Sheriff's salary at \$1,500 annually, in addition to the fees of the office, in order to provide adequate compensation so that the sheriff's office could properly function.
4. Private Acts of 1951, Chapter 80, was a salary act for various Moore County officials. The sheriff's annual salary was set at \$2,000.
5. Private Acts of 1957, Chapter 383, was another act setting county officials' salaries in Moore County. Under this act, the sheriff would have received \$2,300 per annum and all fees collected would become county property, but the Moore County Quarterly Court did not approve this act, so its provisions never became effective law.

## Taxation - Historical Notes

### Assessor of Property

The following acts were superseded, repealed or failed to win local ratification, but they are listed here as a reference to laws which once affected the assessor in Moore County. Also referenced below are acts which repeal prior law without providing new substantive provisions.

1. Private Acts of 1911, Chapter 353, provided that in Moore and Coffee Counties, there was to be a District Tax Assessor for each civil district, to be elected by the voters every two years. The office of County Tax Assessor was abolished.
2. Private Acts of 1923, Chapter 634, repealed the 1911 act as it applied to Moore County, and created the office of County Tax Assessor. The Assessor was to be elected by the voters of Moore County for a four year term, to be paid \$400 annually, and could not succeed himself in office. The tax assessor was required to have each taxpayer fill out a schedule of his property. The salary of the assessor was raised to \$500 per annum by an amendment in Private Acts of 1925, Chapter 51. The Census figures used in the act were corrected by Private Acts of 1929, Chapter 299, which was amended by Private Acts of 1931, Chapter 439, which provided that the tax assessor could succeed himself and that he was to receive his salary in monthly installments. These acts were repealed by Private Acts of 1935, Chapter 95.
3. Private Acts of 1943, Chapter 430, set the assessor's annual salary at \$600. This was amended by Private Acts of 1947, Chapter 648, to raise the salary to \$700 per annum.
4. Private Acts of 1947, Chapter 298, made it the duty of the County Tax Assessor to assess the taxable property within the town of Lynchburg. Prior to this Act it was the responsibility of the Lynchburg City Recorder under Private Acts of 1935 (Ex. Sess.), Chapter 2. Private Acts of 1965, Chapter 90, returned this responsibility to the Town Tax Assessor.

5. Private Acts of 1951, Chapter 80, set the salary of the tax assessor at \$900 annually.
6. Private Acts of 1957, Chapter 383, was an act setting the annual salaries of a number of Moore County officials, among them the assessor, who was to receive \$1,200. This act did not gain local approval, however, and never became an operative law.

### **Taxation**

The following is a listing of acts pertaining to taxation in Moore County which are no longer effective. Also referenced below is an act which repeals prior law without providing new substantive provisions.

1. Private Acts of 1933, Chapter 475, validated the issuance of special warrants by the Moore County Quarterly Court. These warrants were to be used to refund to taxpayers in Moore County the amounts they had paid under an illegal tax levy of 55¢ known as a "special county tax" in 1930. This tax was declared invalid by the chancery court in the case of *Motlow v. Moore County*. The legislature in Private Acts of 1935, Chapter 224, directed the Moore County Quarterly Court to repay to the taxpayers involved in that case the legal expenses they had incurred having the tax levy declared invalid. This was amended by Private Acts of 1935, Chapter 416, to give the same duty to the Board of County Commissioners.
2. Private Acts of 1935, Chapter 97, provided that members of the Board of Equalization in Moore County were to be elected by the voters of the civil districts they represented, rather than by the county at large, and their term was set at two years.
3. Private Acts of 1967-68, Chapter 79, levied a litigation tax of \$1.50 as part of the costs in all civil and criminal actions brought in the General Sessions Court and all civil actions brought in the County Court. For the Circuit and Chancery Courts, the tax was \$3. A tax of \$1.50 was levied on any appeal de novo to the Circuit or Chancery Courts. The tax would be used exclusively for improvements and repair of the court facilities and jail. This Act was repealed by Private Acts of 1982, Chapter 318.
