The Commissioners shall hold regular meetings at least once every four months, and at such regular time and place as the Commissioners may, by resolution, determine, and may hold such additional meetings, either regular or special as may be determined by the Board of Commissioners.

Special meetings may be called and held upon such notice and in such manner as the Board of Commissioners may, by resolution, determine. Save as otherwise expressly provided, the Board of Commissioners shall establish their own rules of procedure.

The Secretary shall attend all regular and special meetings and keep minutes thereof. The minutes of said meetings shall be available for inspection by the public at the office of the Authority, at all reasonable times.

The Board of Commissioners, by resolution, shall require the Treasurer or Secretary- Treasurer, if he is one and the same person, to execute a bond with approved corporate surety, for the faithful performance of his duties and the accounting of all monies and revenues that may come into his hands, as such, in

such penalty as the Board shall specify, by resolution. Said bond shall be filed with the Secretary of the State of Tennessee.

The Board of Commissioners, by resolution, may require all other subordinate officers, or employees, to execute such fidelity bonds for the faithful performance of their duties and the accounting of funds that may come to their hands, in such an amount, with such conditions and such sureties, as the Board of Commissioners may determine.

All members of the Board of Commissioners shall serve as such without compensation, but they shall be allowed necessary traveling and other expenses while engaged in the business of the Authority, as may be provided and approved by the Board, payable from the funds of the Authority, or such funds as may be appropriated by the County Court of Montgomery County.

SECTION 10. That, except as otherwise herein provided, the Port Authority Commissioners shall be removable only for good cause, and after preferment of charges, as provided by law for county officers.

SECTION 11. That the Port Authority Commissioners shall be authorized to employ and fix the compensation of such architects, attorneys, engineers, superintendents, consultants, professional advisors and other subordinate officers and employees, as may be necessary for the efficient management and operation of the Port Authority, and the operation of the facilities provided for in this Act, and who shall continue in the employment of the Authority, at the will and pleasure of the Board of Commissioners.

SECTION 12. That the County of Montgomery in the State of Tennessee, shall have power and authority to issue and sell its bonds to finance the acquisition, construction, improvement and/or expansion of the facilities herein authorized, and to refund bonds previously issued, or refinance indebtedness previously incurred for such purposes. The County of Montgomery, may in all respects, provide for the rights of the holders of all bonds, including the manner in which future bonds may be issued on a parity with such bonds.

The bonds may be issued in one or more series, may bear such date or dates, may mature at such time or times, not exceeding forty (40) years from their respective dates, may be in such denomination or denominations, may be in such form either coupon or registered, may carry such registration and conversion privileges, may be executed in such manner, may be payable in such medium of payment, at such place or places, may be sold or hypothecated in such blocks, may be subject to such terms of redemption with or without premium, may be declared or become due after the maturity date thereof, and may be in such amount as may be provided by resolution of the County Court of said County. Such bonds may be issued for money or property, at public or private sale, for such price or prices and at such rate or rates or interest, and may be hypothecated in such manner as said County Court may determine, but the interest cost to maturity of the bonds, when issued for property (at the value determined by said County Court, which determination shall be conclusive), or the money received for any issue of said bonds, shall not exceed the maximum rate fixed by law, payable semi-annually. Such bonds shall have all the qualities and incidents of negotiability.

Pending the preparation of the definitive bonds, interim receipts or certificates in such form, and with such provisions, as the said County Court may determine, in the resolution authorizing said bonds, may be issued to the purchaser or purchasers of bonds sold pursuant to this Act. Said bonds and interim receipts or certificates shall be fully negotiable.

In case of the officers whose signatures or countersignatures appear on such bonds shall cease to be such officers before the delivery of the bonds, such signatures and countersignatures shall nevertheless be valid and sufficient for all purposes, the same as though such officers had remained in office until the bonds had been delivered. Such bonds may be issued, notwithstanding and without regard to any limit or restriction on the amount or percentage of indebtedness, or of outstanding obligations of the County of Montgomery, contained in any other statute, general or special, and notwithstanding and without regard to the requirements of any other general or special statute, including requirements as to elections for the approval of such bonds.

In the case of bonds payable solely out of the revenues of the Port Authority, it shall be the duty of the County Court of Montgomery County, to provide, by resolution, for the issuance of such bonds, as requested by the Port Authority Commissioners.

In case the bonds are issued as general obligations of the said County, it shall be the duty of the County Court of said County to levy a tax each year, over and above the taxes levied for general county purposes and other special county purposes, to pay the interest and principal of said bonds, as they mature; provided, however, that in case the revenues derived from the operation of the facilities herein provided for, are sufficient to pay the interest and principal of said bonds, or a part thereof, as they may severally mature, then a special levy for the full payment of said interest and principal shall not be required, but said County Court shall each year levy an amount of tax, which, when added to the amount of revenue derived from the operation of said facilities, then on hand and available for that purpose, will be sufficient to pay the interest and principal maturing prior to the collection of the next succeeding tax levy. Said bonds shall be sold at public or private sale, and in such manner as may be determined by resolution of the said County Court authorizing their issuance. Said bonds shall contain a recital that they are issued pursuant to and in accordance with this Act, and such recital shall be conclusive evidence of their legality.

(b) By action or suit in equity to enjoin any acts or things, which may be unlawful or in violation of the rights of such holders of bonds.
