As amended by: Private Acts of 1977, Chapter 126

COMPILER'S NOTE: Private Acts of 1977, Chapter 126, Section 1, adds subparagraph 11 to Section 5 above. The 1977 act contains no requirement that the act receive local approval, but it does contain a provision that the school bonds authorized thereunder shall not be issued until approved by local vote. The Secretary of State indicates that the act "was not acted upon by local authorities."

SECTION 6. That all public school property, consisting of buildings, grounds, equipments, furniture, and all things thereto belonging within the boundaries of Bradford Special School District, herein created, shall be and does hereby become the property of said Bradford Special School District, and the title to the same is hereby vested in the "Board of Trustees of Bradford Special School District" and their successors in office, for the use and benefit of said district. Said Board of Trustees of Bradford Special School District shall not be liable in any way, or on the part of said special school district, to Gibson County, or to the school authorities of the county or the State of Tennessee, or any taxpayer thereof, for, or on account of, the transfer herein made of the said property, to the Board of Trustees of Bradford Special School District.

SECTION 7. That as soon as the enumeration of the scholastic population directed by this Act to be made and filed with the Trustee of Gibson County immediately after the passage of this Act, is filed with said Trustee, the said County Trustee shall apportion to Bradford Special School District, for the maintenance of the school of the same, its per capita, or pro rata share of all school funds of Gibson County, then or thereafter in his hands; and he shall also apportion to said district its pro rata or per capita share of all State school funds paid to said county by the State; the apportionment to be made upon the basis that the scholastic population of said special school district bears to the scholastic population of Gibson County; and ever thereafter, the said County Trustee shall apportion to said special school district its per capita, or pro rata share of all county school funds, and all State school funds paid to said county, that came into his hands upon the basis, that the scholastic population of said special school district bears to the scholastic population of Gibson County under the enumeration, in force at the time the apportionment is made.

SECTION 8. For the purpose of operating and maintaining the school district, and for supplementing other funds that may come to the District, there is hereby assessed a property tax of two dollars and fifty cents (\$2.50) on every one hundred dollars (\$100.00) of real and personal property located within the Bradford Special School District. The basis of the assessment herein made on said property shall be assessed value of the same, as appears by the tax records of Gibson County, Tennessee, for each respective year, and all taxes herein assessed on said real estate for each respective year are hereby made a lien upon said real estate, and no personal property of taxpayers within the said special school district, shall be exempt from levy or execution for their said taxes on personalty and polls herein assessed by this Act, the said taxes herein provided for together with all other school funds received by the Trustee of Gibson County for said Bradford Special School District, and the funds received by the Treasurer of the Board of Trustees, shall constitute the school fund for said special school district, which funds shall be under the control of the Board of Trustees of the District and used by them for the purposes for which the special school district is created; and shall be paid out by the Trustee of Gibson County, and the Treasurer of the Board of Trustees, only upon warrants, or orders properly drawn and signed by the Clerk of the Board of Trustees and countersigned by the President of the same; provided, further, that the taxes herein assessed shall become due and be collected at the same time and in the same manner as taxes collected under the general laws of the State by the County Trustee.

As amended by: Private Acts of 1920 (Ex. Sess.), Chapter 10
 Private Acts of 1923, Chapter 376
 Private Acts of 1923, Chapter 377
 Private Acts of 1981, Chapter 123
 Private Acts of 1981, Chapter 180
 Private Acts of 1982, Chapter 341
 Private Acts of 1984, Chapter 240

COMPILER'S NOTE: Private Acts of 1982, Chapter 341, changed the tax rate in Section 8 from \$2.00 to \$2.50, but the act provided that it was not to become effective unless an election were held and a majority of the qualified voters in the special school district approved the increase. Our information indicates that no such election was held. Similar provisions changing the tax rate and requiring approval by local referendum appeared in Private Acts of 1984, Chapter 240, which provisions were declared unconstitutional by the Tennessee Supreme Court in Gibson County Special School District v. Palmer, 691 S.W.2d 544 (Tenn. 1985). The court in the Palmer case held that in Private Acts of 1984, Chapter 240, the objectionable referendum requirement could be elided and the remainder of the statute was valid.

SECTION 9. That the County Tax Assessor shall prepare a separate complete list, or book, of all taxable property, both real and personal, and all polls within said special school district and furnish the same to the County Trustee for his use in making collection of said taxes.

COMPILER'S NOTE: Private Acts of 1981, Chapter 123, deleted the poll tax from Section 8, but failed to delete the other references to the poll tax appearing in Sections 8 and 9.

SECTION 10. That all school funds that come into the hands of the County Trustee for said Bradford Special School District shall be paid out by him, only as provided in Section 8 of this Act.

SECTION 11. That all the children between the ages of six and twenty-one years residing within the boundaries of Bradford Special School District, shall be entitled to the benefits of the funds arising from the provisions of this Act, and shall be entitled to free tuition in the school of the district; provided, further, that persons over the age of twenty-one years or non-residents of the district of the county, or State may be admitted as pupils in sub-section 7 of Section 5 of this Act.

SECTION 12. That no person shall be employed as principal of the school of the district, or teacher in said schools, who has not the acquirements, and certificates, as provided in sub-section 5 of Section 5 of this Act.

SECTION 12-A. That for the purpose of acquiring, erecting, repairing, remodeling necessary school buildings, procuring furnishings and equipment, paying expense of maintenance, and providing an administrative fund, and providing transportation of pupils, and said Bradford Special School District is, hereby, authorized and empowered to issue and sell negotiable interest-bearing coupon bonds in an aggregate amount not to exceed Fifty Thousand (\$50,000.00) Dollars. Said bonds shall each be for the principal amount of One Thousand (\$1,000.00) Dollars, shall mature in such order, and act such time, or times, as the resolution of the Board of Trustees shall provide.

Provided, however, that the power to issue said bonds shall not be exercised until and when a majority of the qualified voters, residents in said District, and voting in an election, held for that purpose, have voted in favor of the issue and sale of said bonds.

Within not less than 90 days, nor more than 120 days after this Act becomes effective, the Board of Trustees shall, by resolution, request the Election Commissioners of Gibson County, Tennessee, to call an election, to ascertain the will of the qualified voters of said District on the question of the issuance of the bonds, as provided in this Section.

Should the vote in said election be against the issuance of the bonds, a second election may be called, resubmitting the question of the bond issue, provided, however, that no second, nor subsequent, election shall be called nor held until after the expiration of at least six months following the first election.

In said election (first or second) the ballots shall have printed on them on one line "For School Bonds"; and on another line "Against School Bonds". The voter shall indicate his choice by making a mark opposite the words "For School Bonds", or opposite the words "Against School Bonds".

The bonds herein provided for shall not be issued nor sold for less than their face value, nor shall they bear interest in excess of three (3%) per cent per annum.

The avails of sale of the bonds shall be collected and held by the Clerk of the District; and shall be disbursed by him only under orders of the Board of Trustees and by check or voucher signed by the Clerk and countersigned by the President of the Board of Trustees.

For the purpose of providing revenues to pay the principal and interest of the bonds herein authorized, and for the purpose of providing an Administrative Fund for said Bradford Special School District, there is hereby levied, for the year 1947, and for each year thereafter, a tax of forty (\$0.40) cents on each One Hundred (\$100.00) Dollars of taxable [sic] property, real and personal, within the boundaries of said District.

The basis of assessment shall be the current tax assessment made by Gibson County.

All taxes hereby levied, when assessed, shall be a lien on the property so assessed as of the tenth (10th) day of January of the year for which assessed.

The taxes hereby levied shall be collected by the Trustee of Gibson County, and shall be due, and become delinquent as, and when, State and County taxes are due and delinquent.

All of said taxes when collected shall be paid over to the Clerk of the Board of Trustees of Bradford Special School District.

Two (2) per cent of the taxes shall be held by the Clerk as an Administrative Fund, to be used and applied in payment of incidental expenses of administration.

The remaining ninety-eight (98) per cent of the taxes shall be applied only to payment of principal and interest of the bonds hereby authorized.

The Tax Assessor of Gibson County shall prepare a separate and complete list or book of all taxable property, real and personal, within the boundaries of Bradford Special School District as set out in this Act, and furnish the same to the County Trustee of Gibson County, and the assessments shall be set up on the general tax books by the Clerk of the County Court of Gibson County.

As amended by: Private Acts of 1947, Chapter 707

The tax is levied upon the severance of the mineral regardless of the place of processing or sale of the mineral or the fact that delivery may be made outside the Bradford Special School District. SECTION 2. The tax rate shall be fifteen cents (15¢) per ton of sand, gravel, clay, or other mineral products severed from the ground and subject to the tax.

SECTION 3. Administration and collection of this tax shall be by the Tennessee department of revenue. The department of revenue may promulgate all rules and regulations necessary and reasonable for the administration of the provisions of this act. All administrative provisions of all laws contained in Tennessee Code Annotated, Title 67, relating to collection by the commissioner of taxes, licenses, fees, and penalties and interest therefor, including, but not limited to Chapter I thereof, and any amendments thereto, and all other requirements and duties imposed upon taxpayers therein, shall apply to all persons liable for taxes under the provisions of this act; and the commissioner shall exercise the power and authority and perform all the duties with respect to taxpayers under this act as are provided in all other chapters of Title 67, except where there is conflict, and then the provisions of this act shall control; provided however, that the net revenues collected shall be remitted quarterly to the board of trustees of the Bradford Special School district as soon as practical following the end of the calendar quarter to be used for the construction, maintenance, and operation of the public schools of said district.

SECTION 4. If any provision of this act or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of the act which can be given effect without the invalid provision or application, and to that end the provisions of this act are declared to be

severable.

SECTION 5. This act shall take effect July 1, 1991, the public welfare requiring it.

Passed: June 20, 1991.

SECTION 3. LOCAL TAX FOR SCHOOL OPERATIONS. For the purpose of operating and maintaining the school district, there is hereby assessed a property tax of two dollars and fifty cents (\$2.50) on every one hundred dollars (\$100.00) of real and personal property located within the "District".

Private Acts of 1982, Chapter 342
Private Acts of 1984, Chapter 241
Private Acts of 1989, Chapter 113

COMPILER'S NOTE: Both the 1982 and 1984 acts referenced above contain provisions that the tax increase could not be levied until it had been approved by majority vote of the residents in the school district. The referendum requirement contained in the 1984 act was declared unconstitutional by the Tennessee Supreme Court in Gibson County Special School District v. Palmer, 691 S.W.2d 544 (Tenn. 1985). The court held that Private Acts of 1984, Chapter 241, was enforceable after striking out the section which required local approval. Both the 1982 and 1984 acts bear the Secretary of State's certification that local ratification is not required.

SECTION 4. EDUCATION PROVIDED TO CHILDREN OF THE DISTRICT. All the children living within the boundaries of said "District" shall be entitled to the benefit of the funds arising from the provisions of this Act, and are entitled to free tuition in the school or schools operated by said District subject to the child behavior policies adopted by the Board of Trustees.

SECTION 5.

A. IMPLEMENTATION OF THIS ACT. Upon the approval of this Act, the members of the First Board shall meet within 30 days, elect a Chairman, Vice-Chairman, and a temporary Secretary-Treasurer/Fiscal Agent to maintain the minutes until a Superintendent is hired.

B. Within 10 days after formation of the Board of Trustees, the Act shall be presented to the County Election Commission for a public referendum.

C. REFERENDUM OF DISTRICT VOTERS. The Gibson County Election Commission shall conduct an election in accordance with Tennessee Code Annotated, Section 2-14-102 or such other sections which apply to this Act.

D. SUBMITTING ACT AND REQUEST TO STATE BOARD OF EDUCATION. Upon approval of this Act by the voters of the "District", the Board of Trustees shall submit a request to the State Board of Education for their approval of the Gibson County School District in accordance with Tennessee Code Annotated, Section 49-233.

SECTION 6. If any provision of this Act or the application thereof to any person or circumstance is held invalid, then such invalidity shall not affect other provisions or applications of the Act which can be given effect without the invalid provision or application, and to that end the provisions of this Act are declared to be severable.

SECTION 7. [Deleted by Private Acts of 1981, Chapter 181].

COMPILER'S NOTE: Section 7 provided that the act would not be effective unless approved by referendum election within the school district. This procedure was found to be unconstitutional in *Gibson County Special School District v. Palmer*, 691 S.W.2d 544 (Tenn. 1985), which held that where the question of whether a law becomes effective is determined by a popular vote of those who will be subject to the law, there has been an unconstitutional delegation of legislative authority.

SECTION 8. This act shall take effect upon becoming a law, the public welfare requiring it.

As amended by: Private Acts of 1981, Chapter 181

Passed: March 19, 1981.

COMPILER'S NOTE: Private Acts of 1981, Chapter 62, was amended by Private Acts of 1994, Chapter 155, to authorize and empower Gibson County School District to issue and sell school bonds in a principal amount sufficient to refund certain outstanding obligations of the district and to dedicate a portion of existing tax revenues to pay said bonds. SECTION 4. If any one or more provisions of this act or the application thereof to any person or circumstance shall ever be held by any court of competent jurisdiction to be invalid, the remaining provisions hereof and the application thereof to persons or circumstances other than those to which it is held to be invalid shall not be affected thereby and to this end the provisions of this act are declared to be severable.

SECTION 5. All laws or parts thereof in conflict herewith are to the extent of such conflict hereby repealed.

SECTION 6. This act shall take effect upon becoming a law, the public welfare requiring it, and the bonds provided for herein may be issued upon approval as provided for in Section I and 2 of this act.

SECTION 2. The bonds may be sold in one (1) or more series, may bear such date or dates, shall mature at such time or times, not exceeding thirty (30) years from their respective dated dates, may bear interest at a zero (0) rate or at such other rate or rates (which may vary from time to time), may be payable at such time or times, may be in such denominations, may carry such registration and conversion privileges, may be executed in such manner, may be payable in such medium of payment at such place or places, may be subject to such terms of redemption, with or without premium and may provide for the replacement of mutilated, destroyed or lost bonds, all as may be provided by resolution of the District's Board of Trustees. The bonds shall be sold as a whole or in part from time to time in such manner as shall be provided by resolution of the District's Board of Trustees, but in no event shall the bonds be sold for less than ninety-eight percent (98%) of par plus accrued interest (or, if all or any part of such bonds is to be sold at a zero (0) rate of interest or at an original issue discount, such bonds may be sold at not less than ninety-eight percent (98%) of the original reoffering price of such bonds, plus accrued interest). In connection with the issuance of the bonds, the District may authorize and enter into interest rate swap or exchange agreements, agreements establishing interest rate floors or ceilings or both, and other interest rate hedging agreements under such terms and conditions as the Board of Trustees may determine, including, without limitation, provisions permitting the District to pay to or receive from any person or entity any loss of benefits under any such agreement upon early termination thereof or default thereunder. The Board of Trustees of the District is authorized and empowered to do and perform all acts and enter into all agreements which may be necessary or desirable in connection with the issuance and sale of the bonds and delegate the power to consummate all such acts and execute and implement all such agreements on its behalf as the Board of Trustees shall deem necessary or desirable.

SECTION 3. The bonds shall be issued in fully registered form and shall be signed and sealed as provided in the Tennessee Public Obligations Registration Act and in the resolution adopted by the District's Board of Trustees authorizing the bonds.

SECTION 4. The Board of Trustees is hereby authorized to pledge such taxes levied on taxable property located within the boundaries of the District as necessary to pay the principal of and interest and any redemption premiums on the bonds and any other indebtedness of the district,, being a portion of the existing taxes, and not an increase therein. The taxes shall be annually extended and collected by the county trustee of Gibson County, Tennessee, in the manner provided by general law for the extension and collection of county taxes and shall constitute a lien on the property against which they are levied with the like force and effect as do county taxes.

SECTION 5. For the purpose of paying principal of and interest and any redemption premiums on the bonds herein authorized and any other indebtedness of the District, there is hereby levied, in addition to any tax currently being levied within the boundaries of the District for the benefit of the District, a property tax of twenty-five cents (\$0.25) on every one hundred dollars (\$100) of real and personal property located within the District, such tax to take effect January 1, 1999, for the 1999 tax year and each tax year thereafter. This rate is established to provide tax revenues sufficient to pay principal of and interest on the bonds as they come due, assuming current interest rates and approximately equal annual debt service requirements over the term of the bonds. If the annual debt service requirements on the bonds should be less than anticipated by the establishment of the tax rate herein, either because the District issues fewer than all the bonds authorized herein or the interest rates on the bonds are materially different from currently applicable rates, or both, the tax rate hereinabove established shall be reduced to a rate which will produce tax revenues in an amount sufficient to pay debt service on the bonds. The rate hereinabove established may be adjusted from time to time in accordance with the procedure set forth in Tennessee Code Annotated, Section 67-5-1704, relating the county-wide reappraisal. In addition, in the event the total assessed value of all property subject to the tax hereinabove described declines by more

than ten percent (10%) from January 1 of any year to January 1 of the next succeeding year or declines by more than fifteen (15%) from January 1 of any year to January 1 of the second succeeding year thereafter, at the request of the Board of Trustees, the county assessor of property shall certify to the county trustee and the Board of Trustees the total assessed value of taxable property within the District and furnish the county trustee and the Board of Trustees an estimate of the total assessed value of all new construction and improvements not included on the assessment roll of the base year and all deletions from the assessment roll of the base year. Upon receipt of the information and certifications, the county trustee shall adjust the tax rate established herein to an adjusted rate which is estimated to provide to the District the same tax revenue as was provided by the tax in the base year, exclusive of such new construction, improvements and deletions, in accordance with policies established by the State Board of Equalization pursuant to Tennessee Code Annotated, Section 67-5-1701(b), or any successor thereto. The taxes shall be used exclusively to pay principal and interest and any redemption premium on the bonds authorized herein and any other indebtedness of the District as they become due and to maintain debt service fund balances. The Board of Trustees is hereby authorized to pledge such tax to pay the principal of and interest and any redemption premiums on the bonds and any other indebtedness of the District. The taxes shall be annually extended and collected by the county trustee of Gibson County in the manner provided by general law for the extension and collection of county taxes and shall constitute a lien on the property against which they are levied with the like force and effect as do county taxes. In the event the property taxes and such other funds as shall be pledged to the payment of the indebtedness of the District are not sufficient to pay principal thereof and interest thereon when due, the District shall apply funds from operations or other available funds of the District to the payment thereof. So much of the surplus arising from the tax hereinabove described and not required for the payment of debt service on outstanding obligations of the District may be used, at the discretion of the Board of Trustees of the District, for the construction, improvement, renovation, expansion, furnishing, fixturing and equipping of school building or facilities, and additions thereto, in and for the District, including the purchase of all property, real and personal, or interests therein, necessary in connection with the work, and the purchase of school buses and school transportation equipment, and all other operations and maintenance of schools in the District.

SECTION 6. The Board of Trustees is authorized to pledge to the payment of the bonds all or a portion of (i) any funds received by the District under the Tennessee Basic Education Program available to be used for capital outlay expenditures, as set forth in Tennessee Code Annotated, Section 49-3-351 et seq., and related sections, (b) its share of the Local Option Sales and Use Tax now or hereafter levied and collected in Gibson County, Tennessee, pursuant to Tennessee Code Annotated, Section 67-6-712, and (c) any other fund received from the State of Tennessee, or any of its authorities, agencies or instrumentalities, for school purposes and available to be used for capital outlay expenditures.

SECTION 7. The bonds, and all income therefrom, shall be exempt from all state, county and municipal taxation in the State of Tennessee, except inheritance, transfer and estate taxes and except as otherwise provided by applicable law.

SECTION 8. The District is further authorized, by resolution of the Board of Trustees, to borrow money and issue its bonds for the purpose of refunding the bonds authorized herein, at or prior to maturity, in whole or in part, at any time, in accordance with the terms hereof.

SECTION 9. The District is further authorized, by resolution of the Board of Trustees, to issue and sell notes of the District in anticipation of the issuance of the bonds authorized herein. The notes may be sold in one (1) or more series, may bear such date or dates, shall mature at such time or times, not exceeding three (3) years from their respective dated dates, may bear interest at such rate or rates (which may vary from time to time), may be payable at such time or times, may be in such denominations, may carry such registration and conversion privileges, may be executed in such manner, may be payable in such medium of payment at such place or places, may be subject to such terms of redemption, with or without premium, and may provide for the replacement of mutilated, destroyed or lost notes, all as may be provided by resolution of the Board of Trustees. The notes shall be sold as a whole or in part from time to time in such manner as shall be provided by resolution of the Board of Trustees. The Board of Trustees of the District is authorized and empowered to do and perform all acts and enter into all agreements which may be necessary or desirable in connection with the issuance and sale of the notes and delegate the power to consummate all such acts and execute and implement all such agreements on its behalf as the Board of Trustees shall deem necessary or desirable.

SECTION 10. In the event that the laws creating the District are repealed or the District is abolished, that portion of such laws levying a tax, the proceeds of which are pledged to the payment of outstanding bonds and indebtedness of the District, shall remain in full force and effect with respect to the real and personal property within the District to the extent necessary to satisfy the District's debt service requirements with respect to the bonds and indebtedness, and the outstanding bonds and indebtedness of

the District shall remain binding and valid obligations of the District the same to be paid out of funds collected in respect of the tax hereby required to be continued to be levied. In such event, the remaining tax shall continue to be collected by the Gibson County trustee and funds collected in respect thereof shall be paid in respect of the District's outstanding bonds and indebtedness by the Gibson County Board of Education until such bonds and indebtedness have been paid in full; provided that, if a county-wide property tax is enacted for school purposes by the Gibson County Board of County Commissioners and the proceeds thereof are distributed in such a way as to be available to pay principal of and interest and redemption premiums on the bonds and other indebtedness, or other funds are available to pay the principal, premium and interest, the tax herein levied may be reduced by the Board of Trustees to an amount which, together with the other taxes and funds is sufficient to pay the principal, premium and interest.

SECTION 11. If any provision(s) of this Act or the application thereof shall be held by any court of competent jurisdiction to be invalid or unenforceable to any extent, the remainder of this Act and the application of such provisions shall not be affected thereby, shall be enforced to the greatest extent permitted by law and are declared to be severable.

SECTION 12. This act shall take effect upon becoming a law, the public welfare requiring it, but shall have no application, and no tax shall be levied or collected nor shall any bonds authorized hereunder be issued or sold until the United States District Court for the Western District of Tennessee shall by order approve the construction and location of the new Medina Elementary School and other projects contained in the Gibson County Special School District capital projects plan.

(l) The bonds and notes and all income therefrom, shall be exempt from all state, county and municipal taxation in the State of Tennessee, except inheritance, transfer and estate taxes and except as otherwise provided by applicable law.

SECTION 2. In the event that the laws creating the District are repealed or the District is abolished, that portion of such laws levying a tax, the proceeds of which are pledged to the payment of outstanding indebtedness of the District, shall remain in full force and effect with respect to the real and personal property within the District to the extent necessary to satisfy the District's debt service requirements with respect to said indebtedness, and the outstanding indebtedness of the District shall remain binding and valid obligations of the District the same to be paid out of funds collected in respect of the tax herein authorized. In such event, the said remaining tax shall continue to be collected by the county trustee and funds collected in respect thereof shall be paid in respect of the District's outstanding indebtedness by the District until such indebtedness has been paid in full.

SECTION 5. The Board of Trustees is authorized to pledge to the payment of the bonds all or a portion of (i) any funds received by the District under the Tennessee Basic Education Program available to be used for capital outlay expenditures, as set forth in Tennessee Code Annotated, Section 49-3-351 et seq., and related sections, (ii) its share of the Local Option Sales and Use Tax now or hereafter levied and collected in Gibson County, Tennessee, pursuant to Tennessee Code Annotated, Section 67-6-712, and (iii) any other funds received from the State of Tennessee, or any of its authorities, agencies, or instrumentalities, for school purposes and available to be used for capital outlay expenditures.

Public Acts of 1984, Chapter 637

Private Acts of 1997, Chapter 78

Private Acts of 2004, Chapter 108

COMPILER'S NOTE: Public Acts of 1984, Chapter 637, provides that it shall not be effective unless and until the boundary increase and tax rate have been approved by the majority of the voters in the district, which approval was given on 6/30/84. However, the Tennessee Supreme Court has held unconstitutional

the practice of conditioning the effectiveness of a tax or of an act itself upon local voter approval. Gibson County School District v. Palmer, 691 S.W.2d 544 (Tenn. 1985). The tax rate prior to the 1984 amendment was 100 per \$100 property value, which was set by Public Acts of 1970, Chapter 537. The boundary changes made by the act were deleted by Public Acts of 1986, Chapter 868, which restored the boundary to its position before the 1984 act.

The basis of assessment shall be as applicable to that part of the District in Obion County, the current tax assessment made by Obion County, and as applicable to that part of the District in Gibson County the current assessment made by Gibson County.

All taxes hereby levied, when assessed, shall be a lien on the real and personal property so assessed as of the tenth (10th) day of January, of the year for which assessed.

SECTION 14. That the taxes hereby levied, on property in Obion County, shall be collected by the Trustee of Obion County, Tennessee; and on property in Gibson County, by the Trustee of Gibson County, Tennessee; and the taxes hereby levied shall become and be delinquent as and when State and County taxes become due and delinquent.

All said taxes, when collected, shall be paid over to the Secretary-Treasurer of the Board of Trustees of Kenton Special School District.

One-twentieth (1/20) of the taxes shall be held by the Secretary-Treasurer as an Administrative Fund, to be used and applied in payment of incidental expense of administration.

The remaining nineteen-twentieths (19/20) of said taxes may be applied to the payment of the principal and interest of the bonds, issuance of which is hereby authorized, or for improvements and other expenses necessary and incident to the operation of the school district system.

As amended by: Private Acts of 1965, Chapter 120

SECTION 15. That the Tax Assessor of Gibson County shall prepare a separate and complete list, or book, of all taxable property, real and personal, within that part of the District which is in Gibson County, and furnish the same to the County Trustee of Gibson County, and the assessments shall be set up on the general tax books by the Clerk of the County Court of Gibson County.

And the Tax Assessor of Obion County shall prepare a separate and complete list, or book, of all taxable property, real and personal, within that part of the District which is in Obion County, and furnish the same to the Trustee of Obion County, and the assessment shall be set up on the general tax books by the Clerk of the County Court of Obion County.

SECTION 16. The district is hereby authorized and empowered to establish, or cause to be established, within its boundaries and own, either individually or jointly with the city of Kenton, Tennessee, an elementary school, together with all land, equipment, furniture, and fixtures necessary for the operation thereof, together with such other school or schools as may be necessary to serve the educational needs of the citizens and residents of the district, and to provide for the operation thereof. The provisions of this section shall only apply to those portions of the district lying within Gibson County and shall not apply to or affect portions of the district lying within Obion County.

SECTION 17. The district is hereby authorized and empowered to enter into an agreement or agreements with Gibson County Special School District, or such other public entity as it shall deem appropriate, to provide for the administration of the schools of the district, the operation and management of all school properties and facilities of the district, and the maintenance and repair of all school properties and facilities of the district. The provisions of this section shall only apply to those portions of the district lying within Gibson County and shall not apply to or affect portions of the district lying within Obion County.

As amended by: Public Acts of 1998, Chapter 1078

SECTION 18. That this Act take effect from and after its passage, the public welfare so requiring.

COMPILER'S NOTE: Private Acts of 1981, Chapter 167, was passed on May 25, 1981. That act added a new Section 11 which directed the Board of Trustees to set the school tax rate, not to exceed \$4 on every \$100 of taxable property, and required approval by a majority of the voters in the school district before the tax could be imposed or collected. The election was to have been held on June 25, 1981.

(Conditioning the effectiveness of a tax increase upon voter approval within a special school district was declared unconstitutional in *Gibson County Special School District v. Palmer*, 691 S.W.2d 544 (Tenn. 1985)). On July 23, 1981, the legislature passed Private Acts of 1981, Chapter 183, which also added a new Section 11, setting the tax rate at \$2.50, no local approval was required. Private Acts of 1986, Chapter 136, increased the rate from \$2.50 to \$3.05. Private Acts of 1989, Chapter 107, changed the rate from \$3.05 to \$1.62, no local approval was required. Private Acts of 1995, Chapter 54, increased the rate from \$1.62 to \$2.07, no local approval was required.

Private Acts of 2002, Chapter 137, changed the rate from \$2.07 to \$1.71, no local approval was required.

SECTION 12. (a) All taxes collected by the County Trustee under the provisions of this act shall be paid over to the Treasurer/Fiscal Agent, who shall segregate such amounts as are needed to pay expenses other than debt service on bonds in an administrative fund.

(b) The amount so set apart into the administrative fund shall be kept separate from the funds for the payment of principal and interest on bonds, and no part of the administrative fund shall be disbursed except upon order of the Board of Trustees.

(c) No funds of Trenton Special School District shall be disbursed except by check or voucher signed by the Treasurer/Fiscal Agent and countersigned by the Superintendent.

SECTION 13. That if any provision of this Act or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of the Act which can be given effect without the invalid provision or application, and to that end the provisions of this Act are declared to be severable.

SECTION 14. That this Act take effect on becoming a law, the public welfare requiring it.

Passed: May 15, 1975.

Education/Schools - Historical Notes

Special School Districts - Bradford Special School District

1. Private Acts of 1925, Chapter 467, purported to abolish all special school districts in Gibson County and transfer control over all schools in those districts to the Gibson County Board of Education. The act purported to repeal all laws creating special school districts except those parts levying a tax to pay outstanding bonds and debt, and declared all outstanding bonds and indebtedness of the special school districts to be valid and binding obligations of those districts. The act enumerated those districts in which taxes were retained and referenced the acts authorizing such taxes. Private Acts of 1939, Chapter 548, amended Private Acts of 1925, Chapter 467, to provide that any monies remaining after payment of all bond indebtedness was to be spent by the County Board of Education for the use of schools in the special school district. Private Acts of 1925, Chapter 467, was declared unconstitutional by the Tennessee Supreme Court in *Melvin v. Bradford Special School District*, 212 S.W.2d 668 (Tenn. 1948). Private Acts of

- 1925, Chapter 467, as it related to Bradford Special School District, was repealed by Private Acts of 1992, Chapter 251 (reproduced hereinabove).
2. The constitutionality of Private Acts of 1975, Chapter 95 (reproduced hereinabove), was challenged in *Partee v. Pierce*, 553 S.W.2d 602 (Tenn. App. 1977). Private Acts of 1977, Chapter 126, renewed the authority for the \$1,600,000 bond issue in the event that the act was finally declared invalid. Private Acts of 1975, Chapter 95, withstood constitutional challenge in *Partee v. Pierce*, 553 S.W.2d 602 (Tenn. App. 1977). The court elided section 5 of the act which required approval of the act by local referendum, and found that section 4 requiring such approval for the issuance of school bonds was constitutional. Both Sections 4 and 5 of the act were deleted by Private Acts of 1980, Chapter 270.
 3. In *Partee v. Pierce*, 589 S.W.2d 919 (Tenn. App. 1979), a second attempt to block the bond issue and resultant taxes, Bradford Special School District was held to have been in continuous existence since its inception in 1917, and that the District never transferred administration of the school system to the Gibson County Board of Education.
 4. Private Acts of 1980, Chapter 270, for which no approval was required, amended Private Acts of 1975, Chapter 95 (reproduced above), by reducing the amount of bond authorization from \$1,600,000 to \$800,000, increasing the allowable interest rate from 8% to 10%, authorizing the issuance of bond anticipation notes, reducing the allowable tax rate from \$1.75 to \$1.15 per \$100, and by deleting Sections 4 and 5. Sections 4 and 5 provided for referendum approval of the act and of the issuance of the bonds. The bond issue had been approved by local referendum.
 5. Private Acts of 1984, Chapter 240, amended Private Acts of 1917, Chapter 153 (reproduced hereinabove). Section 2 of the 1984 act, which required approval of the voters in the district before the act became effective, was declared unconstitutional by the Tennessee Supreme Court in *Gibson Cougly School District v. Palmer*, 691 S.W.2d 544 (Tenn. 1985), but the court elided the section requiring local approval and the act remained effective.

Special School Districts - Gibson County Special School District

1. Acts of 1907, Chapter 288, created "Gibson School District" out of a portion of the 18th Civil District of Gibson County.
2. Private Acts of 1917, Chapter 392, created "Gibson County Special School District" out of a portion of the 2nd and 18th Civil Districts, including the town of Gibson. A school tax of 500 on every \$100 of taxable property was assessed.
3. Public Acts of 1920 (Ex. Sess.), Chapter 22, was enacted to change the tax rate in areas where the legislature had levied a specific tax rate for specific purposes in a limited territory, including special school districts. The act exempted Private Acts of 1917, Chapter 392 (Gibson Special School District) from its provisions.
4. Private Acts of 1925, Chapter 467, as amended by Private Acts of 1939, Chapter 548, purported to abolish all special school districts in Gibson County, but retained a tax of 200 on every \$100 of taxable property within Gibson County Special School District. This act was later held unconstitutional in *Melvin v. Bradford Special School District*, 212 S.W.2d 668 (Tenn. 1948).

Special School Districts - Kenton Special School District

1. Acts of 1905, Chapter 293, established Kenton High School District No. 32, in the Tenth Civil District of Gibson County.
2. Private Acts of 1921, Chapter 463, is referenced in later amendatory acts as being House Bill 1062, passed March 24, 1921, and approved March 28, 1921, creating the Kenton Special School District. However, Private Acts of 1921, Chapter 463, is an act relative to fishing with baskets for suckers and carp in Warren and Grundy Counties. Our research has revealed no act which was passed in 1921 relative to the Kenton Special School District. The elusive 1921 act was amended by Private Acts of 1923, Chapter 480, to authorize the issuance of interest-bearing coupon bonds by the Kenton Special School District in the amount of \$7,500. Both of these acts were repealed by Private Acts of 1941, Chapter 164. (The status of the law on suckers and carp in Warren and Grundy Counties remains uncertain.)
3. Private Acts of 1925, Chapter 467, as amended by Private Acts of 1939, Chapter 548, purported to abolish all special school districts in Gibson County, but retained a tax of 150 on every \$100 of taxable property within Kenton Special School District. This act was later held unconstitutional in *Melvin v. Bradford Special School District*, 212 S.W.2d 668 (Tenn. 1948).
4. Private Acts of 1927, Chapter 539, re-established the Kenton Special School District after the attempted abolition of all special school districts in Gibson County by Private Acts of 1925,

Chapter 467, assumed the indebtedness of the \$7,500 school bonds which had been issued, and set the tax rate at 200 on every \$100 of taxable property, with an additional 100 tax to pay principal and interest on the bonds. Vvihen (sic) the school bonds had been fully retired, the 1927 act was amended by Private Acts of 1937, Chapter 412, to eliminate the special tax which had been imposed to pay the principal and interest on the school bonds. The 1927 act was further amended by Private Acts of 1941, Chapter 164, to reduce the tax rate from 200 to 50 on every \$100 of taxable property. All school taxes within the District were eliminated when Section 7 of the 1927 act was deleted in its entirety by Private Acts of 1945, Chapter 202.

Special School Districts - Milan Special School District

1. There were two attempts to re-establish the Milan Special School District since the passage of the original act in 1945. Private Acts of 1957, Chapter 372, and Private Acts of 1967-68, Chapter 400, failed to gain local approval and never took effect. However, Private Acts of 1994, Chapter 136, purported to repeal Section 6 of Private Acts of 1957, Chapter 372, as amended by Private Acts of 1981, Chapter 182, and any other act amendatory thereto; Section 9 of Private Acts of 1957, Chapter 372, as amended by any other act amendatory thereto; and Sections 6 and 9 of Private Acts of 1967, Chapter 400, as amended by any other act amendatory thereto, are repealed.
2. Private Acts of 1981, Chapter 82, amended Private Acts of 1945, Chapter 504, Section I (reproduced hereinabove), to raise the tax rate. The act required a referendum election to make the act operational, and it was not approved. In the context of special school districts, the practice of conditioning the effectiveness of an act or the imposition of a tax upon popular vote of those subject to the law has been declared unconstitutional in Gibson County Special School District v. Palmer, 691 S.W.2d 544 (Tenn. 1985). Private Acts of 1981, Chapter 182, removed the referendum requirement from the earlier 1981 amendment, making it effective upon its approval in the legislature.

Special School Districts - School Districts Which No Longer Exist

The following special school districts have been established in Gibson County at one time, but no longer exist. Those special school districts which were not taxing districts as of 1925 were abolished by Public Acts of 1925, Chapter 115, T.C.A. § 49-2-501. 4. Private Acts of 1921, Chapter 479, directed the election commission to hold an election to determine whether the voters in Neboville Special School District were in favor of a special tax for school bonds.

6. Private Acts of 1925, Chapter 467, as amended by Private Acts of 1939, Chapter 548, purported to abolish all special school districts in Gibson County, but retained a tax of 20¢ on property in the Neboville Special School District to pay the outstanding bond indebtedness. This act was later held unconstitutional by the Tennessee Supreme Court in *Melvin v. Bradford Special School District*, 212 S.W.2d 668 (Tenn. 1948).
7. Private Acts of 1949, Chapter 330, repealed Private Acts of 1917, Chapter 236, abolishing the school district.

RUTHERFORD SPECIAL SCHOOL DISTRICT

1. Private Acts of 1947, Chapter 749, created Rutherford Special School District to include the town of Rutherford and surrounding areas. The act authorized up to \$50,000 school bonds, contingent

- upon voter approval, and imposed a tax of 30¢ on every \$100 of taxable property. No poll tax.
2. Private Acts of 1949, Chapter 698, amended the 1947 act to change provisions relating to the Board of Trustees, to raise the authorized amount of bonds to \$75,000 and to raise the tax rate to 50¢.
 3. Private Acts of 1977, Chapter 25, amended the 1947 act with regard to the Board of Trustees, the school bonds, the tax provisions, and changed the boundary. This act contains an obvious typographical error by placing the amendatory language of Section 3, naming the trustees, in Section 2. The act was not to become effective until it received approval of the voters within the school district. This act was amended by Private Acts of 1977, Chapter 148, to make the act effective upon passage rather than submit it to a referendum vote. Chapter 148 contains a typographical error inasmuch as it purports to amend Private Acts of 1925, Chapter 25, rather than Chapter 25 of the 1977 act.
 4. Private Acts of 1977, Chapter 148, amended Private Acts of 1977, Chapter 25, to reduce the face amount for each bond.
 5. Private Acts of 1980, Chapter 340, amended the 1947 act to change the powers of the Board of Trustees, to change the boundary, and to change the tax rate to "not more than" 50¢. The effectiveness of this act was conditioned upon local ratification by the voters within the school district. The notation of the Secretary of State indicates that no local action was taken, and the act is not in force. However, the Tennessee Supreme Court has since held that the effectiveness of an act cannot constitutionally be conditioned upon local voter approval within a special school district. In *Gibson County Special School District v. Palmer*, 691 S.W.2d 544 (Tenn. 1985), the court applied the doctrine of elision to strike the local referendum requirement.
 6. Private Acts of 1983, Chapter 62, amended Private Acts of 1949, Chapter 698, as previously amended, to lower the tax rate to "not more than" 35¢.
