It is further provided that no warrant shall be drawn by any county official until an encumbrance number has been assigned to it by the Central Accounting office and no encumbrance number shall be so assigned unless and until the Central Accounting office shall have determined that there is sufficient unencumbered funds in the hands of the Trustee to the credit of that particular department to pay such warrant.

SECTION 8. That it shall be a misdemeanor in office for any county official of Meigs County to willfully authorize or execute any contract for service or make any purchase or draw any warrant on the Trustee without having first determined as above set out that there is an unencumbered balance in the current budget for the affected department and that there is in the hands of the Trustee unencumbered funds to pay for the purchase or to pay the warrant, or to make any purchase from any vendor in which he has any personal interest directly or indirectly and upon conviction for this offense the official shall be dismissed from his office and disqualified for holding any public office in Meigs County for a period of five years.
