SECTION 6. That the members of the Board shall receive such salary, if any, as determined by the County Court in its sound discretion.

SECTION 7. That the County Judge shall designate from the three members thus selected a Chairman of the Board. The sheriff shall appoint from among his employees a personnel officer who shall be the keeper of the personal records and shall serve as Secretary of the Civil Service Board.

SECTION 8. That the Board as a body shall have the power:

- (a) To adopt and amend rules and regulations for the administration of this Act.
- (b) To make investigations concerning the enforcement and effect of this Act and to require observance of its provisions of the rules and regulations made thereunder.
- (c) To hear and determine appeals and complaints respecting the administration of this Act.
- (d) To establish and maintain a roster of all employees of the classified service and the office of the sheriff showing their positions, rank, compensation and places of residence.

(g) To establish records of the performance and a system of service ratings to be used to determine promotions, the order of lay-offs and re-employment and for other purposes. (h) To keep any other such records as may be necessary for the proper administration of this Act.

SECTION 9. That all persons in the employ of the office of the sheriff at the time this Act becomes operative, who have served for a period longer than six (6) months to be known under this Act as classified service, shall be retained without preliminary or performance tests, but shall thereafter be subject in all other respects to the provisions of this Act. Any other persons in the classified service at the time this Act becomes operative shall be regarded as holding their position under provisional appointment.

SECTION 10. That the Board shall, as soon as practical after this Act becomes operative, adopt a classification plan and make rules for its administration. The position classification plan may, if desired, create different classes of positions within each position in the classified service. The position classification plan shall show the duties, authorities, responsibilities and character of work required of each position and each class thereof. The Board shall determine the requirements of each position and class thereof as to education, experience, capabilities, knowledge and skill. As far as practical, the probable lines of promotion to and from the classes of position shall be indicated.

SECTION 11. That the Board may, upon request of the sheriff and by his advice, create new positions or combine, alter or abolish existing positions in such manner as the Board acting under the advice of the sheriff deems necessary for the effective operation of the office of sheriff. Provided, however, that no position in the classified service be abolished except upon approval of the Board acting in good faith upon the advice of the sheriff.

SECTION 12. That the Board shall formulate reasonable rules governing the granting of leaves of absence to members of the classified service in good standing. The Board shall request the advice of the sheriff upon any request of leave of absence before acting thereon and shall be guided by the requirements of the adequate law enforcement and operational efficiency of the office of sheriff when considering any such request for a leave.

All persons coming under the classified service who shall hereafter be inducted into the Armed Forces of the United States of America, or who shall hereafter enter said service voluntarily, by enlistment or otherwise in a time of war or other national emergency shall upon application of the sheriff, receive a military leave of absence for the duration of the period of service required. The said employee shall retain all rights or seniority and shall be entitled to reemployment in the same capacity and position they held at the time of entering said military service; provided, however, that application for reinstatement in such position be made by or on behalf of such employee within three (3) months after termination of active service in said Armed Forces.

All employees coming under the provision of this Act shall be entitled after one (1) year of service to one (1) week vacation each year until the employee shall have completed fifteen (15) years of service. The employee shall then be entitled to two (2) weeks vacation, commencing with the sixteenth (16) year of employment and continuing until such time as employee shall leave the service. The vacation shall be at full pay and shall be taken at a time as agreed upon by the sheriff and the employee.

SECTION 13. That the sheriff shall keep the Board informed by periodic reports of the employment needs of the office and the Board shall, as often as required by the necessity of the office of sheriff, hold tests for the purpose of establishing lists of eligibles for the various positions in the classified service. Such tests shall be public, competitive and open to all persons who may be lawfully appointed under the rules promulgated by the Board and existing prior to the announcement of the examination. Such rules may set limitations as to residence, age, health, habits, moral character and other necessary prerequisites for the performance of the duties of the position for which examination is designated.

Promotion tests shall be public, competitive and free to all persons examined and appointed under the provisions of this Act and who have held a position for at least a one (1) year period of time. All tests shall be practical and shall consist only of subjects which will fairly determine the capacity of the person examined to perform the duties of the position in which the appointment is to be made. Tests may include examination for physical fitness and manual skill. No questions in any tests shall relate to religious or political opinions or affiliations. The eligibles shall take rank upon a list which shall be compiled for each position, in the order of their relative excellence as determined by the tests and without reference to the priority of the time of the tests are given. No lists of eligibles shall be valid after one (1) year except, however, the Civil Service Board may extend an eligible period for not more than one (1) year. Notice of the time, place and general scope of each test and the duties, pay and experience required for all positions for which the test is to be held, shall be given by the board to each applicant at least one week preceding the test.

The notice must be in writing and addressed to the last known address supplied by the applicant. Notice of promotional tests shall be given as the Board may subscribe.

SECTION 14. That whenever a vacancy occurs in any position in the classified section of the office of sheriff, the sheriff shall make requisition to the Board for the names and addresses of all persons eligible for appointment thereto. The Board shall certify the names of all persons on the eligible list for position wherein the vacancy exists within thirty (30) days of the requisition to the Board. The sheriff thereupon shall investigate each of the five (5) highest on the list of eligibles. In the event the investigations result in none of the five eligibles being acceptable to the sheriff, he shall investigate the next five eligibles on the list, one after another until one of the eligibles investigated is acceptable to the sheriff. The sheriff thereupon shall appoint this person to the position wherein the vacancy exists and shall notify the Board of his action. If the Civil Service Board shall fail to provide a list, then the sheriff may make appointments to vacancies after having notified the Board of his action or his intention so to do.

No appointment or promotion for any position in the classified service, shall be deemed complete until after the expiration of six (6) months probationary service during which time the sheriff may determine the effectiveness of the employee and if in his judgment the employee does not meet the standards he may terminate the employment of any person certified and appointed if he deems it in the best interest of the service. Provided that whenever a position of the classified is filled by promotion, and the services of the person promoted are terminated by the sheriff during the probationary period, such person shall forthwith be returned to the duty in the former position held by him in the classified service unless such person's conduct during the probationary period has given grounds for dismissal for cause under this Act. Any person dismissed during the probationary period shall not be eligible to a hearing before the Board. A person certified to the sheriff who does not report for duty at the time so designated and who does not explain his said failure to report in writing within five (5) days, may be rejected by the sheriff who shall forthwith notify the Board of the action taken and the reason therefor, the person's name will then be stricken from the eligible list.

SECTION 15. That all employees in the classified service may be transferred from one position to another in the same class, and not otherwise. Transfers may be instituted only by the sheriff and shall be permitted only with the consent of the sheriff.

SECTION 16. That the practice and procedure of the Board with respect to any investigation by the Board authorized by this Act, shall be in accordance with the rules and regulations to be established by the Board which shall provide for a reasonable notice to all persons affected by order to be made by the Board after such investigation, with the opportunity to be heard either in person or by counsel, and to introduce testimony in his behalf at a public hearing to be held for that purpose.

The Board, when conducting any investigations or hearings authorized by this Act, shall have the power to administer oaths, take depositions, issue subpoenas, compel the attendance of witnesses and the production of books, accounts, papers, records, documents and testimony. In case of the disobedience of any person to comply with the orders of the Board or of a subpoena issued by the Board or any of its members, or on the refusal of a witness to testify on any matter on which he may be lawfully interrogated, the Judge in any Court of record within the county on application of any member of the Board, shall compel obedience by proceedings as for contempt. The sheriff or his legal deputy shall serve such subpoenas as issued by the Board.

SECTION 17. That the sheriff shall give an immediate report in writing of all appointments, reinstatements, vacancies, absences or other matter effecting the status of any member of the classified service or the performance of the duties of members of said classified service. The report shall be in the manner and form prescribed by the Board. The sheriff may suspend any employee for not more than ten (10) days for cause and there shall be no right of appeal for any suspension thereof.

Provided, however, the sheriff shall not have the authority to suspend any employee for more than one suspension of ten (10) days within any given six (6) month period of time without a right of appeal. If the sheriff shall suspend any employee for a period longer than ten (10) days, the suspended employee shall be notified in writing of the charges placed against him from his suspension. He shall thereafter have ten (10) days to request for a hearing.

SECTION 18. That no person holding a position in the classified service shall take an active part in any political campaign while on duty nor shall under any circumstance any employee of the sheriff's department solicit money for political campaigns or in any wise use his position as a deputy sheriff so as to reflect his personal political feelings as those of the sheriff's department or to use his position as deputy sheriff to exert any pressure on any one or group of people to sway that person's or persons' political views. No employee while on duty nor any officer while in uniform shall display any political advertising or paraphernalia on his person or on his automobile. No employee of the sheriff's office shall make any public endorsement of any candidate in any campaign for elected office. However, nothing in

this Act shall be construed to prohibit or prevent any such employee from becoming or continuing to be a member of a political club or organization and enjoying all the rights and privileges of such membership or from attending any political meetings, while not on duty, or in the course of his official business nor shall he be denied from enjoying any freedom or interference in the casting of his vote. Any person violating the provisions of this Section shall be dismissed from the service of the office of the sheriff.

SECTION 19. That the provisions of this Act shall be severable and if any of the provisions shall be held to be unconstitutional the decision of the Court shall not affect the validity of the remaining provisions. It is hereby declared the legislative intent of this Act that it would have been adopted by the General Assembly had such unconstitutional provisions not been included therein.

The Act shall not be held nor construed to create any property rights or any vested interests in any position in the classified service and the right is hereby reserved to repeal, alter, amend this Act, or any provision thereof at any time.

SECTION 20. That any law in existence at the passing of this Act which shall be in conflict with the provisions of this Act is hereby repealed.

SECTION 21. That this Act shall become effective as to any county to which it may apply when the same shall have been approved by the Quarterly County Court of such county by a vote of not less than two-thirds (2/3) of the members thereof, such approval to be made by said Quarterly County Court within ninety (90) days after the sine die adjournment of the General Assembly of the State of Tennessee for the year 1968, the public welfare requiring its becoming effective at that time. Law Enforcement - Historical Notes

Jails and Prisoners

The following acts once affected jails and prisoners in Maury County, but are no longer operative. Also referenced below is an act which repeals prior law without providing new substantive provisions.

1. Acts of 1809, (Sept. Sess.), Chapter 76, authorized the Commissioners of Columbia to build the jail for Maury County in some convenient part of Columbia on land that was then unsold but not on the public square.
2. Private Acts of 1971, Chapter 198, provided for the election of a five (5) member Jail- Workhouse Committee from among the members of the county commission. Private Acts of 1989, Chapter 54, repealed the Private Acts of 1971, Chapter 198.

Militia

Those acts once affecting Maury County, which related to the militia and to other law enforcement agencies other than the sheriff, are mentioned below in chronological order.

1. Acts of 1815, Chapter 119, was a new statewide military code for Tennessee. The table of Organization established all of the county units then existing in Tennessee. Maury County had three units which were designated as the 27th, 46th, and 51st Regiments, respectively.
2. Public Acts of 1819, Chapter 68, revised and amended many parts of the State's Militia Law. Maury County retained its 27th, 46th, and 51st Regiments. The 27th Regiment would call and

hold its annual Regimental muster and drill on the second Saturday in September, the 46th Regiment would do the same on the third Saturday of September, and the 51st on the fourth Saturday of the same month. The remainder of this long and involved law addressed itself to the details of organization, operation, logistics, and discipline of the entire military structure of the State.

3. Public Acts of 1825, Chapter 69, declared that free men and indentured servants between the ages of eighteen years and forty-five years would constitute the State Militia. Some few exceptions were mentioned. Maury County had the 27th, 46th, 51st, and 93rd Regiments, all assigned to the Fifth Brigade. The 27th Regiment would muster on the third Wednesday in September, the 46th Regiment on the following Saturday. The 51st Regiment was scheduled to meet for its annual drill and inspections on the fourth Wednesday in September, and the 93rd on the following Saturday. Many other changes were made to the military system primarily of a technical, or organizational nature.
4. Public Acts of 1835-36, Chapter 21, was a reorganization of the whole state militia law and units. Maury County's Regiments were numbered as the 77th, 78th, 79th, 80th, and 142nd. A company would be composed of a Captain, one First Lieutenant, one Second Lieutenant, one Ensign, three (3) Sergeants, three (3) corporals, and no less than forty-five (45) privates.
5. Acts of 1837-38, Chapter 156, scheduled county drills and musters for every county militia unit in Tennessee. Maury County would convene and drill its units on the Thursday and Friday following the second Friday in September. Maury, Marshall, and Bedford Counties' units made up the Twelfth Brigade.
6. Acts of 1839-40, Chapter 56, limited membership in the Militia of the State to white, male, inhabitants between the ages of eighteen and forty-five years, with some exceptions specified. The organizational Table did not make any changes in the regiments of Maury County, but fixed a new schedule for musters in the County.

Offenses

The act briefly summarized below fell into this category in Maury County.

1. Private Acts of 1917, Chapter 200, made it unlawful to operate a pool or billiard hall outside municipal boundaries in Maury County. Violation of the act was punishable by a fine of not more than \$50 and by imprisonment in the workhouse for not more than three months or both such fine and imprisonment.

Sheriff

The following acts have no current effect but are included here for reference purposes since they once applied to the Maury County Sheriff's Office. Also referenced below are acts which repeal prior law without providing new substantive provisions.

1. Acts of 1813, Chapter 54, directed the Sheriff of Maury County to hold an election at the Courthouse in the Town of Columbia for the purpose of electing five suitable persons to serve as commissioners for the Town.
2. Private Acts of 1823, Chapter 186, permitted the Sheriffs of Knox, Davidson, Maury, Smith, Rutherford, Jefferson, Sumner, and Washington counties to appoint one deputy each in addition to the number then fixed by law. The act was repealed entirely by Private Acts of 1978, Chapter 248.
3. Acts of 1837-38, Chapter 306, allowed the respective sheriffs of Maury, Hawkins, and Monroe Counties to appoint another additional deputy sheriff to assist in the conduct of their offices.
4. Acts of 1851-52, Chapter 367, permitted the Sheriff of Maury County to employ another deputy sheriff in addition to all those previously authorized by law. The act also authorized the boundary line to be run between Maury and Lewis Counties.
5. Private Acts of 1927, Chapter 684, fixed the Sheriff's salary at \$2,500 in Maury County provided he filed a sworn, itemized statement of the fees received in his office. If the fees, excluding prisoner's board and turn key, failed to reach \$2,500, the County would pay him the difference but, if they exceeded that amount, the Sheriff could retain the excess.
6. Private Acts of 1929, Chapter 258, was almost identical to Private Acts of 1929, Chapter 918, below, except the salary was \$2,400 and an error was made in the citation of the act to be repealed.
7. Private Acts of 1929, Chapter 918, repealed Private Acts of 1927, Chapter 684, and provided that the Sheriff be paid \$2,500 in salary, payable monthly by the County Judge on warrants drawn on the general fund, in addition to all the fees and emoluments of his office. The Sheriff was

empowered to appoint and remove any deputies he considered essential without approval of County Court. The deputies' salaries were to be paid out of the fees of the office.

8. Private Acts of 1933, Chapter 505, declared that the Sheriff of Maury County would not be entitled to receive more than \$3,000 annually for any year during his term of office and that the act was not to be construed as modifying or interfering with Section 10,728-10,747, Code of Tennessee of 1932.
9. Private Acts of 1939, Chapter 200, authorized the Quarterly Court of Maury County to create the position of Special Investigator of Crime for a term of two years. This official would investigate crimes and submit the evidence thereof to the District Attorney of the State in that County. He would be paid by the County, and any Deputy Sheriff or Constable otherwise qualified would be eligible for the office without resigning their offices. Following the initial two-year term, the Quarterly Court would have the option to fill the position for another term.
10. Private Acts of 1943, Chapter 187, appointed the Maury County Sheriff as the custodian of the County Courthouse, empowering the said custodian to regulate and designate office space in the courthouse for all Judges, Chancellors, and County Officers.
11. Private Acts of 1967-68, Chapter 196, placed the salary of the Sheriff and deputies on the basis of T.C.A. 8-2404 but also gave the deputies tenure after six months employment so that the Sheriff could not discharge them without cause. Any discharge after the six month period would only serve as a suspension until the said action was confirmed by a Board elected by the County Court. The act was not approved locally and did not become law.
12. Private Acts of 1978, Chapter 248, repealed Private Acts of 1823, Chapter 186 .
