Hotel/Motel Tax

Private Acts of 1991 Chapter 117

SECTION 1. As used in this act unless the context otherwise requires:

(1) "Consideration" means the consideration charged, whether or not received, for the occupancy in a hotel valued in money whether to be received in money, goods, labor or otherwise, including all receipts, cash, credits, property and services of any kind or nature without any deduction therefrom whatsoever. Nothing in this definition shall be construed to imply that consideration is charged when the space provided to the person is complimentary from the operator and no consideration is charged to or received from any person.

(2) "County" means Maury County, Tennessee.

(3) "Hotel" means any structure or space, or any portion thereof, which is occupied or intended or designed for occupancy by transients for dwelling, lodging or sleeping purposes, and includes any hotel, inn, tourist camp, campground, tourist court, tourist cabin, motel, campspace or any place in which rooms, lodgings or accommodations are furnished to transients for a consideration.

(4) "Occupancy" means the use or possession, or the right to the use or possession, of any room, lodgings or accommodations in any hotel.

(5) "Operator" means the person operating the hotel whether as owner, lessee or otherwise.

(6) "Person" means any individual, firm, partnership, joint venture, association, social club, fraternal organization, joint stock company, corporation, estate, trust, business trust, receiver, trustee, syndicate, governmental entity other than the United States or any of its agencies, or any other group or combination acting as a unit.

(7) "Transient" means any person who exercises occupancy or is entitled to occupancy for any rooms, lodgings or accommodations in a hotel for a period of less than thirty (30) continuous days.

(8) "Trustee" means the county trustee of Maury County, Tennessee.

SECTION 2. The legislative body of Maury County is authorized to levy a privilege tax, by resolution of the county legislative body, upon the privilege of occupancy in any hotel of each transient in an amount not to exceed five percent (5%) of the rate charged by the operator. Such tax is a privilege tax upon the transient occupying such room and is to be collected as provided in this act.

SECTION 3. The proceeds of the tax authorized by this act shall be paid into the county general fund and used for industrial development, tourism promotion, county beautification, and county recreation. Actual disbursement of funds received from the tax for these purposes shall be specified by resolutions of the county legislative body.

SECTION 4. Such tax shall be added by each and every operator to each invoice prepared by the operator for the occupancy of the hotel and given directly or transmitted to the transient. Such tax shall be collected by such operator from the transient and remitted to the county trustee as provided in Section 5.

When a person has maintained occupancy for thirty (30) continuous days, that person shall receive from the operator a refund or credit for the tax previously collected or charged and the operator shall receive credit for the amount of such tax if previously paid or reported to the county.

SECTION 5.

(a) The tax levied shall be remitted by all operators who lease, rent or charge for any rooms, lodgings, spaces or accommodations in hotels within the county to the trustee or such other officer as may by resolution be charged with the duty of collection thereof, such tax to be remitted to such officer not later than the twentieth (20th) day of each month for the preceding month. The operator is required to collect the tax from the transient at the time of the presentation of the invoice for such occupancy as may be the custom of the operator, and if credit is granted by the operator to the transient, then the obligation to the county entitled to such tax shall be that of the operator.

(b) For the purpose of compensating the operator for remitting the tax levied by this act, the operator shall be allowed two percent (2%) of the amount of the tax due and remitted to the trustee in the form of a deduction in submitting the report and paying the amount due by such operator, provided the amount due was not delinquent at the time of payment.

SECTION 6. The trustee, or other authorized collector of the tax, shall be responsible for the collection of such tax and shall place the proceeds of such tax in accounts for the purposes stated herein. A monthly tax return shall be filed under oath with the trustee by the operator with such number of copies thereof as the trustee may reasonably require for the collection of such tax.

The report of the operator shall include such facts and information as may be deemed reasonable for the verification of the tax due. The form of such report shall be developed by the trustee and approved by the county legislative body prior to use. The trustee shall audit each operator in the county at least once a year and shall report on the audits made on a quarterly basis to the county legislative body.

The county legislative body is authorized to adopt resolutions to provide reasonable rules and regulations for the implementation of the provisions of this act, including the form for such reports.

SECTION 7. No operator of a hotel shall advertise or state in any manner, whether directly or indirectly, that the tax or any part thereof will be assumed or absorbed by the operator or that it will not be added to the rent, or that if added, any part will be refunded.

SECTION 8. Taxes collected by an operator which are not remitted to the trustee on or before the due dates are delinquent. An operator is liable for interest on such delinquent taxes from the due date at the rate of twelve percent (12%) per annum, and is liable for an additional penalty of one percent (1%) for each month or fraction thereof such taxes are delinquent. Such interest and penalty shall become a part of the tax herein required to be remitted. Each occurrence of willful refusal of an operator to collect or remit the tax or willful refusal of a transient to pay the tax imposed is unlawful and shall be punishable by a civil penalty not in excess of fifty dollars (\$50.00).

SECTION 9. It is the duty of every operator liable for the collection and payment to the county of any tax imposed by this act to keep and preserve for a period of three (3) years all records necessary to

determine the amount of tax due and payable to the county. The trustee has the right to inspect such records at all reasonable times.

SECTION 10. The trustee in administering and enforcing the provisions of this act has as additional powers, those powers and duties with respect to collecting taxes as provided in Title 67 of Tennessee Code Annotated or otherwise provided by law.

Upon any claim of illegal assessment and collection, the taxpayer has the remedies provided in Tennessee Code Annotated, Title 67. It is the intent of this act that the provisions of law which apply to the recovery of state taxes illegally assessed and collected shall also apply to the tax levied under the authority of this act. The provisions of Tennessee Code Annotated, Section 67-1-707, shall be applicable to adjustments and refunds of such tax.

With respect to the adjustment and settlement with taxpayers, all errors of county taxes collected by the trustee under authority of this act shall be refunded by the trustee. Notice of any tax paid under protest shall be given to the trustee and the resolution authorizing levy of the tax shall designate a county officer against whom suit may be brought for recovery.

SECTION 11. The tax levied pursuant to the provisions of this act shall only apply in accordance with the provisions of Tennessee Code Annotated, Section 67-4-1425.

SECTION 12. If any provision of this act or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of the act which can be given effect without the invalid provision or application, and to that end the provisions of this act are declared to be severable.

SECTION 13. This act shall have no effect unless it is approved by a two-thirds (2/3) vote of the county legislative body of Maury County. Its approval or nonapproval shall be proclaimed by the presiding officer of the county legislative body and shall be certified by such presiding officer to the Secretary of State.

SECTION 14. For the purpose of approving or rejecting the provisions of this act, it shall be effective upon becoming a law, the public welfare requiring it. For all other purposes, this act shall take effect upon being approved as provided in Section 13.

New Development Privilege Tax

Private Acts of 1991 Chapter 118

WHEREAS, after an intense national competition, the state of Tennessee successfully negotiated with the General Motors Corporation to locate its SATURN plant in Tennessee; and

WHEREAS, General Motors Corporation has constructed the SATURN automotive assembly plant in an unincorporated area of Maury County; and

WHEREAS, the investment in said plant is anticipated to be approximately \$3.5 billion when the plant is complete; and

WHEREAS, pursuant to a Payment In Lieu Of Tax (PILOT) Agreement entered into between General Motors and Maury County, the SATURN plant will make payments in lieu of property tax in an amount less than the property tax payments that would be required under the present County property tax rate of \$2.68 per \$100 of assessed valuation; and

WHEREAS, the SATURN plant is anticipated to stimulate other commercial, office, industrial and warehouse development in Maury County in the vicinity of the SATURN plant as well as in neighboring counties; and

WHEREAS, the projected non-residential development and the availability of jobs is anticipated to stimulate a significant demand for new dwelling units; and WHEREAS, in anticipation of and for the purpose of more accurately identifying the impacts of the SATURN plant and associated development on Maury County, the County retained a Consultant Team (1) to project population and employment growth in Maury County to the Year 2000 and to convert the projected population and employment forecasts into land use demand; (2) to identify the County responsibility for the provision of the additional capital facilities and improvements that would be needed as a result of such growth and to estimate the cost thereof; (3) to undertake a fiscal impact analysis to project County revenues and necessary County expenditures, given the projected growth, to the Year 2000 and to determine, at current tax and fee rates, whether revenues will be adequate to meet the projected needs; and (4) if revenues are inadequate, to explore alternative revenue sources that may now or in the future be available to increase

County revenues to fund the necessary public facilities at current service levels; and

WHEREAS, the results of the Consultant Team Report, undertaken with the assistance and cooperation of the County staff and officials, show that:

- (1) County population will be 75,400 persons in the Year 2000, an increase of 50% from 1980 to 2000; employment will reach 39,100 in the Year 2000, an increase of 63% from 1980; there will be a demand for approximately 12,000 additional dwelling units between 1985 and 2000; and new residential and non-residential development will consume an additional 5,000 acres of land in Maury County;
- (2) Projected growth and land use development will cause a demand for County provided capital facilities (schools, jail, parks, County government facilities, etc.) in the amount of approximately \$26 to \$28 million over the next 15 years;
- (3) The cost of and additional demand for public facilities as well as increased operating expenses, staff and maintenance costs will create a budget deficit which is projected to range from \$1 million to more than \$4 million per year through the Year 2000.
- (4) The County's present revenue-raising authority is limited and relies heavily on intergovernmental transfers which are not subject to County control and on property taxes, which would impose the costs of new growth on existing residents rather than on new residents and businesses who create the demand for the additional expenditures; and

WHEREAS, Maury County is committed to both present and future County residents to maintaining a level of public facilities and services commensurate with that presently provided; and

WHEREAS, Maury County is prepared to impose a fair, equitable and reasonable share of the costs of providing the necessary public facilities and services on existing residents of the County; and

WHEREAS, the County's present population, employment base, tax base and budget cannot alone support the additional revenues needed to supply facilities to service new growth without a 50% increase in the property tax rate on existing development; and

WHEREAS, the introduction of the SATURN plant in Maury County represents both an extraordinary economic opportunity for the State of Tennessee as well as a potential economic burden on the existing residents of Maury County; and

WHEREAS, due to these unique circumstances, it is necessary and appropriate that Maury County be given authorization to extend its taxing power to enable the County to impose a fair and reasonable share of the costs of public facilities necessitated by new development on that development so as not to create an unfair and inequitable burden on existing County residents; and

WHEREAS, there is precedent in the State of Tennessee for such additional tax measures to impose costs on those who benefit from improvements and where the result would otherwise be to impose an unfair burden on existing residents; and

WHEREAS, the most logical and effective mechanism to accomplish the intended result would be the imposition of a new privilege tax on new development in Maury County; now, therefore,

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. This Act shall be known and cited as the Maury County Adequate Facilities Tax.

SECTION 2. As used in this Act, unless a different meaning appears from the context:

SECTION 2. The tax herein levied shall be paid to and collected by the County Clerk of Maury County, who is authorized by Tennessee Code Annotated, Section 67-4-103, to collect such privilege taxes. The County Clerk shall collect this tax at the same time he or she collects the state privilege tax levied upon the operation of a motor-driven vehicle over the public highways of this State. The County Clerk shall deduct a fee of five percent (5%) as authorized in Tennessee Code Annotated, Section 8-21-701(55), from the amount of taxes collected and paid over to the trustee monthly. If the wheel tax decal is sold by the County Clerk for a period of more or less than a calendar year, the tax imposed shall be proportionate to the annual tax fixed for the vehicle in the same manner as state licenses are prorated and modified in no other manner, except that the proportional tax shall be rounded off to the nearest quarter of a dollar.

SECTION 5. If any motor-driven vehicle for which the wheel tax has been paid and the emblem or decal issued and placed thereon, becomes unusable, obliterated, erased or defaced, or is destroyed or damaged to the extent that it can no longer be operated over the public roads, streets or highways of said county or if the owner transfers the title to the vehicle, and completely removes therefrom and destroys the decal or emblem issued for and placed thereon, and the owner makes proper application to the county clerk for the issuance of a duplicate decal to be used by the owner for the unexpired term for which the original decal was issued, and the county clerk is satisfied that the applicant is entitled to issuance of such a duplicate decal and the owner pays the county clerk the sum of four dollars (\$4.00), then the county shall issue to such owner a duplicate receipt, canceling the original receipt delivered to the owner by the County Clerk, and a duplicate decal shall be provided to be affixed as outlined above. **SECTION 6.** The proceeds of this tax shall be used only as follows:

Taxation - Historical Notes

Assessor of Property

The following acts were superseded, repealed or failed to win local ratification, but they are listed here as a reference to laws which once affected the assessor in Maury County. Also referenced below are acts which repeal prior law without providing new substantive provisions.

1. Private Acts of 1911, Chapter 171, allowed the Tax Assessor to appoint two deputy tax assessors to hold their employment during the term of office of the Tax Assessor. Each Deputy would receive \$250 per year as compensation to be paid out of the County treasury. They would be responsible for discharging the duties assigned them by the Tax Assessor.
2. Private Acts of 1919, Chapter 679, amended Acts of 1907, Chapter 602, by establishing the salary of the Tax Assessor of Maury County at \$3,500, payable monthly from the County treasury. Further, the act gave the Assessor the authority to appoint such deputies as may be necessary, the compensation of the deputies to be fixed by him and paid by him from his salary. The act repealed Private Acts of 1911, Chapter 171.
3. Private Acts of 1933, Chapter 630, also amended Acts of 1907, Chapter 602, by deleting the amendment in the 1919 Act and reducing the salary of the Tax Assessor to \$2,750 annually, payable monthly from the County treasury and by providing that he would receive no other compensation. Further, the Assessor was authorized to appoint deputies and fix their compensation but the deputies would be paid out of the Assessor's salary. The act repealed Private Acts of 1919, Chapter 679, above, and Private Acts of 1911, Chapter 171, above, even though it had already been repealed. The act placed the job of making out the tax books, formerly performed by the County Court Clerks, and other tasks, upon the Tax Assessor at no additional pay.
4. Private Acts of 1937, Chapter 720, amended Private Acts of 1933, Chapter 630, by increasing the tax assessor's annual salary to \$3,000.
5. Private Acts of 1949, Chapter 623, set the salary of the Maury County Tax Assessor at \$3,600 annually, payable monthly. It required the Tax Assessor's office to be kept open to the public the same hours as other County offices and required the Tax Assessor or Deputy to be on duty during those hours. The Tax Assessor was authorized to appoint one Deputy Tax Assessor whose salary would be a sum not to exceed \$1,800. The County Court was authorized to appoint additional Deputies as needed, either part-time or full-time at a similar salary.
6. Private Acts of 1951, Chapter 289, amended Private Acts of 1949, Chapter 623 by setting the salary of the Deputy Tax Assessor at a sum not to exceed \$2,400.
7. Private Acts of 1957, Chapter 199, set the salary of the Deputy Tax Assessor at a sum not to exceed \$3,600.
8. Private Acts of 1957, Chapter 297, authorized the County Quarterly Court of Maury County to set the salary of the Tax Assessor at a sum not less than \$3,600 nor more than \$6,500.
9. Private Acts of 1971, Chapter 94, authorized the Quarterly County Court to increase the salary of the Deputy Tax Assessor by a maximum of \$250 over and above the monthly salary of the Deputy in the year 1970.

6. Public Acts of 1974, Chapter 563, amended Public Acts of 1973, Chapter 119, by making it applicable to Maury County as well as Counties with more than 600,000 population according to the 1970 Census.
