Building Codes

Incorporation By Reference

Private Acts of 1972 Chapter 230

SECTION 1. The Governing Body of Loudon County is authorized to adopt, by reference, the provisions of any code or portions of any code as herein defined, to amend the provisions of said codes as it deems necessary, to provide for their administration and enforcement, to establish penalties for the violation of such codes and to define the area within the county where such codes will be applicable.

SECTION 2. As used in this Act, the following terms shall have the meanings hereafter indicated.

(a) The Quarterly Court of Loudon County or any other body in which the general legislative powers of the county may hereafter be vested.

(b) Any published compilation of published rules or regulations which have been prepared by technical trade associations, model code organizations, or agencies of the State or Federal Governments which regulate building construction, housing quality, electrical wiring, and plumbing and gas installation.

(c) Any document which is printed, lithographed, multigraphed, or otherwise reproduced.

SECTION 3. The governing body may adopt or repeal a resolution which incorporates by reference the provisions of any code or portions of any code, or any amendment thereof, properly identified as to date and source, without setting forth the provisions of such code in full. At least three copies of such code, portion, or amendment which is incorporated by reference shall be filed in the office of the County Court Clerk and there kept for public use, inspection, and examination. The filing requirements herein prescribed shall not be deemed to be complied with unless the required copies of such code, portion, or amendment

are filed with the Clerk for a period of thirty (30) days before the adoption of the resolution which incorporates such code, portion, or amendment by reference. No resolution incorporating a code, portion, or amendment by reference shall be effective until published in a newspaper having a general circulation in the county. Codes, regulations, or amendments to any of the foregoing adopted by the governing body, acting under the authority of this Act shall not take precedence over existing or hereafter enacted state laws or regulations except wherein such codes, regulations, or amendments to any of the foregoing surpass the standards of said state laws or regulations, and county officers charged with enforcement under the authority of this Act are hereby authorized and empowered to enforce all such valid state laws and regulations which are more stringent than said county codes or regulations.

SECTION 4. Any amendment which may be made to any code or regulation incorporated by reference by the governing body hereunder, may be likewise adopted by reference provided that the required number of amended or corrected copies (3) are filed with the County Court Clerk of Loudon County for public inspection, use, and examination at least thirty (30) days prior to adoption.

Notice of the adoption of any resolution adopting amendments by reference shall be published in a newspaper of general circulation in the county. No such resolution shall become effective until such notice has been published.

SECTION 5. The governing body may also incorporate by reference the administrative provisions of any code, or may include in the adopting resolution any suggested administrative provisions found in a code. Should a code not contain administrative provisions, the administrative provisions of another code may be adopted by reference, or may be adopted and included in the adopting resolution. The powers and duties of enforcing the provisions of any code incorporated by reference may be conferred upon such officials within the existing framework of the county government as the governing body may determine, such as, but not limited to, officials and bodies administering zoning and planning regulations within the county.

SECTION 6. The county attorney or any official vested with the powers of enforcing the provisions of any code incorporated by reference may, in addition to any other remedies provided by law, institute injunction to prevent the violation of any provision of such code. Further, that any magistrate or judge who is authorized to issue warrants under general law is authorized to issue to the enforcing officer a warrant authorizing the inspection of specified buildings, structures, or premises when necessary to enforce any codes or regulations adopted hereunder.

SECTION 7. The authority of this Act shall not extend to the incorporation by reference of any penalty clause contained in a code. Any person, firm, or corporation or agent who shall violate a provision of any code incorporated by reference or fail to comply therewith or with any of the provisions hereof, or violate a detailed statement or plans submitted and approved thereunder, shall be guilty of a misdemeanor. Each such person, firm, or corporation or agent shall be deemed guilty of a separate offense for each and every day or portion thereof during which any violation of any of the provisions of a code is committed or continued, and upon conviction for any such violation shall be punished by a fine of not more than Fifty Dollars.

SECTION 8. The provisions of this Act shall apply only to the unincorporated area of Loudon County.

SECTION 9. If any section, sentence, clause or phrase of this Act is for any reason held to be unconstitutional, such decision shall not affect the validity of the remaining portion of this Act.

SECTION 10. This Act shall have no effect unless the same shall have been approved by a two-thirds ($\frac{2}{3}$) vote of the governing body of Loudon County. Its approval or nonapproval shall be proclaimed by the county judge of Loudon County and certified by him to the Secretary of State.

SECTION 11. This Act shall be effective from and after its passage, the public welfare requiring it, but the provisions thereof shall not become operative until validated as provided in Section 10 herein.

Said Assessor of Property shall issue such building permit upon due application therefor, and the payment of a fee of one (\$1.00) dollar. The permit required hereby shall be in such form as may be prescribed by the Assessor of Property. Port Authority

Private Acts of 1965 Chapter 95

SECTION 1. That in order to facilitate transportation in the Counties of Loudon and Monroe in the State of Tennessee, and to promote navigation on the Little Tennessee River and its tributaries, which traverse portions of the said counties; to facilitate the movement and transfer of people, goods, and merchandise to, from and through the said counties; to aid in the utilization of the natural resources and recreation and water sports facilities and activities therein, and for the development of commerce and industry in said counties, there is hereby established in Loudon and Monroe Counties, Tennessee, a Port Authority, to be known as "The Little Tennessee River Port Authority," "The Port Authority" or "The Port Authority Commissioners," for the purposes of (a) acquiring, constructing, operating, and maintaining ports and navigation terminals on the Little Tennessee River and its tributaries, including docks, wharfs, piers, loading and unloading machinery, scales, transportation equipment, harbor and river front improvements, storage and transfer facilities, elevators, and all other advisable appurtenant port and terminal facilities; (b) acquiring, holding, improving, and disposing of lands in the vicinity of such ports and terminals which are suitable for the various purposes herein set forth and for use by manufacturing, processing, or fabricating plants or other industries which require access to the waters of the Little Tennessee River and its tributaries in their operation; and (c) acquiring, constructing, operating, and maintaining railroad switchyards, concentration yards, recreation and water sports facilities, roads and bridges, including the aforesaid industrial sites, and to provide that the same shall be under the jurisdiction, control, and management of the Port Authority as hereinafter provided.

SECTION 2. That the development, maintenance, and operation of such facilities are hereby declared to be essentially public and governmental functions. The powers herein granted, in connection therewith, are declared to be public and corporate purposes and matters of public necessity.

SECTION 3. That the Port Authority shall consist of the Port Authority Commissioners, who shall be six in number, and such subordinate officers and employees as may be selected by said Port Authority Commissioners, as hereinafter provided.

SECTION 4. That the said Port Authority Commissioners shall have power, and they are hereby authorized:

(a) To acquire, construct, purchase, operate, maintain, replace, repair, rebuild, extend, and improve, within the boundaries of Loudon and Monroe Counties, Tennessee (except not within the present corporate limits of any other municipality now within said area, without first obtaining express permission and authority from the governing body of such other municipality), the ports and other facilities described in Section 1 hereof, and any and all related facilities, equipment, and appurtenances necessary or convenient to the improvement of the access to all channels of commerce, and to make such facilities available to any firm, person, public or private corporation, to any other shipper, consignee, or carrier, and to charge for their use and for any and all services performed by the Authority.

(b) To accept donations to the Authority of cash, lands or other property to be used in the furtherance of the purposes of this Act.

(c) To accept grants, loans, or other financial assistance from any federal, state, county, or

municipal agency, or in aid of the acquisition or improvement of any of the facilities herein provided for.

(d) To purchase, rent, lease, or otherwise acquire any and all kinds of property, real, personal or mixed, tangible or intangible, and whether or not subject to mortgages, liens, charges, or other encumbrances, for the said counties which, in the judgment of The Port Authority Commissioners, is necessary or convenient to carry out the powers herein granted. The authority herein to acquire property shall include, but not be limited to, the acquisition of lands in the vicinity of the port and terminal facilities provided for herein, which is suitable for use by industries requiring access to the water of the Little Tennessee River and its tributaries in their operations.

(e) To make contracts and execute instruments containing such covenants, terms, and conditions as, in the judgment of said Commissioners, may be necessary, proper, or advisable for the purpose of obtaining grants, loans, or other financial assistance from any federal or state agency, for or in the aid of the acquisition or improvement of the facilities herein provided for; to make all other contracts and execute all other instruments including, without limitation, licenses, long or short term leases, mortgages and deeds of trust, and other agreements relating to property and facilities under its jurisdiction, and the construction, operation, maintenance, repair, and improvement thereof, as in the judgment of said Board of Commissioners may be necessary, proper, or advisable for the furtherance of the purposes of this Act, and the full exercise of the powers herein granted; and to carry out and perform the covenants, terms, and conditions of all such contracts or instruments.

(f) To establish schedules of tolls, fees, rates, charges, and rentals for the use of the facilities under its jurisdiction, and for services which it may render.

(g) To enter upon any lands, waters, and premises for the purpose of making surveys, soundings, and examination in connection with the acquisition, improvement, operation, or maintenance of any of the facilities herein provided for.

(h) To promulgate and enforce such rules and regulations as the said Board of Commissioners may deem proper for the orderly administration of the Port Authority and the efficient operation of its facilities.

(i) To do all acts and things necessary, or deemed necessary or convenient to carry out the powers expressly given in this Act.

SECTION 5. That, except as otherwise expressly provided in this Act, The Port Authority Commissioners shall have full and exclusive control of and responsibility for the administration of facilities constructed or acquired pursuant to this Act; provided, however, that said Authority may lease or license lands or facilities under its jurisdiction, for operation by private persons or corporations, as provided in Section 4 (e) of this Act.

SECTION 6. That the Port Authority "when authorized so to do by a resolution approved by two-thirds of the members of the quarterly county court of the county containing such lands, at a regular or special session of said quarterly court," is hereby authorized and empowered to condemn on behalf of and in the name of the Counties of Loudon and Monroe in the State of Tennessee, any land, easements, or rights of way in said counties that, in the opinion of the Board of Commissioners, are necessary or convenient to carry out the purposes of this Act. Title to property so condemned shall be taken by and in the name of the county containing said property, and the property shall thereafter be entrusted to said Authority, as the agent of the county, to accomplish the purposes of this Act. Such condemnation proceedings shall be pursuant to and in accordance with Sections 23-1401 through 23-1525, inclusive, of the Tennessee Code Annotated, or as the same may be hereafter amended or other eminent domain laws of the State of Tennessee that may be hereafter enacted; provided, however, that where title to any property sought to be condemned is defective, it shall be passed by the judgment or decree of the court; provided, further, that where condemnation proceedings become necessary, the court in which any such proceedings are filed shall, upon application by the Port Authority on behalf of the county taking such property, and upon posting of a bond with the Clerk of the Court in such amount as the court may deem commensurate with the value of the property, order that a writ of possession shall issue immediately, or as soon and upon such terms as the court, in its discretion, may deem proper and just.

SECTION 7. That bonds issued pursuant to this Act, and income therefrom, shall be exempt from all state, county, and municipal taxation, except inheritance, transfer, and estate taxes. So long as title to land or rights therein acquired, or facilities constructed or acquired pursuant to this Act, remains in the Counties of Loudon and Monroe, Tennessee, such property, and income therefrom, shall be exempt from all state, county, and municipal taxation, provided, however, that such exemption shall not extend to the leasehold or other interest in such property which may be held by any private person or private

corporation.

SECTION 8. That Loudon and Monroe Counties, The Port Authority, and the Board of Commissioners shall not be required to obtain any certificate of convenience or necessity, franchise, license, permit, or other authorization from any bureau, board, commission, or other like instrumentality of the State of Tennessee, or any political subdivision thereof, in order to acquire, construct, purchase, operate, or maintain any of the facilities authorized by this Act.

SECTION 9. That neither the Tennessee Public Service Commission nor any other board or commission of like character hereafter created shall have jurisdiction over the Port Authority with respect to the management and control of the facilities authorized by this Act, including the establishment of rates, fees, and charges or otherwise.

SECTION 10. That the Board of Commissioners of The Port Authority shall consist of six members. Three of the six initial members of the Board of Commissioners of the Port Authority shall be elected by a majority vote of the members of each of the County Courts of Loudon and Monroe Counties on the first Thursday of April, 1963, or as soon thereafter as practicable, and their respective terms of office shall be as follows: The term of office of the first member selected by each respective county court shall expire the first Thursday of April 1965; the term of office of the second member selected by each respective county court shall expire the first Thursday of April, 1967; the term of office of the third member selected by each respective county court shall expire the first Thursday of April 1969.

The successors in office, for each of the respective six initial members of the Board of Commissioners of The Port Authority whose full terms of office have expired, shall be elected by the county court which originally selected such initial member, as hereinafter provided, for regular terms of office of six years each thereafter, whose respective terms of office shall expire on the first Thursday of April of the respective years applicable.

The County Court of each of the said counties, approximately thirty days prior to the expiration of the respective terms of office of the respective members of the Board of Commissioners of the Port Authority elected by it, shall elect their respective successors from among three nominees for the office, whose names shall be submitted to the respective county courts of the said counties by the Board of Commissioners of The Port Authority, and whose names shall be filed with the clerks of the County Courts of Loudon and Monroe Counties not less than sixty days prior to the expiration of the term of the respective member and Commissioner; provided, however, that the county court, by a two-thirds vote of all of the members of said court, may elect as said successor some person not nominated by the Board of Commissioners of The Port Authority. In the event of failure to elect a successor to any member of said board, the member and Commissioner whose term has expired shall continue to serve until his successor has been duly elected as herein provided.

In the event of the death or resignation of a member and Commissioner, or his inability to serve, prior to the expiration of his term, his successor shall be elected for the unexpired term by the county court originally electing him in the same manner last above provided, except that the names of the three nominees for the office shall be submitted to the clerks of the county courts of Loudon and Monroe Counties not less than thirty days prior to the election of said successor by said county court and such successor Commissioner shall be elected for the unexpired term of the deceased or retiring Commissioner, whose office is vacant.

Any person at least twenty-one years of age who has resided within the boundaries of the county whose court may elect him, for a period of at least three years immediately preceding his election, shall be eligible to serve as a member of the Board of Commissioners of The Port Authority, except members of the County Courts of Loudon and Monroe Counties and elected officials of said counties shall not be eligible to serve as members of said Board of Commissioners. Any Commissioner who ceases to regularly reside within the boundaries of the county electing him shall automatically become ineligible to serve in said office. All Commissioners shall be eligible for re-election, provided they are qualified as herein required.

Before entering upon their duties, all Commissioners shall take and subscribe to any oath of office, as provided by the constitution and law for county officers, copies of the said oath of each Commissioner shall be filed with the Clerk of the County Court of his respective county.

A majority of the Commissioners shall constitute a quorum and the Commissioners shall act by vote of a majority present at any meeting attended by a quorum, and vacancies among the Commissioners shall not affect their power and authority, so long as a quorum remains. Within thirty days after their election as herein provided, the Commissioners shall hold a meeting to elect a Chairman. The Commissioners shall hold regular meetings at least once every four months, and at such regular time and place as the Commissioners may, by resolution, determine, and may hold such additional meetings, either regular or

special, as may be determined by the Board of Commissioners.

Special meetings may be called and held upon notice and in such manner as the Board of Commissioners may, by resolution, determine. Save as otherwise expressly provided, the Board of Commissioners shall establish their own rules of procedure.

The Commissioners shall designate a Secretary and a Treasurer, or the same individual as Secretary and Treasurer, and such Secretary and/or Treasurer may or may not be a Commissioner or Commissioners. The Secretary shall attend all regular and special meetings and keep minutes thereof. The minutes of said meetings shall be available for inspection by the public at the office of the Authority, at all reasonable times.

The Board of Commissioners, by resolution, shall require the Treasurer or Secretary- Treasurer, if he is one and the same person, to execute a bond with approved corporate surety, for the faithful performance of his duties and the accounting of all monies and revenues that may come into his hands, as such, in such penalty as the Board shall specify, by resolution. Said bond shall be filed with the Secretary of the State of Tennessee.

The Board of Commissioners, by resolution, may require all other subordinate officers, or employees, to execute such fidelity bonds for the faithful performance of their duties and the accounting of funds that may come to their hands, in such an amount, with such conditions and such sureties, as the Board of Commissioners may determine.

All members of the Board of Commissioners shall serve as such without compensation, except such per diem allowance, if any, as may be authorized by the County Court for the Commissioners from each county, but they shall be allowed necessary traveling and other expenses while engaged in the business of the Authority, as may be provided and approved by the Board, payable from the funds of the Authority, or such funds as may be appropriated by the County Courts of Loudon and Monroe Counties. No more than two commissioners from each county, serving at the same time, shall be members of the same major political party.

SECTION 11. That, except as otherwise herein provided, the Port Authority Commissioners shall be removable only for good cause, and after preferment of charges, as provided by law for county officers.

SECTION 12. That the Port Authority Commissioners shall be authorized to employ and fix the compensation of such architects, attorneys, engineers, superintendents, consultants, professional advisors and other subordinate officers and employees, as may be necessary for the efficient management and operation of The Port Authority, and the operation of the facilities provided for in this Act, and who shall continue in the employment of the Authority, at the will and pleasure of the Board of Commissioners.

SECTION 13. That the Counties of Loudon and Monroe in the State of Tennessee, shall have power and authority to issue and sell their bonds to finance the acquisition, construction, improvement and/or expansion of the facilities herein authorized, and to refund bonds previously issued, or refinance indebtedness previously incurred for such purposes. The Counties of Loudon and Monroe may, in all respects, provide for the rights of the holders of all bonds, including the manner in which future bonds may be issued on a parity with such bonds. The bonds may be issued in one or more series, may bear such date or dates, may mature at such time or times, not exceeding forty years from their respective dates, may be in such denomination or denominations, may be in such form either coupon or registered, may carry such registration and conversion privileges, may be executed in such manner, may be payable in such medium of payment, at such place or places, may be sold or hypothecated in such blocks, may be subject to such terms of redemption with or without premium, may be declared or become due after the maturity date thereof, and may be in such amount as may be provided by resolution or resolutions of the County Courts of said counties. Such bonds may be issued for money or property, at public or private sale, for such price or prices and at such rate or rates of interest, and may be hypothecated in such manner as said County Courts may determine, but the interest cost to maturity of the bonds, when issued for property (at the value determined by said County Courts, which determination shall be conclusive), or the money received for any issue of said bonds, shall not exceed the maximum rate fixed by law, payable semi-annually. Such bonds shall have all the qualities and incidents of negotiability.

Pending the preparation of the definitive bonds, interim receipts or certificates in such form, and with such provisions, as the said County Courts may determine, in the resolution authorizing said bonds, may be issued to the purchaser or purchasers of bonds sold pursuant to this Act. Said bonds and interim receipts or certificates shall be fully negotiable. In case any of the officers whose signatures or countersignatures appear on such bonds shall cease to be such officer before the delivery of the bonds, such signatures and countersignatures shall nevertheless be valid and sufficient for all purposes, the same as though such officers had remained in office until the bonds had been delivered. Such bonds may be issued, notwithstanding and without regard to any limit or restriction on the amount or percentage of

indebtedness, or of outstanding obligations of the Counties of Loudon and Monroe, contained in any other statute, general or special, and notwithstanding and without regard to the requirements of any other general or special statute, including requirements as to elections for the approval of such bonds.

In the case of bonds payable solely out of the revenues of The Port Authority, it shall be the duty of the County Courts of Loudon and Monroe Counties to provide, by resolution, for the issuance of such bonds, as requested by The Port Authority Commissioners.

Prior to a vote by the County Courts of said counties authorizing the issuance of bonds to be financed wholly or in part through tax levies by the said County Courts, the Port Authority Commissioners shall prepare and submit to the County Court of each of the counties of Loudon and a amount to be issued by every county, supported by a report on the need for, and projected use of the facilities for the financing of which such bond issue is proposed, including a review of alternate solutions, if any, and a justification of the solution proposed.

Bonds may be issued as direct and general obligations of each of the Counties of Loudon and Monroe, payable out of their several and separate general income and revenue, or at the election and subject to the determination of the Port Authority Commissioners, may be made payable only out of the revenues from the facilities of the Port Authority. In case the bonds are issued as general obligations of the said counties, it shall be the duty of the County Court of each of the said counties to levy a tax each year, over and above the taxes levied for general county purposes and other special county purposes, to pay the interest and principal of said bonds, as they mature; provided, however, that in case the revenues derived from the operation of the facilities herein provided for, are sufficient to pay the interest and principal of said bonds, or a part thereof, as they may severally mature, then a special levy for the full payment of said interest and principal shall not be required, but said County Courts shall each year levy an amount of tax, which, when added to the amount of revenue derived from the operation of said facilities, then on hand and available for that purpose, will be sufficient to pay the interest and principal maturing prior to the collection of the next succeeding tax levy. Said bonds shall be sold at public or private sale, and in such manner as may be determined by resolution of each of the said County Courts authorizing their issuance. Said bonds shall contain a recital that they are issued pursuant to and in accordance with this Act, and such recital shall be conclusive evidence of their legality.

SECTION 14. That in order to secure the payment of any of the bonds issued pursuant to this Act, the interest thereon, or in connection with such bonds, the County Courts of Loudon and Monroe Counties shall have power, as to such bonds, to the extent not inconsistent with the mandatory provisions of this Act:

- (a) To pledge the full faith and credit and unlimited taxing power of each of the said counties to the punctual payment of the principal of and interest on such bonds.
- (b) To pledge all or any part of the revenue derived from the operation of the facilities herein authorized, and to pledge all or any part of the proceeds derived from the sale, transfer, lease, or other disposition of any land or other facilities as provided for in this Act.
- (c) To provide for the terms, form, registration, exchange, execution and authentication of such bonds.
- (d) To provide for the replacement of lost, destroyed or mutilated bonds.
- (e) To covenant as to the use and disposition of the proceeds from the sale of such bonds.
- (f) To covenant as to the rates and charges for the use of facilities of the Port Authority, and for its services.
- (g) To redeem such bonds, and to covenant for their redemption and to provide the terms and conditions thereof.

COMPILER'S NOTE: This act must be read in conjunction with Private Acts of 1981, Chapter 86.

SECTION 1. That by this Act a Court of General Sessions is created and established in and for Loudon County, Tennessee, which Court is vested with the legal powers, authority, prerogatives and jurisdiction hereinafter recited, delineated and provided. This Loudon County Court of General Sessions shall be held in the Courtroom of the Loudon County Justice Center. By consent of litigants, counsel and the Court, civil causes may be heard elsewhere in said county on any day except Sundays.

All trials and proceedings of said Court, wherever held, shall be open to the public except hearings falling within the purview of Section 12, Chapter No. 177 and Section 6 of Chapter No. 186 of the Public Acts of 1955, applicable to certain Juvenile Court cases.

The dockets, forms and minute books required for a systematic recordation of said Court's actions, orders, proceedings and judgments in all cases, civil, criminal and juvenile, shall be provided by the county, pursuant to requirements of Sections 1 and 2 of Chapter No. 138 of the Private Acts of 1951 and public laws applicable to purchases by counties.

As amended by: Private Acts of 1975, Chapter 35.

SECTION 2. That from and after the effective date of this Act as hereinafter provided, said Sessions Court shall be vested with all the jurisdiction, powers and authority conferred by the General Assembly of Tennessee upon Justices of the Peace in civil and criminal cases, suits, and actions, and, as hereinafter provided, with jurisdiction, power and authority to hear and determine, all misdemeanor charges and cases subject to the constitutional limitations provided by law; that from and after said effective date the Justices of the Peace of Loudon County shall be divested of all judicial powers, authority and jurisdiction.

It is provided, however, that this Act shall in nowise abridge, abrogate or affect the responsibilities, duties and authority of Justices of the Peace in and for said county except as herein specified. Said magistrates' authority in performance of the rites of matrimony and as members of the Quarterly County Court is in nowise impaired or affected by this enactment. Said Court of General Sessions shall have jurisdiction concurrent with the Circuit and Chancery Courts to try and dispose of divorce cases and annulments, and said Court shall try to dispose of divorce cases and annulments in the same manner and with the same authority as is vested in the Circuit and Chancery Courts.

As amended by: Private Acts of 1963, Chapter 284.

SECTION 3. That from and after the effective date of this Act, said Sessions Court, and the Judge thereof, shall be vested with all the jurisdiction, powers and authority conferred by the General Assembly of Tennessee upon the County Judge of Loudon County in juvenile cases, causes and matters; that from and after said effective date the County Judge of said county shall be divested of all powers, authority and jurisdiction vested in said judicial officer as Juvenile Judge.

However, a plaintiff's good faith in taking said oath, and his right to proceed thereunder, may be questioned by the Judge or Clerk of said Court, by a defendant in the cause, or his counsel. After such inquiry, in which the burden of proof is upon the plaintiff, the Sessions Judge may require a cost bond or cash deposit as a condition precedent to the commencement of the action. On motion of a defendant or Court order, a plaintiff may be required to execute further bond or to increase the amount fixed in the bond executed, or to make an additional deposit.

SECTION 5. That the Judge of the Court created by this Act shall have the same power and authority to issue extraordinary process and writs as that conferred by law upon Circuit Judges and Chancellors. Whenever such process is applicable to parties to actions in said Court, the bond or oath required for its issuance shall be executed and filed as required by general laws applicable to extraordinary process in Justice of the Peace Courts.

SECTION 6. That the Judge of said Sessions Court is hereby empowered to adopt all rules of Court required to expedite the trial and disposition of cases, suits and proceedings, and to designate the days and hours of the Court's sessions, provided that civil causes shall not be triable on Sundays. On any day and at any time the Sessions Judge may issue warrants, examine and hear persons accused of criminal acts, discharge from custody or commit to jail, and fix and take bail, recognizance and appearance bonds.

SECTION 7. That the laws regulating pleading and practice, stay of judgments, appeals from judgments, writs and process in civil cases in the Courts of Justices of the Peace shall apply to the Court created by this Act in its determination of all civil matters triable in the Justices' Courts at the effective date of this Act; that all laws applicable to Justice of the Peace trials, civil and criminal, unless otherwise provided, shall apply to the Sessions Court in the dispatch of all cases except causes instituted under the juvenile laws.

SECTION 8. That the laws regulating pleading and practice, procedure, evidence, hearings, trials,

commitments, appeals and records in the Juvenile Courts of County Judges shall apply to all juvenile proceedings, hearings and cases in the Court created by this Act; that all laws applicable to juvenile matters shall apply to the administration of juvenile justice in said Sessions Court.

SECTION 9. That in all cases and causes triable in Justices of the Peace Courts at the effective date of this Act, the costs and fees of the Court created by this Act shall be the same as is now, or may hereafter be, provided by law for said Justices' Courts; that in all misdemeanor cases in which a final judgment can now be rendered only in Criminal Court of Loudon County, the costs and fees of the Sessions Court shall be the same as is now, or may hereafter be, provided by laws for said Criminal Court; that in juvenile cases and matters the fees and costs of said Court shall be the same as is now, or may hereafter be, provided by law for Juvenile Courts, and said Fees and costs shall include all sums now or subsequently recoverable by the County of Loudon under the general law applicable to juvenile causes and matters in the County Courts of Tennessee.

It is provided further that all costs, fees, fines and forfeitures adjudged by said Sessions Court shall be recorded and accounted for as other county funds are deposited and paid over under law. Quarterly, the Clerk of said Court shall pay over to the County Trustee all fees, costs, fines, forfeitures, commissions and emoluments accruing to said Court, for deposit to the credit of the county's general fund.

The fees of lawful officers of the county for execution of writs and process of said Court, and the fees of witnesses for their compulsory attendance therein, shall be the same as is now, or may hereafter be, provided by law for such services and acts.

SECTION 10. That in addition to the jurisdiction conferred by law upon Justices of the Peace, and upon County Courts, in juvenile matters and cases, the Court created by this Act is hereby vested with power and authority to hear and determine and render final judgment in all misdemeanor cases brought before said Court by warrant or information wherein the person charged enters a plea of guilty or requests a trial upon the merits, and in writing expressly waives an indictment, presentment, grand jury investigation, and trial by jury. When such plea is entered or request made and waiver signed, the trial shall proceed before the Court without the intervention of a jury to final judgment.

The final judgment of said Court in all misdemeanors tried as herein provided may be appealed to the next term of the Criminal Court of Loudon County provided the person charged and found guilty executes a bond with solvent surety conditioned to pay the fine assessed and the costs including the costs of appeal upon affirmation of the judgment and a legally sufficient bail or appearance bond with two or more solvent sureties, or takes and subscribes to the oath prescribed for poor persons. A defendant's good faith in taking such oath may be inquired into as provided hereinbefore.

The criminal judgments of said Court, except in juvenile cases, shall become final at the time of their rendition. Such judgments, unless appealed instanter, shall not be altered or modified except for error. However, a defendant shall have two full days, exclusive of Sundays, in which to perfect his appeal by execution of the required costs and appearance bonds, provided an appeal from the Court's final judgment was taken at the time of its rendition. An appeal, regularly before the Criminal Court of Loudon County, Tennessee, shall be heard by the Judge thereof without a jury, and without indictment or presentment, upon the warrant or information under which the defendant was found guilty in the Sessions Court.

As provided herein, appeals of juvenile cases shall be taken and perfected as required by general law applicable to appeals from final judgments of County Judges in their capacity as Juvenile Judges.

The Judge of said Sessions Court is specifically empowered to issue all process and writs necessary to effectuate the execution of the judgment pronounced in any criminal case heard in said Court, and to punish contemnors for all contempts punishable by Circuit Judges and Chancellors.

SECTION 11. That it shall be obligatory upon the Judge of said Sessions Court to advise every defendant of his constitutional rights to aid of counsel, to be tried only upon presentment or indictment preferred by a grand jury, to make a statement with reference to the accusation against him or to remain silent as to said charge, and to a trial by a jury of his peers; that the Court's recital of said rights shall precede the acceptance or entry of a defendant's plea in a criminal case.

Upon a defendant's voluntary waiver of his constitutional rights to be tried upon a presentment or indictment, and by a jury of his peers, said Sessions Judge shall proceed to hear and determine said defendant's guilt or innocence.

To be sufficient, said waiver shall disclose the identity of the accused, the nature of his alleged offense, his plea thereto, the particular rights waived, and the date executed, and be signed by the person charged and the Clerk of the Court or his deputy. No exception may be taken to the following form:

The defendant _____ pleads _____ guilty to the offense with which he stands charged, to-wit: _____, and expressly waives

his right to be tried only upon presentment or indictment preferred by a grand jury, and his right to be tried by a jury of his peers. This the _____ day of _____, 19_____.

Upon the civil docket shall be entered the style of each case, the date of the warrant or process, the officer to whom said warrant or process was delivered, the return of the process in brief form, the action of the Court on the case, interlocutory and final orders, judgments, executions, garnishments, the fees of the Court, officers and witnesses, and credits for payments upon judgments or costs.

The criminal docket shall disclose the name of every person for whose arrest a warrant or information was issued, the officer to whom said writ was delivered for execution, the prosecutor of the alleged offender, and all further information required by law. The Clerk shall not deliver a criminal warrant to writ to an officer for execution until its issuance has been recorded in the criminal docket.

The juvenile docket and the juvenile record shall disclose all information required by Section 3 of Chapter No. 177 of the Public Acts of 1955 applicable to juvenile cases, and such further facts as subsequent laws may require.

SECTION 13. That said Sessions Judge shall have the qualifications and take the oath of office prescribed by law for Circuit Judges and Chancellors; that the compensation of said Judge shall be Six Thousand Dollars (\$6,000.00) per annum, payable in equal monthly installments by warrant drawn upon the general funds of the County; that the first Judge of said Court shall be elected by the qualified voters of Loudon County at the regular or biennial election to be held in August 1960 and serve until September 1, 1966; that his successor shall be similarly elected in the regular biennial election to be held in August 1966, and at said August election every eight (8) years thereafter; that each successor shall take office September first (1st) following his election as aforesaid.

It is further provided that said Judge shall be entitled to twelve (12) days vacation time in any twelve (12) months period.

Said appointee shall hold office until September first (1st) following the next biennial August Election, in which election the qualified voters of Loudon County shall elect a successor for the remainder of the unexpired term. Should a vacancy occur within fifteen (15) days of such biennial election the appointee shall hold office until September first (1st) following the next biennial election.

SECTION 15. That in the event said Judge should fail to appear at any session of said Court, except sessions held during his annual vacation, the lawyers present may by majority vote elect any qualified person Judge of said Court during the temporary absence of said judicial officer. The same procedure shall apply in designating a Judge to hear any case in which the regular Judge is interested or recuses himself. When elected, as aforesaid, openly or by secret ballot, the special Judge shall be vested with power and authority to hold said Court during the absence of the regular Judge. Every such election shall be held by the Clerk of said Court, who shall make and file a record thereof and administer unto the person elected the same oath taken by Circuit Judges and Chancellors.

It is provided further that no claim against the County for compensation of special Judges shall be allowed except for the services rendered by the Judges elected to preside over said Court during the vacation of the regular Judge. The Judge elected for said period shall be compensated at the rate established by this Act for said regular Judge. The source, form and time of said payments shall be the same as provided herein for said office.

The election of the special Judge to hold said Court during the vacation of the regular Judge shall be held by the Clerk as aforesaid, but before said election shall become final a majority of the members of the bar of the County shall cast their votes for one qualified person. The Clerk shall mail notices of the hour and

The Judge of said Court shall be eligible to vote in said election to be held in the courtroom of the County courthouse. As aforesaid, the balloting may be either open or secret. Said election shall be held on any one of the ten (10) days preceding the first vacation day of the regular Judge. SECTION 16. That a willful and inexcusable neglect of duty or a prolonged and unreasonable absence of the Judge of said Sessions Court shall create a vacancy in said office, providing such neglect or absence shall be judicially determined by a legally rendered judgment or decree in a proceeding properly initialed for said purpose by one or more citizens and residents of Loudon County. This procedure for remedial action in case of dereliction of duty on the part of said Judge shall not be construed as an abridgement of existing law. Therefore, if held unconstitutional this section shall be elided without affecting the remaining provisions of this Act.

SECTION 17. That said Sessions Judge shall hear and determine all cases pending in the Courts of Justices of the Peace and in the Juvenile Court of the County Judge of Loudon County on September 1, 1960, the effective date of this Act.

That said Clerk shall receive, safely keep and account for all funds coming into his hands, and shall execute a bond payable unto the State of Tennessee, for the use and benefit of Loudon County, in the penalty of Five Thousand Dollars (\$5,000.00), secured by solvent surety and conditioned as are bonds of other money handling county officials.

SECTION 22. That Justices of the Peace for Loudon County be required to deliver their dockets and all papers filed in their courts, in cases tried and pending, to said Sessions Court before twelve (12) o'clock noon, September 1, 1960. The failure of a magistrate to make said deliveries within the time specified, or to account for all fines assessed, shall constitute a forfeiture of all fees due him as such officer. Unless forfeited as aforesaid, the Justices of said County may recover all unpaid fees provided by law.

SECTION 23. That each section, paragraph and sentence of this Act is severable. Therefore, only the parts expressly invalidated shall fail. The classification plan shall state for each class of positions, a class title, and the duties, authorities, responsibilities and character of work required for each position. Each class of positions may be subdivided, and classes may be grouped and ranked in such manner as is deemed appropriate. The board shall determine the requirements of each position and class thereof as to education, experience, capabilities, knowledge and skill. As far as practical, the probable lines of promotion to and from the classes of position shall be indicated. The Sheriff will have the authority to appoint his chief deputy, but said chief deputy must be an employee from the classified service or on the eligibility list certified by the Board.

SECTION 10. The board may, after advice from the sheriff, create new positions or combine, alter or abolish existing positions in such manner as the board, acting with the advice of the sheriff, deems necessary for the effective operation of the Office of Sheriff; provided, however, that no position in the classified service shall be abolished except upon approval of the board acting in good faith, after consultation with the sheriff.

SECTION 11. The board shall formulate reasonable rules governing the granting of leaves of absence to members of the classified service in good standing. The board shall request the recommendation of the sheriff upon any request of leave of absence before acting thereon and shall be guided by the requirements of the adequate law enforcement and operational efficiency of the Office of Sheriff when considering any such request for a leave.

Any person coming under the classified service who shall hereafter be inducted into the armed forces of the United States of America, or who shall hereafter enter said service voluntarily, by enlistment or otherwise in a time of war or other national emergency shall, upon application to the sheriff, receive a military leave of absence for the duration of the period of service required. Such employee shall retain all rights for seniority and shall be entitled to reemployment in the same capacity and position which he held at the time of entering said military service. The application for such reinstatement in position shall be made by or on behalf of such employee within three (3) months after termination of active service in the armed forces.

SECTION 12. The sheriff shall inform the board by periodic reports of the employment needs of the office of sheriff and the board shall, as often as required by the needs of the Office of Sheriff, hold tests for the purpose of establishing lists of eligibles for the various positions in the classified service. Such tests shall be public, competitive and open to all persons who may be lawfully appointed under the rules promulgated by the board and existing prior to the announcement of the examination. Such rules shall set limitations as to residence, age, health, habits, moral character and other necessary pre-requisites for the performance of the duties of the position for which examination is designated and such rules shall not be less than those provided in Section 38-1104 of the Tennessee Code Annotated.

Promotion tests shall be public, competitive and free to all persons examined and appointed under the provisions of this Act and who have held a classified position with the Office of Sheriff for at least a one (1) year period of time. All tests shall be practical and shall consist only of subjects which will fairly determine the capacity of the person examined to perform the duties of the position in which the appointment is to be made. Tests may include examination for physical fitness and manual skill. No

questions in any test shall relate to religious or political opinions or affiliations. The eligibles shall take rank upon a list which shall be compiled for each position, in the order of their relative excellence as determined by the tests without reference to the priority of the time from when the tests are given. No lists of eligible persons shall be valid after one (1) year except, however, the merit service board may extend an eligible period for not more than one (1) year. Notice of the time, place and general scope of each test and the duties, pay and experience required for all positions for which the test is to be held, shall be given by the board to each applicant at least one (1) week preceding the test. The notice must be in writing and addressed to the last known address supplied by the applicant. Notice of promotional tests shall be given as the board may prescribe.

SECTION 13. Whenever a vacancy occurs in any position in the classified section of the office of sheriff, the sheriff shall make requisition to the board for the names and addresses of all persons eligible for appointment thereto. The board shall certify the names of all persons on the eligible list for position wherein the vacancy exists within thirty (30) days of the requisition to the board. The sheriff thereupon shall investigate each of the five (5) highest on the list of eligibles. In the event the investigations result in none of the first five (5) eligible persons being acceptable to the sheriff, he shall investigate the next five (5) eligibles on the list, one after another until one of the eligibles investigated is acceptable to the sheriff. The sheriff shall appoint such person to the position wherein the vacancy exists and shall notify the board of his action. If the merit service board fails to provide a list, then the sheriff may make appointments to vacancies after having notified the board of his action or his intentions so to do. No appointment or promotion for any position in the classified service, shall be deemed complete until after the expiration of six (6) months probationary service during which time the sheriff may determine the effectiveness of the employee. If in his judgment the employee does not meet the standards, he may terminate the employment of any person certified and appointed when he deems it to be in the best interest of the service. Whenever a position of the classified service is filled by promotion and the services of the person promoted are terminated by the sheriff during the probationary period, such person shall forthwith be returned to duty in the previous position held by him in the classified service unless such person's conduct during the probationary period had given grounds for dismissal for cause under this Act. Any person dismissed during the probationary period shall not be eligible to a hearing before the board except as may be otherwise provided in this Act.

A person who is certified to the sheriff and selected by him and does not report for duty at the time so designated and who does not explain such failure to report in writing within five (5) days, may be rejected by the sheriff who shall forthwith notify the board of the action taken and the reason therefor, and the person's name will then be removed from the eligible list.

SECTION 14. All employees in the classified service may be transferred from one position to another in the same class, and not otherwise. Transfers may be instituted only by the sheriff and shall be permitted only with the consent of the sheriff.

SECTION 15. The practice and procedure of the board with respect to any investigation by the board as authorized by this Act, shall be in accordance with the rules and regulations to be established by the board. Such persons shall have the opportunity to be heard either in person or by counsel, and to introduce testimony in his behalf at a public hearing which shall be held for that purpose. The board, when conducting any investigations or hearings authorized by this Act, shall have the power to administer oaths, take depositions, issue subpoenas, compel the attendance of witnesses and the production of books, accounts, papers, records, documents and testimony. In case of the disobedience of any person to comply with the orders of the board or of a subpoena issued by the board, or on the refusal of a witness to testify on any matter on which he may be lawfully interrogated, the judge in any court of record within the county, upon petition of the board, shall compel obedience by proceedings as for contempt. The sheriff or his legal deputy shall serve subpoenas as issued by the board.

Provided, however, the sheriff shall not have the authority to suspend any employee for more than one suspension of ten (10) days within any given six (6) month period of time without a right of appeal. If the sheriff shall suspend any employee for a period longer than ten (10) days, the suspended employee shall be notified in writing of the charges which caused his suspension. He shall thereafter have ten (10) days to request a hearing before the merit service board, and upon his request the board shall set a hearing not more than thirty (30) days from the date of the

receipt of his request for a hearing.

An employee who has completed the probationary period shall have ten (10) days to request a hearing before the board and upon his request the board shall set a hearing not more than thirty (30) days from the date of the receipt of his request. The rules of procedure for the conduct of any investigation by the merit service board shall apply to this hearing. Upon a finding by the board that the sheriff has not complied with the procedures of the board, the board may order the employee to be reinstated. Upon notice to the employee and hearing as provided in this section, the board by unanimous vote may without recommendation of the sheriff dismiss an employee for violation of this Act or for continued violation of the rules and regulations established by the board.

SECTION 18. No employee holding a position in the classified service shall take an active part in any political campaign while on duty, nor under any circumstance shall any employee of the Office of Sheriff solicit money for political campaigns or in any way use his position as a deputy sheriff so as to reflect his personal political feelings as those of the Office of Sheriff or to use his position as deputy sheriff to exert any pressure on any one person or group of people to sway that person or persons' political views. Neither an employee while on duty nor any officer while in uniform shall display any political advertising or paraphernalia on his person or on his automobile. No employee of the Office of Sheriff shall make any public endorsement of any candidate in any campaign for elected office. No employee shall support, during duty hours or off-duty hours, any candidate for the Office of Sheriff of the County of which he is an employee. However, nothing in this Act shall be construed to prohibit or prevent any such employee from becoming or continuing to be a member of a political club or organization and enjoying all the rights and privileges of such membership or from attending any political meetings while not on duty or in the course of his official business, nor shall he be denied from enjoying any freedom from interference in the casting of his vote. Any person violating the provisions of this section shall be dismissed from the service of the Office of the Sheriff.

SECTION 19. The sheriff shall not require any employee in the classified service to participate in any political activity as a condition of employment, continuation of employment, or promotion. If, upon an investigation by the board and its determination that such actions have taken place, the board shall issue an order to the sheriff to cease and desist from such activity. If the sheriff fails to comply or persists in the activity, the council may apply to any court of record in the county for a citation of contempt.

SECTION 20. All employees of the sheriff with six (6) months' service, who after enactment of this Act would be covered by the Act's provisions, shall be automatically considered as members of the classified service upon the Act taking effect. All "probationary" employees shall receive credit for the amount of continuous accrued time of service immediately preceding the date of enactment.

SECTION 21. If any provisions of this Act or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of the Act which can be given effect without the invalid provision or application, and to that end the provisions of this Act are declared to be severable.

SECTION 22. All laws or parts of laws in conflict with the provisions of this Act are hereby repealed.
