**SECTION 2.** That it shall be the duty of the Judge of the County Court with the approval and confirmation of the Quarterly Court of Lawrence County, Tennessee, at its April term every two years to appoint a committee of four members of the Court who shall be and constitute the Budget Commission of Lawrence County, Tennessee; the County Judge to be ex-officio chairman. That the members of said Commission shall each receive three dollars per day, except the chairman, not to exceed Thirty Dollars in any one year per member. Three members of said Commission shall constitute a quorum for the transaction of business. That the Secretary of the County Judge shall act as the Secretary of said Commission but shall have no voice or vote in the deliberations of said commission. That the duties of the Secretary shall be to keep all records of the commission, including a complete record of the proceedings thereof, assist it in the compilation of the data necessary for the commission to prepare the budget herein provided and to assist

in the preparation of said budget, and he shall perform such other duties as shall be prescribed by said commission. That the County Court shall compensate said Secretary for services rendered in said capacity, but in no event shall such compensation exceed \$3.00 per day for every day actually required to perform his duties as Secretary to said commission; and said commission shall certify to the Quarterly Court at the time it submits its budget as hereinafter provided for, the number of days the said Secretary has been actually engaged in the performance of his said duties.

That each year prior to the meeting of the July term of the Quarterly Court of Lawrence County, it shall be the duty of said Budget Commission to consider and examine the budgets referred to in Section 1 hereof and such other records and data as may be necessary, and to prepare on appropriate forms a complete itemized budget covering all of the proposed expenditures of every kind and description to be made by or on behalf of the county for the year beginning on July 1st, and in preparing said budget, said commission is not to be bound by the amounts fixed in the several budgets of the various departments of the county referred to in Section 1 hereof, but shall make such changes therein as in the opinion of said commission are to the best interest of the county, subject at all times to the approval of the County Court. The Budget Commission shall cause to be prepared appropriate printed forms on which the budget of the various departments of the county referred to in Section 1 hereof are to be submitted by said commission. That said forms shall be of such nature as to enable said commission to submit to the Quarterly Court as hereinafter provided a complete itemized budget and financial statement of the county in simple, intelligible form, to the end that the Quarterly Court shall have before it in said budget all of the data necessary to enable it to intelligently determine the proper amount to be allowed the various departments of the county during the year for which the budget is proposed and the amount of revenue that will be available to pay the nature and kind of said forms.

That said budget, when prepared by said Budget Commission, shall be filed with the County Court Clerk and by him recorded along with the budgets prepared by the several departments of the county, as hereinabove provided for, in a well bond book and kept as a permanent record in the office of the County Court Clerk; and shall be submitted by the County Judge each year to the July term of the Quarterly Court of Lawrence County in open court; and it shall be the duty of said court before fixing the tax rate for the current year to fully consider in open court said budget prepared by said Budget Commission, but the same shall not be in any way binding on said court. That said Court shall have full right and power to alter, vary or change in any way it deems right and proper said budget so submitted by said Budget Commission or any part thereof, but it shall be the positive duty of said court at its July term each year, to fix, establish and adopt a complete, itemized budget of the amounts to be expended by each department of the county government during the year beginning on the first day of July, and no warrant drawn against county funds after July 1, 1939, shall be binding on the County unless the items or expenses for which said warrant is issued shall have been included in a budget adopted by said court as herein provided for; and no warrant shall be valid or binding on the county after the aggregate amount of warrants heretofore drawn during the fiscal year by or on behalf of any department of the county government, shall equal the amount allowed said department in the budget adopted for that year.

That in preparing said budget herein provided for, it shall be the duty of said Budget Commission to take into consideration any unexpended balances that may remain at the end of the year to the credit of any department from the amount allowed such department for the previous year.

That as nearly as may be practicable, said commission shall show in its budget the amount of actual expenditures of each department of the county government during the preceding year covering each item or head in the budget, said amounts for such previous year to be shown in a column parallel to that containing the amounts proposed for the ensuing year, so that when completed said budget will show not only the proposed expenditures for the ensuing year, but the actual expenditures under each year or the preceding year.

That from the data and information herein required to be prepared and filed by the County Trustee and such other data as it may be necessary to examine, said Budget Commission shall likewise show in its budget an itemized statement or estimate of all funds, exclusive of the funds derived from the county tax on property, which said commission has reasonable grounds to believe will be available during the year for payment of the amounts allowed in its said budget for said year, and it shall also show as nearly as may be practicable, the amounts of revenue derived from the same sources during the preceding year, together with the amount actually collected from the county tax on property during such preceding year.

That said Budget Commission shall, along with its budget, submit its recommendation to the Court with respect to the tax rate on property for the current year together with its estimate of the amount that will be actually collected during the year beginning on the 1st day of July, from the tax so recommended. That at the same time and in the same report said Budget Commission shall submit to the Quarterly Court a full and complete statement of all outstanding and unpaid warrants and the outstanding bonded indebtedness of the county, showing the amounts and maturities of all outstanding bonds, the purpose for which issued

and any other information relative thereto which said commission shall deem pertinent.

That along with its budget and report said commission shall submit to said court such other data information and recommendations as it may deem advisable and necessary to enable said Quarterly Court and the public to fully understand the financial condition of the county and the necessity for the amounts fixed in said budget and the tax rate on property recommended by said commission.

That the Secretary of said commission shall mail a full and complete copy of the report and budget prepared by said commission to each member of the Quarterly Court at least fifteen days before the July term of said court.

**SECTION 3.** That in the event that said Budget Commission fails, refuses or neglects to prepare and submit that budget herein provided for to the said Quarterly Court at its July term, then it shall be the duty of said Quarterly Court, at said term of said court to establish and adopt an itemized budget covering the amounts to be expended by each department of the county government for the year beginning on the 1st day of July, said budget to be of the same kind and form as that herein required to be prepared by said Budget Commission, and it shall be a misdemeanor in office for any official of Lawrence County from and after July 1, 1939, to draw, sign or issue the warrant of Lawrence County against any fund of Lawrence County unless a budget has been adopted by said Quarterly Court as herein provided for; and no warrant shall be valid or binding on the County of Lawrence unless the item of expense for which said warrant is drawn shall have been included in a budget adopted according to the provisions hereof. That the budget as finally adopted by the Quarterly Court at its July term each year shall be spread on the minutes of said court, and from and after July 1, 1939, no warrants shall be drawn against any funds of Lawrence County by any official of said county unless and until a budget has been adopted by said Quarterly Court as herein required, provided that warrants may be issued covering any obligation or indebtedness of said county actually incurred prior to said date.

**SECTION 4.** That it shall be the duty of each department of the county government that disburses public funds, including the Lawrence County Board of Education, County Highway Commission, and the Judge of the County Court to keep all such books and records as will enable them to fully and specifically comply with the provisions of this Act. Each of said departments and officials shall close the books kept by it or him as of the 30th day of June each year, showing the balance to its or his credit, said balance to represent the difference between the amount allowed said department or fund in the budget for the year ending on that date and the aggregate amount of the warrants issued and charge-able against said amount allowed in said budget, and it shall likewise be the duty of each of said departments and said officials to open its or his books on the 1st day of July of each year, bring forward the balance, if any, arrived at in the manner herein provided for, remaining to the credit of said department or fund from the previous year, to which shall be added the amount allowed said department or fund in the budget adopted by the Quarterly Court at its July term.

That said books shall be kept in such a manner as to at all times show the amount allowed that department or fund in said budget adopted at the July term of the Quarterly Court and the amount of all warrants drawn and chargeable against said funds regardless of whether said warrants have been paid or not, said warrants to be posted in said book as the same are issued.

That hereafter the amount allowed each department or disbursing agency of the county government or county funds in said budget shall also be placed at an appropriate place on the stubs in the several warrant books containing the warrants to be used by said department or county agency in drawing on county funds and said amount shall be added to any balance remaining from the previous years; and at the end of each day it shall be the duty of every official issuing warrants of any kind against any such funds to subtract the aggregate of the warrants issued that day from the previous balance arrived at as herein provided for, and the balance thus arrived at shall be brought forward each day at an appropriate place on the stubs remaining in said warrant books; and at the end of each month it shall be the duty of every official drawing warrants against any fund of Lawrence County to reconcile the balance to the credit of the fund drawn against as shown on the warrant stubs with the balance to the credit of said fund as shown by the books required to be kept by said official; provided that for the year beginning the 1st day of July, 1939, the books of each department shall be opened by placing to the credit of each department amount allowed it in the budget adopted at the July term, 1939, of the Quarterly County Court, and said amount so allowed said department for the year beginning July 1, 1939, shall also be placed at an appropriate place on the stubs of the warrants used by said department before any warrants are drawn or issued by said department after the beginning of said year, and thereafter the balance from day to day shall be arrived at and carried in said warrants stubs as herein provided for.

**SECTION 5.** That it shall be unlawful and a misdemeanor in office for any official or employee of Lawrence County to draw, sign, issue, deliver, or to authorize the drawing, signing, issuance or delivery of any warrant against any fund of said county, when the aggregate of the warrants heretofore issued or

**SECTION 7.** That the County Judge shall keep a record of the expenditures of each of said Boards of all other County expenditures, and his books shall be kept in such a manner as to at all times show amount allowed each department or fund in the budget adopted at the July term of the Quarterly Court, the total amount of all warrants drawn and chargeable against each of said funds whether paid or not and the unexpended balance of the budgeted allowance to each department or fund. Whenever the total or aggregate of the warrants drawn against any fund of the County equals or exceeds the amount allowed in the budget to that department or fund by the Quarterly Court, it shall be unlawful for the County Judge to sign any warrant or issue any warrants against said fund.
