# Health - Historical Notes

---

Dear Reader:

The following document was created from the CTAS website ([ctas.tennessee.edu](http://ctas.tennessee.edu)). This website is maintained by CTAS staff and seeks to represent the most current information regarding issues relative to Tennessee county government.

We hope this information will be useful to you; reference to it will assist you with many of the questions that will arise in your tenure with county government. However, the *Tennessee Code Annotated* and other relevant laws or regulations should always be consulted before any action is taken based upon the contents of this document.

Please feel free to contact us if you have questions or comments regarding this information or any other CTAS website material.

Sincerely,

The University of Tennessee  
County Technical Assistance Service

## Health - Historical Notes

The following summaries are included herein for reference purposes.

1. Acts of 1887, Chapter 146, named the 32 counties in the Eastern District of the State as it was divided for the organization of the hospitals for the insane. There were 32 counties assigned also to the Central Division of the state which included Lawrence County.
2. Private Acts of 1931, Chapter 483, stated that any reputable person who had as much as three years training in a reputable medical school, or the equivalent thereof, or who has had at least ten years practice in medicine as a licensed medical doctor in the State would be qualified to hold the office of County Jail Physician or Health Officer, in Lawrence County. This Act was repealed by Private Acts of 1933, Chapter 333.
