<b>Public Acts of 1959 Chapter 129 .....</b>	<b>. 3</b>

The state shall be primarily liable for the purchase price of such lands as may be needed for such improvements but suits by property owners for any taking without compensation shall be brought against the county, and the state's Obion-Forked Deer River Basin Authority shall reimburse the county for any final judgment rendered against it. In addition, it shall be the duty of the counties to defend such suits, but the commissioner may defend such suits if the counties fail or refuse to defend them, and the counties shall reimburse the Obion-Forked Deer Basin Authority for all expenses, including attorney's fees, in defending such suits.

The Commissioner of the Department of Corrections shall make available prison labor for such purposes and shall furnish such guards and transportation as may be necessary in connection with such maintenance work.
