Private Acts of 1991 Chapter 41

SECTION 1. As used in this act unless the context otherwise requires:

- (1) "Clerk" means the county clerk of Hickman County, Tennessee.
- (2) "Consideration" means the consideration charged, whether or not received, for the occupancy in a hotel valued in money whether to be received in money, goods, labor or otherwise, including all receipts, cash, credits, property and services of any kind or nature without any deduction therefrom whatsoever. Nothing in this definition shall be construed to imply that consideration is charged when the space provided to the person is complimentary from the operator and no consideration is charged to or received from any person.
- (3) "County" means Hickman County, Tennessee.
- (4) "Hotel" means any structure or space, or any portion thereof, which is occupied or intended or designed for occupancy by transients for dwelling, lodging or sleeping purposes, and includes any hotel, inn, tourist camp, tourist court, tourist cabin, motel or any place in which rooms, lodgings or accommodations are furnished to transients for a consideration.
- (5) "Occupancy" means the use or possession, or the right to the use or possession, of any room, lodgings or accommodations in any hotel.
- (6) "Operator" means the person operating the hotel whether as owner, lessee or otherwise, and shall include governmental entities.
- (7) "Person" means any individual, firm, partnership, joint venture, association, social club, fraternal organization, joint stock company, corporation, estate, trust, business trust, receiver, trustee, syndicate, governmental unit other than the United States or any of its agencies, or any other group or combination acting as a unit.
- (8) "Transient" means any person who exercises occupancy or is entitled to occupancy for any rooms, lodgings or accommodations in a hotel for a period of less than thirty (30) continuous days.

SECTION 2. The legislative body of Hickman County is authorized to levy a privilege tax upon the privilege of occupancy in any hotel of each transient in the amount of five percent (5%) of the rate charged by the operator. Such tax is a privilege tax upon the transient occupying such room and is to be collected as provided in this act.

SECTION 3. The proceeds received by the county from the tax shall be retained by the county and deposited into the general fund of the county, to be designated and used for such purposes as specified by resolution of the county legislative body.

SECTION 4. Such tax shall be added by each and every operator to each invoice prepared by the operator for the occupancy of the hotel and given directly or transmitted to the transient. Such tax shall be collected by such operator from the transient and remitted to the county clerk as provided in Section 5.

When a person has maintained occupancy for thirty (30) continuous days, that person shall receive from the operator a refund or credit for the tax previously collected or charged and the operator shall receive credit for the amount of such tax if previously paid or reported to the county.

SECTION 5.

(a) The tax levied shall be remitted by all operators who lease, rent or charge for any rooms, lodgings, spaces or accommodations in hotels within the county to the clerk or such other officer as may by resolution be charged with the duty of collection thereof, such tax to be remitted to such officer not later than the twentieth (20th) day of each month for the preceding month. The operator is required to collect the tax from the transient at the time of the presentation of the invoice for such occupancy as may be the custom of the operator, and if credit is granted by the operator to the transient, then the obligation to the county entitled to such tax shall be that of the operator.

(b) For the purpose of compensating the operator for remitting the tax levied by this act, the operator shall be allowed two percent (2%) of the amount of the tax due and remitted to the clerk in the form of a deduction in submitting the report and paying the amount due by such operator, provided the amount due was not delinquent at the time of payment.

SECTION 6. The clerk, or other authorized collector of the tax, shall be responsible for the collection of such tax and shall place the proceeds of such tax in accounts for the purposes stated herein. A monthly tax return shall be filed under oath with the clerk by the operator with such number of copies thereof as the clerk may reasonably require for the collection of such tax. The report of the operator shall include such facts and information as may be deemed reasonable for the verification of the tax due. The form of such report shall be developed by the clerk and approved by the county legislative body prior to use. The clerk shall audit each operator in the county at least once a year and shall report on the audits made on a quarterly basis to the county legislative body.

The county legislative body is authorized to adopt resolutions to provide reasonable rules and regulations for the implementation of the provisions of this act, including the form for such reports.

SECTION 7. No operator of a hotel shall advertise or state in any manner, whether directly or indirectly, that the tax or any part thereof will be assumed or absorbed by the operator or that it will not be added to the rent, or that if added, any part will be refunded.

SECTION 8. Taxes collected by an operator which are not remitted to the clerk on or before the due dates are delinquent. An operator is liable for interest on such delinquent taxes from the due date at the rate of twelve percent (12%) per annum, and is liable for an additional penalty of one percent (1%) for each month or fraction thereof such taxes are delinquent. Such interest and penalty shall become a part of the tax herein required to be remitted. Each occurrence of willful refusal of an operator to collect or remit the tax or willful refusal of a transient to pay the tax imposed is unlawful and shall be punishable by a civil penalty not in excess of fifty dollars (\$50.00).

SECTION 9. It is the duty of every operator liable for the collection and payment to the county of any tax imposed by this act to keep and preserve for a period of three (3) years all records necessary to determine the amount of tax due and payable to the county. The clerk has the right to inspect such records at all reasonable times.

SECTION 10. The clerk in administering and enforcing the provisions of this act has as additional powers, those powers and duties with respect to collecting taxes as provided in Title 67 of Tennessee Code Annotated or otherwise provided by law.

For services in administering and enforcing the provisions of this act, the clerk is entitled to retain as a commission five percent (5%) of the taxes collected.

Upon any claim of illegal assessment and collection, the taxpayer has the remedies provided in Tennessee Code Annotated, Title 67. It is the intent of this act that the provisions of law which apply to the recovery of state taxes illegally assessed and collected shall also apply to the tax levied under the authority of this act. The provisions of Tennessee Code Annotated, Section 67-1-707, shall be applicable to adjustments and refunds of such tax. With respect to the adjustment and settlement with taxpayers, all errors of county taxes collected by the clerk under authority of this act shall be refunded by the clerk.

Notice of any tax paid under protest shall be given to the clerk and the resolution authorizing levy of the tax shall designate a county officer against whom suit may be brought for recovery.

SECTION 11. The tax levied pursuant to the provisions of this act shall only apply in accordance with the provisions of Tennessee Code Annotated, Section 67-4-1425.

SECTION 12. If any provision of this act or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of the act which can be given effect without the invalid provision or application, and to that end the provisions of this act are declared to be severable.

SECTION 13. This act shall have no effect unless it is approved by a two-thirds ($\frac{2}{3}$) vote of the county legislative body of Hickman County. Its approval or nonapproval shall be proclaimed by the presiding officer of the county legislative body and shall be certified by such presiding officer to the Secretary of State.

SECTION 14. For the purpose of approving or rejecting the provisions of this act, it shall be effective upon becoming a law, the public welfare requiring it. For all other purposes, this act shall take effect upon being approved as provided in Section 13.

Severance Tax

Private Acts of 1979 Chapter 92

SECTION 1. Hickman County by resolution of its county legislative body is authorized to levy a tax on all phosphate rock, ore, or other phosphate bearing material severed from the ground within its jurisdiction. The tax shall be levied for the use and benefit of Hickman County only and all revenues collected from the tax, except deductions for administration and collection provided for herein, shall be allocated to Hickman County.

Administration and collection of this tax shall be by the county clerk of Hickman county who shall have the power to promulgate all rules and regulations necessary and reasonable for the administration of the provisions of this act.

SECTION 2. The rate of the tax shall be set by the county legislative body, but shall not exceed ten cents (10¢) per ton of phosphate rock, ore, or other phosphate bearing material severed from the ground in the county. Every interested owner shall be liable for this tax to the extent of his interest in such products. The owner shall become liable at the time the phosphate rock, ore, or other phosphate bearing material is severed from the earth and ready for sale, whether before processing or after processing as the case may be.

The tax is levied upon the entire production in the county regardless of the place of sale or the fact that delivery may be made outside the county. The tax shall accrue at the time the phosphate rock, ore, or other phosphate bearing material severed from the earth and in its natural or unprocessed state. The tax levied shall be a lien upon all phosphate rock, ore, or other phosphate bearing material severed in the county and upon all property from which it is severed, including but not limited to mineral rights of the producer, and such lien shall be entitled to preference over all judgments, encumbrances or liens whatsoever created.

SECTION 3. The tax levied by this act shall be due and payable monthly on the first day of the month next succeeding the month in which the phosphate rock, ore, or other phosphate bearing material is severed from the soil. For the purpose of ascertaining the amount of tax payable it shall be the duty of all operators in Hickman County to transmit to the county clerk on or before the fifteenth (15th) day of the month next succeeding the month in which the tax accrues, a return upon forms provided by him. The return shall show the month or period covered, the total number of tons of phosphate rock, ore, or other phosphate bearing material severed from each production unit operated, owned or controlled by the taxpayer during the period covered, the amount of the tax and such other information as the county clerk may require. The return shall be accompanied by a remittance covering the amount of tax due as computed by the taxpayer.

SECTION 4. The tax levied by this act shall become delinquent on the sixteenth (16th) day of the month next succeeding the month in which such tax accrues. When any operator shall fail to make any return and pay the full amount of the tax levied on or before such date there shall be imposed, in addition to

other penalties provided herein, a specific penalty in the amount of ten percent (10%) of the tax due. Whenever a penalty is imposed there shall also be added to the amount of tax and penalty due interest thereon at the rate of six percent (6%) per annum from the date due until paid. A further penalty of fifty percent (50%) of the amount due may be added if the nonpayment of the tax is due to an intent to evade payment. If the nonpayment of the tax is due to an intent to evade payment, the person liable for such payment may be restrained and enjoined from severing phosphate rock, ore, or other phosphate bearing material from a production unit from which such rock, ore, or material has been severed and sold and upon which the tax is due. Restraint proceedings shall be instituted in the name of the county by the district attorney general for Hickman County upon the request of the county clerk.

All such penalties and interest imposed by this act shall be payable to and collectible by the county clerk in the same manner as if they were a part of the tax imposed and shall be retained by the office of the county clerk to help defray the expenses of administration and collection.

Any person required by this act to make a return, pay a tax, keep records, or furnish information deemed necessary by the county clerk for the computation, assessment, or collection of the tax imposed by this act, who fails to make the return, pay the tax, keep the records, or furnish the information at the time required by law or regulation is, in addition to other penalties provided by law, guilty of a misdemeanor, and upon conviction is punishable by a fine of not more than one thousand dollars (\$1,000), or by imprisonment for not more than one (1) year or both.

Any person who wilfully or fraudulently makes and signs a return which he does not believe to be true and correct as to every material fact is guilty of a felony and subject to the penalties prescribed for perjury under the laws of this state. For purposes of this section the word "person" also includes an officer or employee of a corporation or a member or employee of a partnership who is under duty to perform the act in respect to which the violation occurs.

SECTION 5. When any person shall fail to file any form, statement, report or return required to be filed with the county clerk, after being given written notice of same, the clerk is authorized to determine the tax liability of such person from whatever source of information may be available to him. As assessment made by the county clerk pursuant to this authority shall be binding as if made upon the sworn statement, report or return of the person liable for the payment of such tax; and any person against whom such an assessment is lawfully made shall thereafter be estopped to dispute the accuracy thereof except upon filing a true and accurate return together with such supporting evidence as the county clerk may require indicating precisely the amount of the alleged inaccuracy.

SECTION 6. All revenues collected from the severance of phosphate rock, ore, or other phosphate bearing material in Hickman County less an amount of three percent (3%) of the tax and all of the penalties and interest collected, which shall be retained by the office of the county clerk and credited to its current service revenue to cover the expenses of administration and collection, shall be remitted by the county clerk to Hickman County. These revenues shall become a part of the general funds of Hickman County, subject to appropriation by the county legislative body.

Any adjustment of taxes, penalties or interest with Hickman County which is deemed necessary in order to correct any error may be made on a subsequent disbursement to that county.

SECTION 7. This act shall have no effect unless it is approved by a two-thirds ($\frac{2}{3}$) vote of the county legislative body of Hickman County before September 1, 1979. Its approval or nonapproval shall be proclaimed by the presiding officer of the Hickman County legislative body and certified by him to the secretary of state.

SECTION 8. For the purpose of approving or rejecting the provisions of this act, it shall be effective upon becoming a law, the public welfare requiring it. For all other purposes, it shall become effective upon being approved as provided in Section 7.

Passed: April 19, 1979.

Taxation - Historical Notes

Tax Assessor

The following acts were superseded, repealed or failed to win local ratification, but they are listed here as a reference to laws which once affected the Hickman County Assessor. Also referenced below are acts which repeal prior law without providing new substantive provisions.

1. Private Acts of 1911, Chapter 411, amended the 1907 general law of the state, referenced above. This act set the annual salary for the tax assessors in several counties and purportedly included the tax assessor of Hickman County at an annual salary of \$600. (There is an obvious typographical error in the population figures within the act (the range for applicability is given as

- 16,524 to 16,030, but there is a notation in the margin of the private act publication that this act was intended to apply to Hickman County).
2. Private Acts of 1917, Chapter 352, set the annual salary of the Hickman County Tax Assessor at \$600, which would be paid out of the county treasury on the warrant of the county judge or chairman on July 1 of each year.
 3. Private Acts of 1919, Chapter 643, amended Private Acts of 1917, Chapter 352, Section 1, by increasing the annual salary of the Hickman County Tax Assessor from \$600 to \$800.
 4. Private Acts of 1921, Chapter 599, was the legal authority for the justices of the peace in Hickman County (identified by the 1920 Federal Census figures) to compensate the tax assessor of the county for additional work performed in 1921 by reason of having to re-assess many parcels of property, and to appropriate money for this purpose. No such appropriation or expenditure would be made unless a majority of the justices in attendance at a regular meeting were in agreement.
 5. Private Acts of 1945, Chapter 200, set the annual salary of the Hickman County Tax Assessor at \$1,800, payable in equal monthly installments, and provided for an office in the courthouse to be furnished to the assessor. He was obligated to be available three days a week and devote his full time to the position. Before any instrument of conveyance could be registered, the same was required to be presented to the tax assessor, who was to extract and record specified information from the instrument and was authorized to collect a fee of fifty cents for doing so. The assessor was to execute a special bond not to exceed \$2,000 for the faithful accounting of fees collected. The register could not legally record any instrument until the tax assessor had certified that he had examined such deed. This act was subsequently repealed by Private Acts of 1989, Chapter 7.
 6. Private Acts of 1957, Chapter 293, amended Private Acts of 1945, Chapter 200, by adding a provision to Section 1 that the tax assessor would be reimbursed up to \$50 each month for all the expenses necessarily and legitimately incurred in assessing property in the county. These expenses were to be paid by the county judge at the time of the payment of the monthly salary. This act was repealed by the one following.
 7. Private Acts of 1967-68, Chapter 422, expressly repealed Private Acts of 1957, Chapter 293, entirely.
 8. Private Acts of 1989, Chapter 7, specifically repealed Private Acts of 1945, Chapter 200

Taxation

The following is a listing of acts pertaining to taxation in Hickman County which are no longer effective.

1. Acts of 1817, Chapter 128, made it lawful for the justices of the peace of the counties of Davidson, Smith, Franklin, Rutherford, Maury, Lincoln, Giles, Overton, Bedford, Wilson, Hickman, Sumner, Stewart, Humphreys, Williamson, Jackson, White, Montgomery, Warren, Robertson and Dickson at the first session of each year, on the first day of the session, to levy a tax for the purpose of making additional compensation to the jurors attending the circuit courts and the county courts, a majority of the justices being present and voting therefore, but the additional compensation for the jurors could not exceed fifty cents per day.
2. Private Acts of 1822, Second Session, Chapter 138, authorized the county trustee of Dickson County to call on the county trustee of Hickman County for that part of the taxes collected by the Hickman County sheriff north of the Ross line. If the taxes were failed to be paid, a recovery could be had by a suit at law in the court of pleas and quarter sessions of either county.
3. Private Acts of 1826, Chapter 66, declared that a 50 acre tract of land entered upon by Horatio Clagett and granted by a registered grant, which said tract was presented to the Methodist Episcopal Church and included the Mount Pleasant meeting house in Hickman County was to be exempted from the imposition of state and county taxes as long as the same was used for religious purposes.
4. Acts of 1861 (Ex. Sess.), Chapter 11, stated that it appeared that a larger amount of state tax was assessed and collected in Hickman County than was authorized and sanctioned by the law, and the same was then in the hands of the collector, therefore, this act authorized the county court of Hickman County to appropriate the money collected in any manner they might deem necessary, whether to the payment of the state and county tax, or not.
5. Public Acts of 1870-71, Chapter 50, stated that the counties and cities of the State of Tennessee could impose taxes for county and municipal purposes in the following manner and upon the conditions (1) that all taxable property would be taxed according to its value upon the principles established for State taxation, and (2) that the credit of no county, or city, could be loaned to any

person, firm or corporation unless a majority of the county court, or municipal council, would first agree to submit the issue to a referendum vote wherein three-fourths of the voters vote in the affirmative to do so. Twenty-six counties exempted themselves from the requirement of the three-fourths ratification for the next ten years, but Hickman County was not one of them.

6. Private Acts of 1975, Chapter 2, levied a privilege tax or wheel tax in Hickman County. The motor vehicle tax, excepting farm vehicles, tractors, motor-driven bicycles, and governmentowned motor-driven vehicles, was \$15.00 for each motor-driven vehicle and \$7.50 for motorcycles. Anyone operating a motor-driven vehicle for as long as 30 days on the roads of the county was subject to the tax, and failure to comply therewith was a misdemeanor for which fines could be imposed. The county court clerk was to collect the tax and issue the decals which represented payment thereof. Provisions were made for the transfer of the decal from one car to another and to replace the same when it was misplaced, or stolen. The revenue from the sale of the licenses would go into the sinking fund for the amortization of outstanding bonds. The act was amended by "Special" Public Acts of 1975, Chapter 23, which narrowed the population range to which the original act was made applicable. However, the original act was rejected by the quarterly court of Hickman County and never became an effective law.
7. Private Acts of 2000, Chapter 97, levied the Hickman County Land Development Privilege Tax. This act was disapproved by the county governing body
