(b) Upon the acquisition of the Districts, the Authority shall have the exclusive right to provide water and wastewater service within the geographic boundaries of the Districts as they existed on the date of the acquisition.

(d) The general manager shall submit such periodic reports to the board as it may direct.

(e) The general manager shall attend all meetings of the board.

(f) The general manager shall perform all other duties as directed by the board.

SECTION 9. Condemnation and Eminent Domain.

The Authority may condemn in its own name any land, rights in land, easements, and/or rights-of-way, which in the judgment of the board are necessary for carrying out the purposes for which the Authority is created. Such property or interest in such property may be so acquired whether or not the same is owned or held for public use by persons having the power of eminent domain, or otherwise held or used for public purposes; provided, however, such prior public use will not be interfered with by the use to which such property will be put by the Authority. Such power of condemnation may be exercised in the manner

prescribed by any applicable statutory provisions now in force or hereafter enacted for the exercise of the power of eminent domain.

SECTION 10. Rates, Fees, and Charges.

(a) The board shall prescribe and collect reasonable rates, fees, and charges for the services, facilities, and commodities of any system and shall revise such rates, fees, and charges from time to time whenever necessary to ensure that any Authority's water and wastewater systems shall be and always remain self-supporting. The rates, fees, or charges prescribed shall be such as will always produce revenue at least sufficient:

(1) To provide for all expenses of operation and maintenance of the system, including reserves therefor;

(2) To pay when due all bonds, notes, and interest and premium thereon for the payment of which such revenues are or shall have been pledged, charged, or otherwise encumbered, including reserves therefor; and

(3) To provide for the extension or improvement of the system.

SECTION 11. Notes of the Authority.

(a) By resolution adopted by the board, the Authority may issue interest-bearing bond anticipation notes for all purposes for which bonds can be legally authorized and issued by the Authority. Such notes shall be secured by the proceeds from the sale of the bonds in anticipation of which the notes are issued and shall be secured by a lien upon the revenues of the Authority's system on a parity with the bonds in anticipation of which such notes are issued. In no event shall the amount of outstanding bond anticipation notes exceed the principal amount of the bonds to be issued by the Authority. The notes shall mature not later than two (2) years from their date of issuance and may be extended or renewed for not more than two (2) additional periods of two (2) years each by resolution of the board and the issuance of renewal or extension notes.

(b) Notes shall be sold at public or private sale for such price and in such manner as the board may direct. Notes may be sold in one (1) or more series, may bear such date or dates, may bear interest at such rate or rates (which may vary from time to time), may be payable at such time or times, may be in such denomination or denominations, may be in such form, either coupon or registered, may be payable at such place or places, may be executed in such manner, may be payable in such medium of payment, may be subject to such terms of redemption, without a premium or, for notes sold for not less than the par value thereof and accrued interest, without or with a premium, all as may be provided by resolution of the board.

(c) Notes shall be executed in the name of the Authority by the proper officials authorized to execute the same, together with the seal of the Authority attached thereto.

(d) The proceeds arising from the sale of such notes shall be disbursed as provided by the resolution authorizing the issuance of the notes. As used in this section, the term "bond anticipation notes" includes interim certificates or other temporary obligations, which may be issued by the Authority to the purchaser of such notes upon the terms and conditions herein provided. When the bonds are issued and sold, a sufficient amount of the proceeds of the bonds shall be applied to the payment of the notes at their maturity or upon their earlier redemption as directed by the board by resolution.

(e) The Authority herein granted to issue "bond anticipation notes" also includes the issuance of "grant anticipation notes," to be secured by the grant in anticipation of which such notes are issued, with all provisions of this section being applicable to such grant anticipation notes.

SECTION 12. Bonds of the Authority.

(a) The Authority shall have the power to issue bonds from time to time to finance the construction, purchase, acquisition, extension, and improvement of one (1) or more systems. All bonds issued shall be payable solely out of the revenues and receipts derived from the system for which such bonds are issued or as may be designated in the proceedings under which the bonds shall be authorized to be issued. Such bonds may be issued in one (1) or more series, may be executed and delivered at any time and from time to time, may be in such form and denomination and of such terms and maturities, may be subject to redemption prior to maturity either with or without premium, may be in fully registered form, may bear such conversion privileges and be payable in such installments and at such time or times not exceeding forty (40) years from the date thereof, may be payable at such place or places whether within or without the State of Tennessee, may bear interest at such rate or rates payable at such time or times and at such place or places and evidenced in such manner, and may contain such provisions not inconsistent herewith, all as shall be provided in the proceedings whereunder the bonds shall be authorized to be issued.

(b) Bonds may be sold at public or private sale for such price and in such manner and from time to time as may be determined by the board to be most advantageous, and the Authority may pay any and all expenses, premiums, and commission, which its board may deem necessary or advantageous in connection with the issuance thereof.

(c) All bonds and the interest applicable thereto are hereby made and shall be construed to be negotiable instruments.

(d) Interim certificates or notes or other temporary obligations pending the issuance of revenue bonds shall be payable out of proceeds of bonds or other funds of the Authority available for such purpose.

(e) Proceeds of bonds may be used for the purpose of constructing, acquiring, reconstructing, improving, equipping, furnishing, bettering, or extending a system, including the payment of interest on the bonds during construction of any project for which bonds are issued and for two (2) years after the estimated date of completion, the payment of engineering, fiscal, architectural, bond insurance, and legal expenses incurred in connection therewith and the issuance of bonds, and the establishment of a reasonable reserve fund for the payment of principal of and interest on such bonds if a deficiency occurs in the revenues and receipts available for such payment.

SECTION 13. Refunding Bonds of the Authority.

(a) Any bonds at any time outstanding may at any time and from time to time be funded by the issuance of refunding bonds in such amount as the board may deem necessary, but not exceeding the sum of the following:

(1) The principal amount of the bonds being refinanced;

(2) Applicable redemption premiums thereon;

(3) Unpaid interest on such bonds to the date of delivery or exchange of the refunding bonds;

(4) If the proceeds from the sale of the refunding bonds are to be deposited in trust as hereinafter provided, interest to accrue on such obligations from the date of delivery to the first or any subsequent available redemption date or dates elected, in its discretion, by the board, or to the date or dates of maturity, whichever shall be determined by the board to be the most advantageous or necessary to the Authority;

(5) A reasonable reserve for the payment of principal of and interest on such bonds and/or a renewal and replacement reserve;

(6) If the project to be constructed from the proceeds of the obligations being refinanced has not been completed, an amount sufficient to meet the interest charges on the refunding bonds during the construction of such project and for two (2) years after the estimated date of completion (but only to the extent that interest charges have not been capitalized from the proceeds of the obligations being refinanced); and

(7) Expenses, premiums, and commissions of the Authority, including bond discounts deemed by the board to be necessary for the issuance of the refunding bonds. A determination by the board that any refinancing is advantageous or necessary to the Authority or that any of the amounts provided in the preceding sentence shall be included in such refinancing, or that any of the obligations to be refinanced shall be called for redemption on the first or any subsequent available redemption date or permitted to remain outstanding until their respective dates of maturity, shall be conclusive.

(b) Any such refunding may be affected whether the bonds to be refunded shall have then matured or shall thereafter mature, either by the exchange of the refunding bonds for the bonds to be refunded thereby with the consent of the holders of the bonds to be refunded, or by sale of the refunding bonds and the application of the proceeds thereof to the payment of the bonds refunded thereby, and regardless of whether or not the bonds to be refunded were issued in connection with the same projects or separate projects, and regardless of whether or not the bonds proposed to be refunded shall be payable on the same date or different dates or shall be due serially or otherwise.

(c) At the time of delivery of the refunding bonds, the bonds to be refunded will not be retired or a valid and timely notice of redemption of the outstanding bonds is not given in accordance with the resolution, indenture, or other instrument governing the redemption of the outstanding bonds, then, prior to the issuance of the refunding bonds, the board shall cause to be given adequate notice of its intention to issue the refunding bonds. The notice shall be given either by mail to the owners of all the outstanding bonds to be refunded at their addressees shown on the bond registration records for the outstanding bonds, or given by publication, or by such other means that may be deemed sufficient pursuant to the laws of this State. The notice shall set forth the estimated date of delivery and refunding of the bonds, and identify the bonds, or the individual maturities thereof, proposed to be refunded; provided, that if portions of

individual maturities are proposed to be refunded, the notice shall identify the maturities subject to partial refunding and the aggregate principal amount to be refunded within each maturity. If the issuance of the refunding bonds does not occur as provided in the notice, the governing body shall cause notice thereof to be given as provided above. Except as otherwise set forth in this section, the notice required pursuant to this section shall be given whether or not any of the bonds to be refunded are to be called for redemption.

(d) If any of the obligations to be refunded are to be called for redemption, notice of redemption shall be given in a manner required by the proceedings authorizing such outstanding obligations.

(e) The principal proceeds from the sale of any refunding bonds shall be applied only as follows, either:

(1) To the immediate payment and retirement of the bonds being refunded; or

(2) To the extent not required for immediate payment of the bonds being refunded, such proceeds shall be deposited in trust to provide for the payment and retirement of the bonds being refunded and to pay any expenses incurred in connection with such refunding, but provisions may be made for the pledging and disposition of any surplus, including, without limitation, provisions for the pledging of any such surplus to the payment of the principal of, premium, if any, and interest on any issue or series of refunding bonds. Money in any such trust fund may be invested in the discretion of the board.

(f) Nothing herein shall be construed as a limitation on the duration of any deposit in trust for the retirement of obligations being refunded, but which shall not have matured and which shall not be presently redeemable or, if presently redeemable, shall not have been called for redemption.

SECTION 14. Security for Payment of Bonds and Notes.

(a) The principal of, premium, if any, and interest on any bonds, refunding bonds, and notes may be secured by a pledge of revenues and receipts of the Authority's system. The proceedings under which the bonds, refunding bonds, or notes are authorized to be issued may contain any agreements, provisions, and covenants respecting the maintenance of such system or other facilities covered thereby, the fixing and collection of rates, fees, or charges with respect to any system or portions thereof covered by such proceedings, the creation and maintenance of special funds from such revenues and from the proceeds of such bonds, refunding bonds, and notes and the rights and remedies available in the event of default, all as the board shall deem advisable and not in conflict with the provisions of this act. To the extent provided in the proceedings authorizing any bonds, refunding bonds, or notes, each pledge and agreement made for the benefit of security of any of the bonds, refunding bonds, or notes shall continue in effect until the principal of and interest on the bonds, refunding bonds, or notes for the benefit of which the same were made shall have been fully paid or adequate provision for the payment thereof shall have been made by the Authority. In the event of a default in such payment or in any agreements of the Authority made as part of the proceedings under which the bonds, refunding bonds, or notes were issued, such payment or agreement may be enforced by suit, mandamus, or the appointment of a receiver in equity, or the proceedings under which the bonds, refunding bonds, or notes are issued.

(b) The board may designate the appropriate officials to execute all documents necessary to guarantee or in any other manner to secure the payment of the bonds or notes of the Authority; provided, however, the approval of the governing body of the County or City to such guarantee or security shall have been obtained before the execution of such documents. Provided, further, that prior to any meeting where such authorization will be considered by the governing body of the County or City, the governing body shall cause reasonable public notice to be published describing the matter to be considered and containing an estimate of the dollar amount of any contingent liability by the County or City as such authorization is given.

(c) Bonds, notes, or refunding bonds may constitute a joint obligation of the Authority and the County or City. Any such bond, note, or refunding bond upon which the County or City is jointly obligated with the Authority may be secured by the full faith and credit and unlimited ad valorem taxing power of the County or City. Bonds, notes, or refunding bonds issued as a joint obligation of the Authority and the County or City shall be issued in the form and manner set forth in Tennessee Code Annotated, Title 9, Chapter 21, Parts 1, 2, and 9, where applicable, and in the event of a conflict between this act and Tennessee Code Annotated, Title 9, Chapter 21, Parts 1, 2, and 9, then the provisions of Tennessee Code Annotated, Title 9, Chapter 21, Parts 1, 2, and 9 shall prevail. Notes issued as a joint obligation of the Authority and the County or City shall be issued in the form and manner set forth in Tennessee Code Annotated, Title 9, Chapter 21, Parts 1, 4, and 5, where applicable, and in the event of a conflict between this act and Tennessee Code Annotated, Title 9, Chapter 21, Parts 1, 4, and 5, then Tennessee Code Annotated, Title 9, Chapter 21, Parts 1, 4, and 5 shall prevail.

(d) Any bond, note, or refunding bond issued under this act may be secured by a mortgage or deed of trust covering any or all part of the property, real or personal, of the Authority. Any pledge, of lien, on revenues, fees, rents, tolls, or other charges received or receivable by any local government to secure the

payment of any bonds, notes, or refunding bonds issued pursuant to the act and the interest thereon, shall be valid and binding from the time that the pledge or lien is created and granted and shall inure to the benefit of the holder or holders of any such bonds, notes, or refunding bonds until payment in full of the principal and premium and interest thereon. Neither the resolution nor any other instrument granting, creating, or giving notice of the pledge of a lien or other such security interest, need be filed or recorded to preserve or protect the validity or priority of such pledge or lien.

SECTION 15. Exemption from Taxation and State Regulation.

(a) The Authority, its properties, and the income and revenues therefrom shall be exempt from all State, County, and municipal taxation. All bonds, notes, and refunding bonds issued by the Authority and the income therefrom shall be exempt from all State, County, and municipal taxation, except inheritance, transfer, and estate taxes, or except as otherwise provided by the laws of this state.

(b) The Authority is subject to regulation by the Water and Wastewater Financing Board under Tennessee Code Annotated, Section 68-221-1008. The Authority is subject to regulation by the Department of Environment and Conservation as a public water supply and public sewerage system.

SECTION 16. Liability and Indebtedness of Political Subdivisions.

(a) Neither the State, any county, or any municipality other than the Authority shall, except as may otherwise be authorized by the board of the Authority and the governing body of the County or City, in any event be liable for the payment of the principal of, premium, if any, or interest on any bonds, notes, or refunding bonds of the Authority or for the performance of any pledge, obligation, or agreement of any kind whatsoever that may be undertaken by the Authority, and none of the bonds, notes, or refunding bonds of the Authority or any of its agreements or obligations shall be construed to constitute an indebtedness of the State, any county, or any municipality within the meaning of any constitutional or statutory provision whatsoever.

(b) Bonds, notes, or refunding bonds of the Authority shall not constitute a debt or a pledge of the faith and credit of the State, any county, or any municipality, except as may otherwise be authorized by the governing body of the County or City, and the holders or owners of such bonds shall have no right to have taxes levied by any county, municipality, the State, or any other taxing authority within the State for the payment of principal of, premium, if any, and interest on such bonds, but shall be payable solely from revenues and monies pledged for their payment.

(c) Except as may otherwise be authorized by the governing body of the County or City, all such bonds shall contain on the face thereof a statement to the effect that the bonds, refunding bonds, or notes are not a debt of the State, any county, any municipality, or any other taxing authority within the State, but are payable solely from revenues and monies pledged to the payment thereof.

SECTION 17. Disposition of Funds.
