There shall be no discrimination in terms of employment opportunities, wages, hours of work, or other terms or conditions of employment or benefits.*

*An individual with a disability is one who has a physical or mental impairment that substantially limits one or more major life activities, a record of such an impairment, or who is regarded as having such an impairment.*

## *Application Process*

*Persons with disabilities are guaranteed the same application process as other applicants. Assistance may be provided when needed, such as the following:*

- (a) A reader may be provided for completing an application or written examination for qualified applicants who are vision-impaired or functionally illiterate.*
- (b) Waiver of a driver's license may be requested for qualified disabled applicants who are not allowed to drive.*

## *Employment Physical*

*New employees working in \_\_\_\_\_ positions are required to take a physical examination after an offer of employment has been made. The physical examination will be conducted at the [name of county] Health Department at county expense. If a physical limitation is determined which prevents an otherwise qualified individual from performing the essential functions of the job, the appointee can still retain the position if reasonable accommodation can be made. The possibility of reasonable accommodation shall be determined by the applicant and the employer. Information obtained in the pre-employment physical shall be confidential to the extent provided by law, except for the following:*

- (a) Supervisors shall be informed of any restrictions on the duties required for reasonable accommodation.*
- (b) Safety personnel shall be informed of any possibility of emergency treatment.*

## *Reasonable Accommodation*

*A department shall make reasonable accommodation to the known physical or mental limitations of an otherwise qualified individual with disabilities. The specific accommodations needed shall be determined jointly by the individual and the employer with technical assistance provided by the ADA Coordinator for [name of county]. Reasonable accommodation may include, but shall not be limited to:*

- (a) making facilities readily accessible to and usable by persons with disabilities, and*
- (b) job restructuring, job sharing or modified work schedule, acquisition or modification of equipment or devices and other similar actions.*

*In determining whether an accommodation would impose an undue hardship on the operation of the department, factors to be considered include:*

- (a) the overall size of the specific work area or program with respect to the number of employees and budget,*
- (b) the type of operation, and*
- (c) the nature and cost of the accommodation needed.*

*It is the responsibility of the employee or applicant to make known to the employer the need for an accommodation.*

## *Accessibility*

*Each department is required periodically to survey its programs and physical facilities to determine if they are accessible to persons with disabilities. If structural problems are found, it is the responsibility of [name of county] to budget for changes. Non-structural problems requiring some form of reasonable accommodation will be addressed on an individual basis.*

*The ADA Coordinator will provide technical assistance in areas of accessibility related to employment.*

**Complaints**

*Individuals who believe that they have been subjected to discrimination on the basis of a disability are encouraged to report the incident in accordance with the complaint procedure included with the county's policy on Equal Employment Opportunity, or discuss the matter with the county's ADA Coordinator, \_\_\_\_\_, or both.*
