Prevention of Forest Fires

Dear Reader:

The following document was created from the CTAS website (ctas.tennessee.edu). This website is maintained by CTAS staff and seeks to represent the most current information regarding issues relative to Tennessee county government.

We hope this information will be useful to you; reference to it will assist you with many of the questions that will arise in your tenure with county government. However, the *Tennessee Code Annotated* and other relevant laws or regulations should always be consulted before any action is taken based upon the contents of this document.

Please feel free to contact us if you have questions or comments regarding this information or any other CTAS website material.

Sincerely,

The University of Tennessee
County Technical Assistance Service

Prevention of Forest Fires	3
---	----------

Prevention of Forest Fires

Reference Number: CTAS-1268

It is the duty of all sheriffs (and state highway patrol officers) to use all effective methods in their power to prevent the spread of forest fires. Whenever the sheriff becomes aware that there is a forest fire in the vicinity, it is the duty of the sheriff to summon a sufficient number of the male citizens of the county in which the fire is burning, who are between 18 and 30 years of age, to control the fire. The sheriff is to be in complete charge and direction of the efforts to restrain the fire until duly relieved by Division of Forestry personnel. T.C.A. § 68-102-145.
