Disadvantages of a Capital Improvements Plan (CIP)

Dear Reader:

The following document was created from the CTAS website (ctas.tennessee.edu). This website is maintained by CTAS staff and seeks to represent the most current information regarding issues relative to Tennessee county government.

We hope this information will be useful to you; reference to it will assist you with many of the questions that will arise in your tenure with county government. However, the *Tennessee Code Annotated* and other relevant laws or regulations should always be consulted before any action is taken based upon the contents of this document.

Please feel free to contact us if you have questions or comments regarding this information or any other CTAS website material.

Sincerely,

The University of Tennessee
County Technical Assistance Service

Disadvantages of a Capital Improvements Plan (CIP) 3

Disadvantages of a Capital Improvements Plan (CIP)

Reference Number: CTAS-1700

The main disadvantage of a CIP is that it requires time and effort of local government officials and staff. However, a large number of local governments in the United States feel that the effort and time is necessary to properly and efficiently manage the local government and its services.
