Reporting Requirements

Dear Reader:

The following document was created from the CTAS website (ctas.tennessee.edu). This website is maintained by CTAS staff and seeks to represent the most current information regarding issues relative to Tennessee county government.

We hope this information will be useful to you; reference to it will assist you with many of the questions that will arise in your tenure with county government. However, the *Tennessee Code Annotated* and other relevant laws or regulations should always be consulted before any action is taken based upon the contents of this document.

Please feel free to contact us if you have questions or comments regarding this information or any other CTAS website material.

Sincerely,

The University of Tennessee
County Technical Assistance Service
226 Anne Dallas Dudley Boulevard, Suite 400
Nashville, Tennessee 37219

Reporting Requirements

Reference Number: CTAS-539

Each solid waste region must submit an annual report to the Department of Environment and Conservation. This report is to follow the format prescribed by the department, and must contain solid waste information in the following areas: collection, recycling, transportation, disposal, public costs, and any other information which the department deems relevant. In conjunction with the annual report each region must also submit an annual progress report on the implementation of the region's solid waste disposal plan. T.C.A. § 68-211-871. There are additional reporting requirements for operators of recycling collection centers and for owners and operators of solid waste disposal facilities and incinerators. The owner or operator of a Class 1 disposal facility, incinerator, or transfer station must keep records of all amounts and county of origin of solid waste, measured in tons, received at the facility. T.C.A. §§ 68-211-862, 68-211- 863.
