Phase I

Dear Reader:

The following document was created from the CTAS website (ctas.tennessee.edu). This website is maintained by CTAS staff and seeks to represent the most current information regarding issues relative to Tennessee county government.

We hope this information will be useful to you; reference to it will assist you with many of the questions that will arise in your tenure with county government. However, the *Tennessee Code Annotated* and other relevant laws or regulations should always be consulted before any action is taken based upon the contents of this document.

Please feel free to contact us if you have questions or comments regarding this information or any other CTAS website material.

Sincerely,

The University of Tennessee
County Technical Assistance Service

Phase I	3
----------------------	----------

Phase I

Reference Number: CTAS-556

Storm Water Phase I regulations were promulgated by the EPA in 1990. Phase I uses a permit system set up under the NPDES to regulate storm water discharges from three sources:

1. Medium and large municipal separate storm sewer systems (MS4s) serving populations of 100,000 or greater;
2. Construction activity disturbing five acres of land or more; and
3. Ten categories of industrial activity.
