Article XI, Section 9: Limitation on Power Over Local Affairs

Reference Number: CTAS-6

The General Assembly has no power to pass a special, local, or private act that would remove an incumbent from any municipal or county office, change the term of office, or alter the salary of the office until the end of the current term. Any act of the General Assembly that is private or local in form or effect, applicable to a particular county, must require within the terms of the act either approval by a two-thirds vote of the county legislative body or approval by the people of the county in a referendum.

Article XI, Section 9, also provides for optional consolidation of municipal and county government. Such a consolidation must be approved by vote of those residents within the municipality as well as those who reside in the county outside the municipal corporation to be consolidated with the county government.
