## Compensation-Clerks of Court

Reference Number: CTAS-79

Clerks of court must receive an annual minimum salary in the amount for a general officer as formulated in T.C.A. § 8-24-102. The county legislative body may increase the salary of the general officers above the minimum amount, but may not increase the salary of a court clerk without also increasing the salary of other general officers unless the clerk of court serves more than one court in the county. If the clerk of court serves more than one court in the county, the county legislative body may set additional compensation for such clerk in the amount of 10 percent of the base salary of the clerk of court. The clerk and master is eligible for the additional 10 percent compensation if the clerk and master serves as clerk of the court that exercises probate jurisdiction, regardless of whether the chancellor or some other judge handles probate matters. T.C.A. § 8-24-102(j)(2). The amount due the court clerk as compensation does not vary with the amount of fees or commissions collected regardless of whether the salary of the court clerk is paid from the clerk's fee account or from the general fund.

More information on Compensation can be found under the General Information tab for County Offices.
