Centralized Purchasing by Private Act

Dear Reader:

The following document was created from the CTAS website (ctas.tennessee.edu). This website is maintained by CTAS staff and seeks to represent the most current information regarding issues relative to Tennessee county government.

We hope this information will be useful to you; reference to it will assist you with many of the questions that will arise in your tenure with county government. However, the *Tennessee Code Annotated* and other relevant laws or regulations should always be consulted before any action is taken based upon the contents of this document.

Please feel free to contact us if you have questions or comments regarding this information or any other CTAS website material.

Sincerely,

The University of Tennessee
County Technical Assistance Service

Centralized Purchasing by Private Act

Reference Number: CTAS-913

Another method available to county governments to centralize their purchasing functions is the adoption of private acts. Some counties have adopted private acts passed by the General Assembly which provide for centralized purchasing. Other counties have adopted private acts that contain purchasing provisions for various county departments without centralizing the functions. These private acts only apply to the county named in the private act.
