Deer

Dear Reader:

The following document was created from the CTAS website (ctas.tennessee.edu). This website is maintained by CTAS staff and seeks to represent the most current information regarding issues relative to Tennessee county government.

We hope this information will be useful to you; reference to it will assist you with many of the questions that will arise in your tenure with county government. However, the *Tennessee Code Annotated* and other relevant laws or regulations should always be consulted before any action is taken based upon the contents of this document.

Please feel free to contact us if you have questions or comments regarding this information or any other CTAS website material.

Sincerely,

The University of Tennessee

Private Acts of 1955 Chapter 373

SECTION 1. That in all Counties of Tennessee having a population of not less than 8,560 and not more than 8,562 by the Federal Census of 1950, or any subsequent Federal Census, it shall be lawful to use buckshot numbers 1-0 and 00 in all open deer hunts held in such Counties.

SECTION 2. That this Act shall have no effect unless the same shall have been approved by two-thirds vote of the Quarterly County Court of any county to which it may apply on or before the next regular meeting of such Quarterly County Court occurring more than thirty days after its approval by the Chief Executive of this State. Its approval or non-approval shall be proclaimed by the presiding officer of the body having jurisdiction to approve or the reverse, and shall be certified by him to the Secretary of State.

SECTION 3. That this Act shall take effect from and after its passage, the public welfare requiring it.

Passed March 11, 1955.
