- (e) To make contracts and execute instruments containing such covenants, terms and conditions, as, in the judgement of said Commissioners, may be necessary, proper or advisable for the purpose of obtaining grants, loans or other financial assistance from any federal or state agency, for or in the aid of the acquisition or improvement of the facilities herein provided for; to make all other contracts and execute all other instruments including, without limitations, licenses, long or short term leases, mortgages and deeds of trust, and other agreements relating to property and facilities under its jurisdiction, and the construction, operation, maintenance, repair and improvement thereof, as in the judgement of said Board of Commissioners may be necessary, proper or advisable for the furtherance of purposes of this Act, and the full exercise of the powers herein granted; and to carry out and perform the covenants, terms and conditions of all such contracts or instruments.

(i) To do all acts and things necessary, or deemed necessary or convenient to carry out the powers expressly given in this Act.

SECTION 5. That except as otherwise expressly provided in this Act, The Port Authority Commissioners shall have full and exclusive control of and responsibility for the administration of facilities constructed or acquired pursuant to this Act; provided, however, that said Authority may lease or license lands or facilities under its jurisdiction, for operation by private persons or corporations, as provided in Section 4 (e) of this Act.

SECTION 6. That the Port Authority is hereby authorized and empowered to condemn on behalf of and in the name of Benton County, Tennessee, any land, easements or rights of way, that, in the opinion of the Board of Commissioners, are necessary or convenient or carry out the purpose of this Act. Title to property so condemned shall be taken in the name of the County of Benton, and property shall thereafter be entrusted to said Authority, as the agent of the County of Benton, to accomplish the purposes of this Act. Such condemnation proceedings shall be pursuant to and in accordance with Section 23-1401 through 23-1525, inclusive, of Tennessee Code Annotated, or as the same may be hereafter amended, or other eminent domain laws of the State of Tennessee that may be hereafter enacted; provided, however, that where title to any property sought to be condemned is defective, it shall be passed by the judgement or decree of the court, provided, further, that where condemnation proceedings become necessary, the court in which any such proceedings are filed, shall, upon application by The Port Authority, and upon posting of a bond with the Clerk of the Court, in such amount as the court may deem commensurate with the value of the property, order that a writ of possession shall issue immediately, or as soon and upon such terms as the court, in its discretion, may deem proper and just.

SECTION 7. That bonds issued pursuant to this Act, and income therefrom, shall be exempt from all state, county, and municipal taxation, except inheritance, transfer and estate taxes. So long as title to land or rights therein acquired, or facilities constructed or acquired pursuant to this Act remains in the County of Benton, such property, and the income therefrom, shall be exempt from all state, county and municipal taxation, provided, however, that such exemption shall not extend to the leasehold or other interest in such property which may be held by any private person.

SECTION 8. That neither the County of Benton, the Port Authority, nor the Board of Commissioners shall be required to obtain any certificate of convenience or necessity, franchise, license, permit or other authorization from any bureau, board, commission or other like instrumentality of the State of Tennessee, or any political subdivision thereof in order to acquire, construct, purchase, operate or maintain any of the facilities authorized by this Act.

SECTION 9. That neither the Tennessee Public Service Commission, nor any other board or commission of like character, hereafter created, shall have jurisdiction over the Port Authority, which respect to the management and control of the facilities authorized by this Act, including the establishment of rates, fees and charges or otherwise.

SECTION 10. That the initial members of the Board of Commissioners of the Port Authority, shall be elected by the Quarterly County Court for terms of ten years or until their successors are duly elected and qualified.

The Quarterly County Court of Benton County, Tennessee, at the expiration of the term of the Commissioners, shall elect their successors from among the seven nominees for the office, whose names shall be submitted to the Quarterly County Court of Benton County, Tennessee, by the Board of Commissioners of the Port Authority, and whose names shall be filed with the County Court Clerk not less than thirty days prior to the expiration of the term of the Commissioners; provided, however, that the Quarterly County Court, by a three-fourths vote of all the members of said court, may elect a successor Board of Commissioners not nominated by the Board of Commissioners of the Port Authority.

In the event of the death or resignation of a Commissioner prior to the expiration of his term, his successor shall be elected for the unexpired term by the Quarterly County Court from among seven nominees for the office, whose names shall be submitted to the Quarterly County Court of Benton County by the remaining Commissioners not less than thirty days prior to the meeting of the Quarterly County Court, and such successor Commissioner shall be elected for the unexpired term of the deceased or retiring Commissioner. All Commissioners shall be eligible for re-election. Before entering upon their duties, all Commissioners shall take and subscribe to an oath of office, as provided by the constitution and law for county officers, and the same shall be filed with the County Court Clerk.

A majority of the Commissioners shall constitute a quorum and the Commissioners shall act by vote of a

majority present at any meeting attended by a quorum, and vacancies among the Commissioners shall not affect their power and authority, so long as a quorum remains. Within thirty days after this Act becomes effective, the Commissioners shall hold a meeting to elect a Chairman. The Commissioners shall hold regular meetings at least once every ninety days, and at such regular time and place as the Commissioners may by resolution determine, and may hold such additional meetings, either regular or special, as may be determined by the Board of Commissioners. Special meetings may be called and held upon such notice and in such manner as the Board of Commissioners may, by resolution, determine. Save as otherwise expressly provided, the Board of Commissioners shall establish their own rules of procedure.

The Commissioners shall designate a secretary and a treasurer, or the same individual as secretary and treasurer, and such secretary and/or treasurer, may or may not be a Commissioner or Commissioners. The secretary shall attend all regular and special meetings and keep minutes thereof. The minutes of said meetings shall be available for inspection by the public at the office of the Authority, at all reasonable times.

The Board of Commissioners, by resolution, shall require the Treasurer or Secretary-Treasurer, if he is one and the same person, to execute a bond with approved corporate surety, for the faithful performance of his duties and the accounting of all monies and revenues that may come to his hands, as such, in such penalty as the Board shall specify, by resolution. Said bond shall be filed with the County Court Clerk and registered in the Register's Office, as required of county officers. The Board of Commissioners, by resolution, may require all other subordinate officers, or employees, to execute such fidelity bond for the faithful performance of their duties and the accounting of funds that may come to their hands, in such an amount, with such conditions and such sureties, as the Board of Commissioners may determine.

All members of the Board of Commissioners shall serve as such without compensation, but they shall be allowed necessary traveling and other expenses while engaged in the business of the Authority, as may be provided and approved by the Board, payable from the funds of the Authority, or such funds as may be appropriated by the Quarterly County Court of Benton County, Tennessee. The members of the Board shall be paid such amount for attendance at board meetings as may be fixed by resolution of the Quarterly County Court of Benton County, Tennessee.

SECTION 11. That the Port Authority Commissioners shall be removable only for good cause, and after preferment of charges, as provided by law for county officers.

SECTION 12. That the Port Authority Commissioners shall be authorized to employ and fix the compensation of such architects, attorneys, engineers, superintendents, consultants, professional advisors and other subordinate officers and employees, as may be necessary for the efficient management and operation of the Port Authority, and the operation of the facilities provided for in this Act, and who shall continue in the employment of the Authority, at the will and pleasure of the Board of Commissioners.

SECTION 13. That the County of Benton shall have power and authority to issue and sell its bonds to finance the acquisition, construction, improvement and/or expansion of the facilities herein authorized, and to refund bonds previously issued, or refinance indebtedness previously incurred for such purposes. The County of Benton may, in all respects, provide for the rights of the holder of all bonds, including the manner in which future bonds may be issued on a parity with such bonds.

The bonds may be issued in one or more series, may bear such date or dates, may mature at such time or times, not exceeding forty years from their respective dates, may be in such denomination or denominations, may be in such form either coupon or registered, may carry such registration and conversion privileges, may be executed in such manner, may be payable in such medium of payment, at such place or places, may be sold or hypothecated in such blocks, may be subject to such terms of redemption with or without premium, may be declared or become due after the maturity date thereof, and may be in such amount as may be provided by resolution or resolutions of the Quarterly County Court of Benton County, Tennessee. Such Bonds may be issued for money or property, at public or private sale, for such price or prices and at such rate or rates of interest, and may be hypothecated in such manner as said Quarterly County Court may determine, but the interest cost to maturity of the bonds, when issued for property (at the value determined by said Quarterly County Court, which determination shall be conclusive), or the money received for any issue of said bonds, shall not exceed the maximum rate fixed by law, payable semi-annually. Such bonds shall have all the qualities and incidents of negotiability.

Pending the preparation of the definitive bonds, interim receipts or certificates in such form, and with such provisions, as the Quarterly County Court may determine, in the resolution authorizing said bonds, may be issued to the purchaser or purchasers of bonds sold pursuant to this Act. Said bonds and interim receipts or certificates, shall be fully negotiable. In case any of the officers, whose signatures or counter-signatures, appear on such bonds shall cease to be such officers before the delivery of the bonds, such signatures and counter-signatures shall nevertheless be valid and sufficient for all purposes, the same as though such officers had remained in office until the bonds had been delivered. Such bonds may

be issued, notwithstanding and without regard to any limit or restriction on the amount or percentage of indebtedness, or of outstanding obligations of the County of Benton, contained in any other statute, general or special, and notwithstanding and without regard to the requirements of any other general or special statute, including requirements as to elections for the approval of such bonds.

In the case of bonds payable solely out of the revenues of The Port Authority, it shall be the duty of the Quarterly County Court of Benton County, Tennessee, to provide by resolution for the issuance of such bonds, as requested by the Port Authority Commissioners. Prior to a vote by the Quarterly County Court of Benton County, authorizing the issuance of bonds to be financed wholly or in part through tax levies by the Quarterly County Court, the Port Authority Commissioners shall prepare and submit to the Quarterly County Court a recommendation that bonds in a stated amount be issued hereunder, supported by a report on the need for and projected use of the facilities for the financing of which such bond issue is proposed, including a review of alternate solutions, if any, and a justification of the solution proposed. Bonds may be issued as direct and general obligations of the County of Benton, payable out of its general income and revenue, or at the election and subject to the determination of the Port Authority Commissioners, may be made payable only out of the revenues from the facilities of the Port Authority. In case the bonds are issued as general obligations of the County, it shall be the duty of the Quarterly County Court of said County of Benton to levy a tax each year, over and above the taxes levied for general county purposes, to pay the interest and principal of said bonds, as they mature; provided, however, that in case the revenues derived from the operation of the facilities herein provided for, are sufficient to pay the interest and principal of said bonds, or a part thereof, as they may severally mature, then a special levy for the full payment of said interest and principal shall not be required, but the Quarterly County Court shall each year levy an amount of tax, which, when added to the amount of revenue derived from the operation of said facilities, then on hand and available for that purpose will be sufficient to pay the interest and principal maturing prior to the collection of the next succeeding tax levy. Said bonds shall be sold at public or private sale, and in such manner as may be determined by resolution of the Quarterly County Court, authorizing their issuance. Said bonds shall contain a recital that they are issued pursuant to and in accordance with this Act, and such recital shall be conclusive evidence of their legality. SECTION 14. That in order to secure the payment of any of the bonds issued pursuant to this Act, the interest thereon or in connection with such bonds, the Quarterly County Court of Benton County, Tennessee shall have power as to such bonds to the extent not inconsistent with the mandatory provisions of this Act:

- (a) To pledge the full faith and credit and unlimited taxing power of the County of Benton to the punctual payment of the principal of and interest of such bonds.
- (b) To pledge all or any part of the revenue derived from the operation of the facilities herein authorized.
- (c) To provide for the terms, form registration, exchange, execution, and authentication of such bonds. (d) To provide for the replacement of lost, destroyed or mutilated bonds.
- (e) To covenant as to the use and disposition of the proceeds from the sale of such bonds.
- (f) To covenant as to the rates and charges for the use of facilities of the Port Authority, and for its services.
- (g) To redeem such bonds, and to covenant for their redemption and to provide the terms and conditions thereof.
- (h) To covenant and prescribe as to what happenings or occurrences shall constitute "events of default," and the terms and conditions upon which any or all of such bonds shall become or may be declared due, before maturity, and as to the terms and conditions upon which such declaration and its consequences may be waived.
- (i) To covenant as to the rights, liabilities, powers, and duties arising upon the breach by it of any covenant, condition or obligation.
- (j) To vest in a Trustee or Trustees, the right to receive all or any part of the income and revenues pledged and assigned to or for the benefit of the holder or holders of bonds issued hereunder and to hold, apply and dispose of the same, and the right to enforce any covenant made to secure or pay, or in relation to the bonds; to execute and deliver a trust agreement or trust agreements, which may set forth the powers and duties, and the remedies available, to such trustee or trustees, and limiting the liability thereof, and describing what occurrences shall constitute "events of default," and prescribing the terms and conditions upon which such trustee or trustees, or the holder or holders of bonds of any specified amount or percentage of such bonds, may exercise such rights and enforce any and all such covenants and resort to such remedies as may be appropriate.
- (k) To make covenants other than and in addition to the covenants herein authorized, of like or

different character, necessary or advisable to effectuate the purpose of this Act.

(l) To execute all instruments necessary or convenient in the exercise of the powers granted herein, or in the performance of its covenants or duties.

SECTION 15. That any holder or holders of bonds, including trustee or trustees for holders of such bonds, shall have the right, in addition to all other rights:

(a) By mandamus or other suit, action or proceeding in any court of competent jurisdiction, to enforce his or their rights against the county of Benton, the Quarterly County Court, the Port Authority, the Port Authority Commissioners, or any other proper officer, agent or employee of any of them, including, but without limitation, the right to require the County, the Quarterly County Court, the Port Authority, the Port Authority Commissioners and any proper officer, agent or employee of any of them, to assess, levy and collect taxes, and to fix and collect rates and charges adequate to carry out any agreement as to, or pledge of taxes or Authority revenues, and to require the County of Benton, the Quarterly County Court, the Port Authority, the Port Authority Commissioners, and any officer, agent or employee of them, to carry out any other covenants and agreements, and to perform its and their duties under this Act.

(b) By action or suit in equity to enjoin any acts or things, which may be unlawful or in violation of the rights of such holders of bonds.

SECTION 16. That the Quarterly County Court of Benton County, Tennessee shall have power, by resolution, to confer upon any holder or holders of a specified amount or percentage of bonds, including a trustee or trustees for such holders, the rights, in the event of an "event of default," as defined in such resolution or as may be defined in any agreement with the holder or holders of such bonds, or the trustee or trustees thereof:

(a) By suit, action or proceedings in any court of competent jurisdiction, to obtain the appointment of a receiver of the Authority's facilities or any part or parts thereof. If such receiver be appointed, he may enter and take possession of such facilities or part or parts thereof, and operate and maintain the same, and collect and receive all revenues thereafter arising therefrom, in the same manner as the Authority itself might do, and shall deposit such monies in a separate account or accounts, and apply the same in accordance with the obligations of the County of Benton, issued under this Act, as the court may direct.

(b) By suit, action or proceedings in any court of competent jurisdiction, to require the Quarterly County Court of Benton County, Tennessee, or the Port Authority Commissioners, to act as if they were the trustees of an express trust. Any such resolution shall constitute a contract between the County of Benton and the holders of bonds for such issue.

SECTION 17. That all expenses actually incurred by the Port Authority Commissioners in the making of surveys, estimates of cost and of revenue, employment of engineers, attorneys or other employees, the giving of notices, taking of options, selling of bonds, and all other preliminary expenses of whatever nature, which said Commissioners deem necessary in connection with or precedent to the acquisition or improvement of any of the facilities herein provided for, and which they deem necessary to be paid prior to the issuance and delivery of the bonds issued pursuant to the provisions of this Act, may be met and paid out of the general funds of the County of Benton, not otherwise appropriated or from any other fund available, as may be provided by the Quarterly County Court.

All such payments from the general or other funds shall be considered as temporary, non-interest bearing loans, and shall be repaid immediately upon sale and delivery of the bonds, and claim for such repayment shall have priority over all other claims against the proceeds derived from the sale of such bonds.

SECTION 18. That the Quarterly County Court of Benton County, Tennessee, is authorized to appropriate to the Port Authority from the general funds of Benton County, Tennessee, or such other funds as may be unappropriated, to pay the expenses of the Port Authority Board of Commissioners, or expenses or operation of any of the facilities authorized by this Act, and said Quarterly County Court is authorized and empowered to levy a tax, in addition to all other taxes, upon all taxable property within the county, sufficient to pay the appropriation made by it to The Port Authority.

SECTION 19. That all monies derived from the issuance of bonds hereunder, together with any federal or other grant or loan made, for the purposes of this Act, shall be paid to the Treasurer of the Port Authority. The Treasurer shall deposit such monies, together with all the receipts from the Authority operations, in a separate bank account or accounts, separate from all other county funds, and shall keep adequate record of all such receipts and their sources. The Treasurer shall pay out such monies only on vouchers signed by such Authority officials as The Port Authority Commissioners shall, by resolution, designate to sign such vouchers. No such vouchers for the payment of any such monies shall be issued except upon the resolution or order of the said Commissioners, a certified copy of which shall be filed in the office of the

Treasurer.

SECTION 20. That the revenues derived from the operation of the port, storage and transfer facilities, and any and all other facilities herein authorized, shall be applied and used as follows:

- (1) The payment of all operating expenses of the Port Authority.
- (2) The payment of the interest on the bonds issued pursuant to the provisions of this Act, and the principal of said bonds, as they severally mature, and/or payments into the sinking fund reserves for this purpose.
- (3) The establishment of necessary reserves for contingencies, depreciation, maintenance, replacement of said port, storage, transfer facilities and any and all other facilities, or other purposes, as may be required under any bond indenture or as The Port Authority Commissioners may deem necessary or desirable.
- (4) Any revenue remaining after all the above items have been provided for, shall be held and used for the further development of and for additions to the Authority facilities, and for the acquisition or construction of new facilities, which may become necessary or desirable to further the purposes of this Act. None of such revenue shall go to the general funds of the County of Benton, except as may be directed by The Port Authority Commissioners.

SECTION 21. That except as otherwise herein expressly provided, all contracts of The Port Authority shall be entered into and executed in such manner as may be prescribed by the Board of Commissioners, but no contract or acquisition by purchase of equipment, apparatus, materials or supplies, involving more than \$500.00 or for construction, installation, repair or improvement of the property or facilities, under the jurisdiction of the Board of Commissioners, involving more than \$1,000.00 shall be made except after said contract has been advertised for bids, provided that advertisement shall not be required when:

- (1) An emergency requires immediate delivery of the supplies or performance of the service; or,
- (2) Repair, parts, accessories supplemental equipment or services are required for supplies, or services previously furnished or contracted for, in which case such purchase of supplies or procurement of services shall be made in the open market in the manner common among businessmen:

Provided further, That in comparing bids and in making awards, the Commissioners may consider such features as quality and adaptability of supplies or services, the bidders' financial responsibility, skill, experience, record of integrity in dealing, ability to furnish repairs and maintenance service, the time of delivery or performance offered, and whether the bidder has complied with the specifications.

Provided further, That in the employment of architects, engineers and attorneys, or other professional advisors for personal services, no advertisement or bids shall be required, but the Board of Commissioners may employ or select such architects, engineers, attorneys or professional consultants and advisors, as in the judgment of the Commissioners best meet the qualifications for rendering such services.

Provided further, That after advertisement for bids, as provided in this section, if no acceptable bid is received, the Port Authority Commissioners may reject any and all bids, or the Board of Commissioners may negotiate with contractors or suppliers, to secure the construction of facilities or the purchase of equipment, apparatus, materials or supplies at the best possible price, or the Board of Commissioners may construct such facilities, by "Force Account Construction"; that is, the Board of Commissioners may employ the necessary engineers, supervisors and other personnel, purchase necessary materials, equipment and supplies to construct such facilities authorized by this Act, with its own employees.

SECTION 22. That the Port Authority may use any property, right of way, easement or other similar property right necessary or convenient in connection with the acquisition, improvement, operation or maintenance of the facilities herein authorized, held by the State of Tennessee, any county or municipality in the State of Tennessee, provided such municipality shall consent to such use.

SECTION 23. That the Quarterly County Court of Benton County, Tennessee, with the approval of the Port Authority Commissioners, may dispose of all or substantially all of the land and real property acquired under the provisions of this Act, upon a vote for such disposal, or a majority of all the members of the Quarterly County Court. Any such vote shall be taken at a meeting duly and regularly called for the purpose of considering the question of the disposition of such property. The Port Authority Commissioners may dispose of personal property of said Authority when, in the judgement of said Board of Commissioners, it is advantageous to or necessary for the efficient operation of said Authority, to dispose of the same, or when said personal property is being replaced by new or more efficient property of like character, or when said personal property is no longer necessary for the operation of the Authority.

SECTION 24. That the powers, authority and rights conferred by this Act shall be in addition and

supplemental to, and the limitations imposed by this Act shall not affect the powers conferred by any other general, special or local law.

SECTION 25. That if any clause, sentence, paragraph, section or any part of this Act shall be held or declared to be unconstitutional and void, it shall not affect the remaining part or parts of this Act, it being hereby declared to be the legislative intent to have passed the remainder of this Act, notwithstanding the part held to be invalid, if any.

SECTION 26. That this Act is remedial in nature, and shall be liberally construed to effect its purpose of facilitating the removal and transfer of people, products and goods to, from, at and through Benton County, and to improve the access of Benton County to all channels of commerce, and to encourage the industrial development and growth of Benton County, and the use of the natural resources of Benton County, including the navigation of the Tennessee River.

SECTION 27. That this Act shall have no effect unless the same shall have been approved by a two-thirds vote of the Quarterly County Court of Benton County, Tennessee. Its approval or non-approval shall be proclaimed by the County Judge, countersigned by the County Court Clerk, and shall be certified by them to the Secretary of State.

SECTION 28. That this Act shall take effect from and after its passage, the public welfare requiring it.
