# Health - Historical Notes

---

Dear Reader:

The following document was created from the CTAS website ([ctas.tennessee.edu](http://ctas.tennessee.edu)). This website is maintained by CTAS staff and seeks to represent the most current information regarding issues relative to Tennessee county government.

We hope this information will be useful to you; reference to it will assist you with many of the questions that will arise in your tenure with county government. However, the *Tennessee Code Annotated* and other relevant laws or regulations should always be consulted before any action is taken based upon the contents of this document.

Please feel free to contact us if you have questions or comments regarding this information or any other CTAS website material.

Sincerely,

The University of Tennessee  
County Technical Assistance Service

## Health - Historical Notes

The following summary is included herein for reference purposes.

1. Private Acts of 1937, Chapter 853, provided that any male citizen of Cocke County over twenty-five years of age, who was a graduate of a "B" class medical school and had at least six years experience, could practice medicine without meeting any further licensing requirements.
