Health - Historical Notes

Dear Reader:

The following document was created from the CTAS website (ctas.tennessee.edu). This website is maintained by CTAS staff and seeks to represent the most current information regarding issues relative to Tennessee county government.

We hope this information will be useful to you; reference to it will assist you with many of the questions that will arise in your tenure with county government. However, the *Tennessee Code Annotated* and other relevant laws or regulations should always be consulted before any action is taken based upon the contents of this document.

Please feel free to contact us if you have questions or comments regarding this information or any other CTAS website material.

Sincerely,

The University of Tennessee
County Technical Assistance Service

Health - Historical Notes

The following summaries are included herein for reference purposes.

1. Private Acts of 1937, Chapter 439, permitted persons: (1) over twenty-one (21) years of age, (2) who had made a study of pharmacy, (3) who had at least ten (10) years training and practice under a registered pharmacist, and (4) who were of good moral character and had the public's confidence in the filling of prescriptions, to have a license issued them to practice pharmacy in Crockett County, by the State Board of Pharmacist Examiners.
2. Private Acts of 1984, Chapter 220, directed the Crockett County Election Commission to place on the ballot for the regular August, 1984 election the question of whether the voters desired a tax increase to fund a solid waste disposal program. This Act was not approved by the proper authorities and never became operative.
