SECTION 4. The proceeds from the sale of the Bonds shall be used exclusively for the purpose of building new District school buildings, adding to, repairing, improving, enlarging and equipping the school buildings within said District as the Board of Commissioners of said District shall deem necessary and proper, including the purchase of any necessary real estate or interests in real estate, and the development of same for school purposes and for the purposes of paying the costs of issuance of the Bonds and of funding any funds or accounts deemed necessary by the Board of Commissioners to enhance the marketability of the Bonds.

Said taxes shall continue to be collected by the Trustee of the County, as other taxes are collected by him, and kept in a separate account from all other funds belonging to said District to be used for the purposes set forth herein. Such taxes shall constitute a lien on the property against which they are levied with like force and effect as do county taxes. The Board of Commissioners of the District are authorized to pledge such taxes as necessary to pay the principal, premium and interest on the Bonds.

SECTION 6. The Bonds herein authorized, including all bonds heretofore and hereafter issued by the District, and all income therefrom, are exempt from all state, county and municipal taxation in the State of Tennessee, except inheritance, transfer and estate taxes and except as otherwise provided by applicable law.

SECTION 7. Section 4 of Chapter 59 of the 1951 Private Acts of the State of Tennessee is hereby amended to change the tax rate levied therein for debt service from fifty cents (\$.50) to thirty-four cents (\$.34) for the fiscal year ending June 30, 1987 and the forty cents (\$.40) for the fiscal year beginning July 1, 1987, and for each fiscal year thereafter.

COMPILER'S NOTE: Chapter 134 of the Private Acts of 1988 further amends Chapter 59 of the Private Acts of 1951 by correcting an unintentional mistake as to the period of the tax levy. As amended, the tax rate levy is \$.34 for the calendar year beginning January 1, 1987; and \$.40 for the calendar year beginning January 1, 1988 and for each calendar year, thereafter.

SECTION 8. Section 3 of Chapter 330 of the 1901 Private Acts of the State of Tennessee, as amended, is hereby amended to change the tax rate levied for operational expenses from twenty cents (\$.20) to fifteen cents (\$.15) for the fiscal year ending June 30, 1987 and for each fiscal year thereafter.

SECTION 9. The rates set forth in Sections 7 and 8 hereof shall be levied on each one hundred dollars (\$100) of the assessed value of all taxable property, real and personal, located within the boundaries of the District. Said taxes shall be levied for the purposes stated in said Private Acts, as amended, and as provided in Section 5 hereof, and shall be collected as provided therein.

SECTION 10. If any provision(s) of this Act or the application thereof shall be invalid or unenforceable to any extent, the remainder of this Act and the application of such provisions shall not be affected thereby and shall be enforced to the greatest extent permitted by law.

SECTION 11. This Act shall take effect upon becoming a law, the public welfare requiring it.

The bonds may be sold in one (1) or more series, may bear such date or dates, shall mature at such time or times, not exceeding thirty (30) years from their respective dates, may bear interest at a zero (0) rate or at such other rate or rates (which may vary from time to time), may be payable at such time or times, may be in such denominations, may carry such registration and conversion privileges, may be executed in such manner, may be payable in such medium of payment at such place or places, may be subject to such terms of redemption, with or without premium and may provide for the replacement of mutilated, destroyed or lost bonds, all as may be provided by resolution of the district's board of commissioners. The bonds shall be sold as a whole or in part from time to time in such manner as the district's board of commissioners shall provide by resolution, but in no event shall the bonds be sold for less than ninety-eight percent (98%) of par plus accrued interest (or, if all or any part of such bonds is to be sold at a zero (0) rate of interest or at an original issue discount, such bonds may be sold at not less

Such taxes shall continue to be collected by the trustee of the county, as other taxes are collected, and kept in a separate account from all other funds belonging to the district to be used for the purposes set forth herein. Such taxes shall constitute a lien on the property against which they are levied with like force and effect as do county taxes. The board of commissioners of the district is authorized to pledge such taxes as necessary to pay the principal, premium and interest on the bonds.

SECTION 6. The bonds herein authorized, including all bonds heretofore and hereafter issued by the district, and all income therefrom, are exempt from all state, county and municipal taxation in the State of Tennessee, except inheritance, transfer and estate taxes and except as otherwise provided by applicable law.

SECTION 7. The rates set forth in Section 4 of Chapter 59 of the Private Acts of 1951, as amended, and Section 3 of Chapter 330 of the Acts of 1901, as amended, shall be levied on each one hundred dollars (\$100) of the assessed value of all taxable property, real and personal, located within the boundaries of the district. Education/Schools - Historical Notes

Board of Education

The following acts once affected the board of education in Wilson County but are no longer operative. Also referenced below are acts which repeal prior law without providing new substantive provisions.

1. Private Acts of 1903, Chapter 254, amended Public Acts of 1873, Chapter 25, which created a uniform system of public schools in Tennessee, by creating a County Board of Education for each county in Tennessee with one member of the Board coming from each Civil District in the County. The Judge or Chairman of the County Court would be a member and the County Superintendent of Public Instruction would be ex-officio Chairman of said Board. The members of the Board would be elected to a two year term by the voters of the District. Members would receive \$1.50 per day for attendance at meetings and \$1 per day for taking the required scholastic census. This Act would not effect city school systems.
2. Private Acts of 1907, Chapter 236, abolished the office of District Directors in all parts of the State and placed the management and control of the county school system under the direction of a County Board of Education and a District Board of Advisors. The County Court was obliged to divide the county into five school districts composed of whole Civil Districts from each of which one member of the Board of Education would be initially appointed by the Quarterly Court and later elected for full two year terms by the people in the August, 1908, general election. If there were fewer than five civil districts, the remaining members of the Board were to be chosen at large in the county. The County Superintendent would serve the Board as a Secretary. The powers and duties of the Chairman, the Secretary, and the members of the Board enumerated out in the Act. Board members were to be paid from \$1.50 to \$3 per day, the amount being fixed by the Quarterly Court. Each school district would have a three member Advisory Board who were to be elected by the people of the District biennially and who were bound to discharge the obligations imposed upon them by this Act. Nine counties, including Wilson County, exempted themselves from the terms of this Act.
3. Private Acts of 1925, Chapter 586, was enabling legislation for Wilson County's Board of Education to borrow money on short term loans at an interest rate not to exceed 6%, but in no event would the amount borrowed exceed one-half of the entire tax levy for school purposes for one school year, and the money borrowed in one year must be repaid out of money collected in that year.
4. Private Acts of 1935 (Ex. Sess.), Chapter 112, stated that hereafter the County Board of Education of Wilson County would be composed of five members to be elected by the Quarterly County Court for five year terms, one member to be elected each year, as the terms of the present members of the Board expired. No member of the Quarterly Court or other county official was eligible to serve and all members must meet qualifications specified in the Act. Any provision of the public law (Public Acts of 1925, Chapter 115) not in conflict with this Act would still be in force in Wilson County. This Act was repealed by Private Acts of 1939, Chapter 512.
5. Private Acts of 1945, Chapter 279, stated that in Wilson County the members of the County Board of Education would be popularly elected at the regular county election in August and assume office on the following September 1 for a term of seven years. Nothing in this Act was to interfere with or abridge the term of any current member of the Board. The Quarterly County Court could fill vacancies on the Board but only until the next general August election. The general law was modified in its application to Wilson County in order to effectuate the above. This Act was repealed by Private Acts of 1949, Chapter 443.
6. Private Acts of 1949, Chapter 443, provided that members of the County Board of Education elected under the authority of Private Acts of 1945, Chapter 279, would continue in office until their terms expired, but when that occurred their successors would be elected by the Quarterly Court at its July session. The Quarterly Court would designate the members to serve staggered terms up to seven years and the terms after that were all to be of seven years duration. The Quarterly Court could fill all the vacancies for the remainder of that term. This Act was repealed by Private Acts of 1965, Chapter 124.
7. Private Acts of 1955, Chapter 220, provided that in Wilson County the members of the County Board of Education would hereafter be elected by the qualified voters at the regular August elections for a term of four years beginning on the first Monday in September following but no more than one member could reside in the same Civil District, except for the 10th Civil District which would elect two members. Nothing in this Act would be construed to interfere with the term of any current member of the Board. Any future vacancy would be filled by the Quarterly Court until the next August election. This Act was properly ratified in a referendum vote. This Act was repealed by Private Acts of 1965, Chapter 124.
8. Private Acts of 1959, Chapter 315, amended Private Acts of 1955, Chapter 220, to remove the limitation of only one member of the School Board coming from a particular Civil District and to

insert the requirement that one member of the School Board would come from the first five school zones and two members would come from Zone 6 which was the 10th Civil District. The county was divided into six zones, but although the members of the Board must reside in the zone from which they were elected they were to be elected at large. This Act was rejected in a referendum election and never took effect.

9. Private Acts of 1965, Chapter 124, established six school zones in Wilson County composed of whole Civil District from five of which would come one member of the School Board and two members were to be selected in the Third Zone, making seven members in all on the Board of Education. The members would be elected by popular vote to four year terms but nothing herein would abridge any existing term. This Act was properly ratified by the Quarterly Court, but was repealed by Private Acts of 1971, Chapter 50.

Mount Juliet School District

The private acts analyzed below concerned the Mount Juliet School District in Wilson County. This district is no longer operative.

1. Private Acts of 1915, Chapter 412, established the Mount Juliet School District as the same was described in the Act. Dr. J. M. Weaver, A. A. Alexander, and Rev. R. M. Cawthorn were named as School Directors who would serve until the next regular election. This District would be governed as were other Districts in Wilson County.
2. Private Acts of 1921, Chapter 416, set up the Mount Juliet Special School District, including the greater portion of the 43rd School District which included portions of the First and 25th Civil Districts. The District would be managed and governed by a five member Board of Commissioners elected by popular vote to two year terms. This Act named A. A. Alexander, R. V. Cawthon, J. M. Weaver, Edgar Curd and R. R. Rummage as the first members of the Board. No member of the Board was to be paid except that the Clerk and Treasurer would be paid for taking the scholastic census. The organizational structure and the powers and obligations of the officials were all outlined in the Act. The Board was specifically empowered to establish one or more schools with a four year high school course of study. The District would receive its share of the county school funds. The Board could levy a school tax not to exceed sixty cents per \$100 valuation for 1921 and 1922 and ten cents thereafter. The provision in Section 7 of this Act which delegated the power to levy taxes to the Board of Commissioners was declared unconstitutional in Williamson v. McClain, 147 Tenn. 491, 249 S.W. 811 (1923).
3. Private Acts of 1923, Chapter 329, formed the Mount Juliet Special School District with approximately the same boundaries described in Private Acts of 1921, Chapter 416. The District was to be managed and controlled by a five member Board of Commissioners elected by popular vote to serve two year terms. Named as the first Board to serve until their successors could be elected were A. A. Alexander, R. V. Cawthon, J. S. Hatfield, Edgar Curd, and R. R. Rummage, who would select a Chairman and a Clerk-Treasurer from their own number. The Board would take charge of all the physical assets of the District and see that the buildings and equipment were maintained adequately. The Board had the power to install one or more schools in the District. The scholastic census was to be taken and all funds from the State and county would be pro-rated to this District. A tax was assessed in the Act of 50 cents per \$100 property valuation for 1923 and 1924, and 5 cents for each year thereafter with the funds going to the District.
4. Private Acts of 1925, Chapter 788, amended Private Acts of 1923, Chapter 329, by correcting some portions of the description in Section One and by changing other appropriate Sections to allow the operation of elementary schools in the District. The tax levy was raised from 5 to 20 cents and was terminate when the outstanding school debt had been paid.
5. Private Acts of 1933, Chapter 730, amended Private Acts of 1923, Chapter 329, by redescribing the boundaries of the School District and reducing the tax rate to ten cents per \$100 property valuation.
6. Private Acts of 1935 (Ex. Sess.), Chapter 154, amended Private Acts of 1923, Chapter 329, by removing the provision for the election of the five School Commissioners on the fourth Saturday in May and inserting another one that the five School Commissioners would be elected on the second Saturday in September, 1935, and every two years thereafter, at the school house.
7. Private Acts of 1937, Chapter 729, rearranged the boundary lines of the Mount Juliet School District in Wilson County so as to include the farm of F. O. Smartt, consisting of about 100 acres situated in the 25th Civil District on the south side of Central Pike, in the said School District.

Tenth Special School District

The following Private Acts concerned the development of the Tenth School District of Wilson County.

1. Private Acts of 1913, Chapter 307, established a system of public schools in the city of Lebanon in place of the common schools formerly established by the city. These schools were to be run by the School Directors of the Tenth School District and by a committee of three citizens of the District as might be named by the city authorities. The principal of the white schools would be the Superintendent of the city schools. Schools within the city would have first priority for school funds.
2. Private Acts of 1920 (Ex. Sess.), Chapter 114, set up a Special School District in the Tenth Civil District, which included the City of Lebanon except for that portion in the Shop Springs Special School District. The District would be known as the Lebanon Special School District and was described in the Act. The District would be managed by three school directors, elected for six year terms, whose powers and duties were stipulated in the act. The act appointed Julian Campbell, L. L. Burns, and Earl Hancock as the first School Directors. A general school tax levy of 40 cents per \$100 and a \$1.00 poll tax on all persons between the ages of 21 and 50 was authorized to support the schools in the District, which would also be entitled to its pro-rata share of the county school funds. If available funds were insufficient, the School Board could call for a referendum within the District to increase the tax rate. The increase was limited to 20 cents. This Act was repealed by Private Acts of 1921, Chapter 84.
3. Private Acts of 1923, Chapter 476, was the authority for the directors of the Tenth School District to issue interest-bearing warrants to pay for labor and materials used to construct new schools and to remodel or repair old schools, both elementary schools and high schools. A special tax levy of 20 cents per \$100 property valuation would be made each year in the school district until the warrants were retired. The tax would be collected by the County Trustee and kept in a separate fund. The people in the District must approve any major project before the same could be started.
4. Private Acts of 1935 (Ex. Sess.), Chapter 43, amended Private Acts of 1927, Chapter 321, by increasing the tax rate from 20 cents to 30 cents per \$100 property valuation which would be levied and enforced against all property owners in the Tenth School District of Wilson County until the bonds had been retired.
5. Private Acts of 1999, Chapter 46, amended the Private Acts of 1901, Chapter 330, as amended, to authorize the Tenth Special School District of Wilson County to operate, in addition to grades K - 8, schools for grades 9 - 12, contingent upon approval in a referendum to be held on the same day as the first City of Lebanon general election occurring after June 17, 1999. The referendum failed.

Watertown Special School District

1. Private Acts of 1927, Chapter 726, was the authority for the Watertown Special School District to issue and sell coupon bonds up to \$25,000 to construct, erect, improve, or furnish public school buildings in the said District. The interest rate could not exceed 5½% and they would mature according to the amortization schedule published in the Act. These bonds were not to be sold until the people approved the same in a referendum election. The ballots were to be simply "For" or "Against" the bond issue. A special tax levy was mandated each year until the bonds were paid. The Trustee would be paid the standard commission for handling the money.
2. Private Acts of 1979, Chapter 20, authorized the Watertown Special School District to issue up to \$1,300,000 in coupon bonds with a maximum maturity schedule of 30 years. The bond issue would not take place until approved by a majority vote in a special referendum election. The interest rate must not exceed 8% and an annual tax rate of \$3.75 per \$100 property valuation was included. The proceeds would be used to build new school buildings or to repair, improve, enlarge or equip existing buildings. This Act was repealed by Private Acts of 1979, Chapter 91.
3. Private Acts of 1979, Chapter 87, contained terms similar to Private Acts of 1979, Chapter 20. This Act did not receive local approval and did not become effective.
