Court System - Historical Notes

Board of Jury Commissioners - Jurors

The following acts once affected jurors or boards of jury commissioners in Williamson County, but are no longer operative. Also referenced below is an act which repeals prior law without providing new substantive provisions.

1. Acts of 1799, Chapter 40, apportioned the number of jurors each county in the Mero District would be obligated to send to the superior courts of the District. Davidson County would send ten jurors, Sumner County, seven, Smith County, four, Wilson County, four, Robertson County, five, Montgomery County, five, and Williamson County, five.
2. Acts of 1803, Chapter 93, set up a schedule of jurors which each county in the recently enlarged Mero District would be compelled to send to the superior courts of the District. Jackson County would send two jurors; Smith County, four; Sumner County, six; Wilson County, three; Rutherford County, two; Williamson County, four; Davidson County, seven; Robertson County, four; Montgomery County, four; Dickson County, two; and Stewart County, two.
3. Acts of 1806, Chapter 24, was the authority for the counties in the Mero District to dispatch jurors to serve in the superior courts of the District. Davidson County would be responsible for 12 jurors; Sumner County, eight; Wilson County, six; Williamson County, eight; and Rutherford County, five.
4. Acts of 1817, Chapter 128, allowed several counties, numbering Williamson County among them, to levy a tax to raise money with which to pay jurors attending the Circuit and County Courts some additional compensation but the same could not exceed fifty cents per day.
5. Acts of 1819, Chapter 62, declared that after January 1 of the following year it would be lawful for the County Courts of Davidson, Sumner, Williamson, Giles, Rutherford, Bedford, and Maury Counties to appoint 37 jurors for each of the counties who would serve in their respective counties Circuit and County Courts. The jurors were bound to attend under penalty and would be paid the same as any other jurors.
6. Acts of 1905, Chapter 461, created a four member Board of Jury Commissioners in Williamson County who would be appointed by the Circuit Judge of the county. If there was more than one circuit judge, then by all judges holding circuit or criminal courts jointly. They could not be practicing attorneys, or State or County officers, and could not have a suit pending in the Courts. The members would serve four year terms after the initial terms were completed. The Circuit Court Clerk would serve as Clerk to the Board and everyone must be sworn by the oath prescribed in this Act. It was the Board's duty and responsibility biennially on the first Monday in July, or within 30 days thereafter, to select from the tax rolls, or other public sources, a number in proportion to the district population, not less than one-fifth of the total votes cast in the County at the last Presidential election, but the number shall not exceed 4,000 nor be less 250, which number would be the jury list from which petit and grand jurors would come.
7. Private Acts of 1907, Chapter 75, amended Acts of 1905, Chapter 461, by deleting the provision "but in no case shall a panel be drawn to serve longer than two weeks." Section 7 was amended to limit regular jury service to once in every two years, and to require that records be kept of the days a juror has served.
8. Private Acts of 1917, Chapter 427, created a Board of Jury Commissioners, repealing Acts of 1905, Chapter 461, by a general repealing clause. A four member Board was provided whose members, appointed by the Circuit Judge to serve for four year terms after the initial appointments, could not be attorneys, or State or County officers. The Circuit Court Clerk would serve as Clerk to the Board, all of whom would be sworn according to the oath prescribed and written in the Act.
9. Public Acts of 1937, Chapter 196, was the authority for the judge of the 17th Judicial Circuit to appoint a Minute Clerk for the Grand Jury in the counties on the Circuit who would hold the said office for a term of two years. The appointment would be made at the same time the Foreman of the Grand Jury was named so that their terms of office would coincide. The Minute Clerk would be a member of the Grand Jury possessing equal power and authority as the other members. The Clerk would be sworn according to the oath in the Act, would keep minutes of the meetings and record events as they transpired for which a salary of \$4 per day would be paid out of the county treasury. The Judge would likewise fill any vacancy which might occur.
10. Public Acts of 1939, Chapter 67, amended Public Acts of 1937, Chapter 196, by removing Hickman County from the terms and conditions of that Act.

11. Private Acts of 1949, Chapter 85, provided that in Williamson County the Foreman and Clerk of the Grand Jury would be paid at the rate of \$8 daily for each day served on official business, and other jurors, both grand and petit, shall be compensated at the rate of \$4 per day spent on official business, but no pickup juror shall be paid unless he serves for more than one day.

Circuit Court - Clerk

The following acts have no current effect, but once applied to the Williamson County Circuit Court Clerk. They were repealed, superseded, or never received local approval. Also referenced below is an act which repeals prior law without providing new substantive provisions.

1. Acts of 1903, Chapter 255, was a salary act which concerned Circuit Court Clerks only and which set their annual salaries, according to population classes stated in the Act. Clerks were required to file an annual report, sworn to and itemized, showing the total amount of fees collected in the office. If the fees did not equal the salary the county must pay the difference but if the fees exceeded the salary the Clerks were permitted to retain them as their own.
2. Private Acts of 1919, Chapter 639, stated that in Williamson County the Circuit Court Clerk would be paid \$1,200 per annum, provided the Clerk would file a sworn, itemized statement with the County Judge, or Chairman, on January 1 of each year, showing the total amount of fees collected by the office. If the fees failed to equal the salary, the county would pay the difference, but, if the fees exceeded the salary, the Clerk could retain the excess.
3. Private Acts of 1929, Chapter 94, provided that the Circuit Court Clerk would be paid \$2,000 a year in Williamson County under the same terms and conditions as stated above in the 1919 Act. This Act was repealed by Private Acts of 1933, Chapter 708.
4. Private Acts of 1935, Chapter 659, declared that in Williamson County the Circuit Court Clerk would be paid \$1,500 per year provided that the Clerk filed with the County Judge, or Chairman, a sworn, itemized statement showing the total amount of fees collected in the office. If the fees were less than the salary, the county would make up the difference, but, if the fees were more than the salary, the surplus would be disposed of as the County Court saw fit, whether as a supplement to the salary, or not.
5. Private Acts of 1935, Chapter 661, amended Section 10726 of William's Code of Tennessee, by creating a new population class 3A, and assigning Williamson County to that class. The salaries of several county officials were then prescribed, including the Circuit Court Clerk at an annual salary of \$1,500. This Act did not repeal Private Acts of 1935, Chapter 659.

Court Officers

The following Acts are no longer effective having been repealed.

1. Private Acts of 1951, Chapter 628, would allow the Circuit Judge of Williamson County to appoint two officers to wait upon the Circuit Court and Criminal Courts at the pleasure of the Judge who could remove them at will. These positions were formerly elected by the Williamson Quarterly County Court. Section 1 of this Act used population figures which would cast doubt on its validity as a Private Act applying to Williamson County.
2. Private Acts of 1971, Chapter 152, amended Private Acts of 1951, Chapter 628, in Section One by changing the population figure to conform to the 1970 Federal Census, and by adding a sentence which provided a \$15 per diem for the officers.
3. Private Acts of 1971, Chapter 203, amended Private Acts of 1951, Chapter 628, by deleting from Section 2 the portion of the last sentence which set the compensation of the Circuit Court Officers as the same as other court officers.

District Attorney General - Assistantces and Criminal Investigators

The following acts once affecting Williamson County are no longer in effect but are listed here for historical purposes. Also referenced below is an act which repeals prior law without providing new substantive

provisions.

1. Acts of 1799, Chapter 58, appropriated \$400 to be paid to Andrew Jackson as full compensation for his services as the Attorney-General of the Mero District.
2. Acts of 1817, Chapter 65, divided Tennessee into ten Solicitorial Districts. The Seventh Solicitorial District contained the counties of Davidson, Williamson and Sumner. One Attorney General would be appointed for each district by the General Assembly.
3. Acts of 1835-36, Chapter 28, enacted into law subsequent to the 1835 Constitution, made each Solicitorial District hereafter to conform to each Judicial Circuit.
4. Acts of 1853-54, Chapter 52, provided that the counties of Williamson, Sumner and Davidson would elect an Attorney-General and the said Attorney-General would attend the circuit court of Sumner County and the criminal courts of Davidson County (nothing was said about Williamson County). This Act was repealed by Acts of 1853-54, Chapter 59.
5. Acts of 1903, Chapter 335, provided for an Attorney-General to be elected by the people of Williamson County who would attend the Circuit Court of the county and prosecute all crimes and offenses against the State in the county. The first election would be held on the first Thursday in August, 1904, and occur every eight years thereafter. The salary would be \$500 per year to be paid out of the State Treasury. The Governor would appoint the first Attorney- General to serve until the regular election in August. Acts of 1905, Chapter 441, amended this Act by increasing the Attorney-General's annual salary from \$500 to \$800.
6. Public Acts of 1971, Chapter 140 and Public Acts of 1976, Chapter 512, created additional positions for assistant district attorneys general in the Seventeenth Judicial Circuit. Williamson County is now a part of the Twenty-First Judicial District, according to T.C.A. 16-2- 506, which also stipulates the number of judges, assistant district attorneys general and investigators for the district.

General Sessions Court - Criminal Jurisdiction

The private acts listed below refer to those few years in the 1870's when Williamson County had a separate and distinct Criminal Court.

1. Acts of 1871, Chapter 73, established a Criminal Court in the counties of Williamson, Maury, Giles and Marshall, which courts were given exclusive jurisdiction in lieu of the Circuit Courts in the trial and presentment of crimes and offenses against the State. The Circuit Court Clerks would be the Clerks of these courts recording all the essential data in books kept separately from the civil cases. Details for keeping order, for the operation and maintenance of the court and juries were all incorporated into the Act. The Judge was granted all the power and jurisdiction of Circuit Judges and Chancellors, could interchange with them as necessity might dictate, and was paid the same compensation. The State's Attorney elected on the first Thursday in August, 1870, by the voters of the above counties would prosecute in all the Criminal Courts founded above. The Judge must have been a practicing lawyer for five years at least, and meet the standards and qualifications of the other Judges of Circuit and Chancery Courts. There would be three terms of court each year, which would begin in Williamson County on the second Monday in February, June, and October in Franklin.
