Private Acts of 1999 Chapter 11

SECTION 1. The Franklin Special School District, located in Williamson County, Tennessee ("the District"), created by Chapter 563 of the Private Acts of 1949, as amended (collectively with all amendatory acts, the "Act of Incorporation") is hereby authorized and empowered to issue and sell, by resolution of the board of education of the district (the "board"), bonds in the aggregate principal amount of not to exceed thirty-two million five hundred thousand dollars (\$32,500,000) (the "bonds") for the purpose of providing funds (i) for the construction, improvement, renovation, expansion, furnishing, fixturing and equipping of school buildings and facilities, and additions thereto, in and for the district, including the purchase of all property, real and personal, or interests therein, necessary in connection with such work, (ii) for the funding of all accounts and funds necessary and proper in connection with the issuance and sale of the bonds as the board shall determine, (iii) for the payment of interest on the bonds during the period of construction and for six (6) months thereafter and (iv) for the payment of all legal, fiscal, administrative, architectural, engineering, accounting and similar professional and

other costs incident thereto and to the issuance and sale of the bonds.

SECTION 2. The bonds may be sold at public or private sale in one or more series, may bear such date or dates, shall mature at such time or times, not exceeding twenty-five (25) years from their respective dated dates, may bear interest at a zero (0) rate or at such other rate or rates not to exceed six and one-half percent (6.5%) per annum (which may vary from time to time), may be payable in such medium of payment at such place or places, may be subject to such terms of redemption, with or without premium and may provide for the replacement of mutilated, destroyed or lost bonds, all as may be provided by resolution of the board. The bonds shall be sold as a whole or in part from time to time in such manner as shall be provided by resolution of the board, but in no event shall the bonds be sold for less than ninety-eight percent (98%) of par plus accrued interest (or, if all or any part of such bonds is to be sold at a zero (0) rate of interest or at an original issue discount, such bonds may be sold at not less than ninety-eight percent (98%) of the original reoffering price of such bonds, plus accrued interest). The board is authorized and empowered to do and perform all acts and enter into all agreements which may be necessary or desirable in connection with the issuance and sale of the bonds and to delegate the power to consummate all such acts and execute and implement all such agreements on its behalf as the board shall deem necessary or desirable.

SECTION 3. The bonds, refunding bonds and notes shall be issued in fully registered form and shall be signed and sealed as provided in the Tennessee Public Obligations Registration Act and in the resolution adopted by the board authorizing the bonds, refunding bonds or notes.

SECTION 4. For the purpose of paying principal of and interest and redemption premiums on the bonds, refunding bonds and notes herein authorized, there is hereby levied, in addition to any tax currently being levied within the boundaries of the district for the benefit of the district, a continuing annual tax equal to a rate per one hundred dollars (\$100) of assessed value of real and personal property located within the district which provides the district one hundred percent (100%) of the amount of outstanding principal and interest coming due on the bonds, refunding bonds or notes in the next succeeding year. At the request of the board, the county assessor of property shall certify to the county trustee and the board the total assessed value of taxable property within the district and furnish the county trustee and the board an estimate of the total assessed value of all new construction and improvements not included on the assessment roll of the base year and all deletions from the assessment roll of the base year. Upon receipt of the information and certifications, the district shall by resolution of the board on or before September 1 of any year certify to the county trustee the special school district tax rate. The county trustee shall adjust the tax rate established herein to an adjusted rate which is estimated to provide to the district one hundred percent (100%) of the amount of outstanding principal and interest coming due on the bonds, refunding bonds or notes in the next succeeding year plus the taxes levied pursuant to the act of incorporation securing other outstanding debt of the district for the 1999 tax year and each tax year thereafter so long as the bonds, refunding bonds or notes shall be outstanding. These taxes shall be used exclusively to pay principle of and interest on the bonds, refunding bonds and notes authorized herein and any other indebtedness of the district as they come due and to maintain debt service fund balances. The board is hereby authorized to pledge such taxes to pay the principal of and interest and any redemption premiums on the bonds, refunding bonds and notes and any other indebtedness of the district. The taxes shall be annually extended and collected by the county trustee in the manner provided by general law for the extension and collection of county taxes and shall constitute a lien on the property against which they are levied with the like force and effect as do county taxes. The proceeds of these taxes, as and when received by the district, shall be deposited to a debt service fund to be established and maintained by the district. The debt service fund is established for the specific purpose of receiving the taxes authorized herein and any other funds which may from time to time be pledged to the payment of indebtedness of the district. The debt service fund and the funds therein shall be maintained and accounted for until payment in full of all outstanding obligations of the district and shall be used for the purpose of paying principal of and premium, if any, and interest on the bonds, refunding bonds and notes and any other indebtedness of the district. In the event property taxes and such other funds as shall be pledged to the payment of the indebtedness of the district are not sufficient to pay principal thereof and interest thereon when due, the district shall apply funds from operations or other available funds of the district to the payment thereof. So much of the surplus arising from the tax hereinabove described and not required for the payment of debt service on outstanding obligations of the district may be used, at the discretion of the board, for the construction, improvement, renovation, expansion, furnishing, fixturing and equipping of school buildings and facilities, and additions thereto, in and for the district, including the purchase of all property, real and personal, or interests therein, necessary in connection with such work.

SECTION 5. The board is authorized, but not required, to pledge to the payment of the bonds all or a portion of (i) any funds received by the district under the Tennessee Basic Education Program available to be used for capital outlay expenditures, as set forth in Tennessee Code Annotated, Section 49-3-351 et seq., and related sections, (ii) its share of the local option sales and use tax now or hereafter levied and collected in Williamson County, pursuant to Tennessee Code Annotated, Section 677-6-712, and (iii) any other funds received from the state, or any of its authorities, agencies or instrumentalities, for school purposes and available to be used for capital outlay expenditures.

SECTION 6. The bonds, refunding bonds and notes, and all income therefrom, shall be exempt from all state, county and municipal taxation in Tennessee, except inheritance, transfer and estate taxes and except as otherwise provided by applicable law.

SECTION 7. The district is further authorized, by resolution of the board, to borrow money and issue its bonds for the purpose of refunding at or prior to maturity, in whole or in part, at any time, in accordance with the terms hereof, the bonds authorized herein and the refunding bonds authorized herein. The board shall have the power to provide for the custody, application and investment of the proceeds of the refunding bonds pending retirement of the refunded bonds.

SECTION 8. The district is further authorized, by resolution of the board, to issue and sell notes of the district in anticipation of the issuance of the bonds authorized herein. The notes may be sold in one (1) or more series, may bear such date or dates, shall mature at such time or times, not exceeding three (3) years from their respective dates and may be extended or renewed for not more than one additional period of three (3) years, may bear interest at such rate or rates not to exceed six and one-half percent (6.5%) per annum (which may vary from time to time), may be payable at such time or times, may be in such denominations, may carry such registration and conversion privileges, may be executed in such manner, may be payable in such medium of payment at such place or places, may be subject to such terms of redemption, with or without premium, and may provide for the replacement of mutilated, destroyed or lost notes, all as may be provided by resolution of the board. The notes shall be sold as a whole or in part from time to time at public or private sale in such manner as shall be provided by resolution of the board but in no event shall the notes be sold for less than ninety-nine percent (99%) of par plus accrued interest. Unless paid for out of the funds identified in Section 4 and/or 5 hereof, when the district receives the proceeds from the same of the bonds in anticipation of which the notes were issued, a sufficient portion of proceeds shall be used to pay the principal of such bond anticipation notes and may be used to pay the interest thereon. The board is authorized and empowered to do and perform all acts and enter into all agreements which may be necessary or desirable in connection with the issuance and sale of the notes and delegate the power to consummate all such acts and execute and implement all such agreements on its behalf as the board shall deem necessary and desirable.

SECTION 9. No election shall be necessary for the authorization of the bonds and the provisions of Section 9 of Chapter 563 of the 1949 Private Acts of Tennessee, as amended, shall not be applicable to the bonds, refunding bonds and notes issued hereunder.

SECTION 10. If any provision of this act or the application thereof shall be held by any court of competent jurisdiction to be invalid or unenforceable to any extent, the remainder of this act and the application of such provisions shall not be affected thereby, shall be enforced to the greatest extent permitted by law and are declared to be severable.

SECTION 11. This Act shall take effect upon becoming a law, the public welfare requiring it.

The Board of Education of the District is authorized and empowered to do and perform all acts and enter into all agreements which may be necessary or desirable in connection with the issuance and sale of the bond anticipation notes and delegate the power to consummate all such acts and execute and implement all such agreements on its behalf as the Board of Education shall deem necessary or desirable.

SECTION 9. No election shall be necessary for the authorization of the obligations authorized hereunder and the provisions of Section 9 of Chapter 563 of the 1949 Acts of Tennessee, as amended, shall not be applicable to the bonds, notes, refunding bonds, and bond anticipation notes issued hereunder.

SECTION 11. If any provision(s) of this Act or the application thereof shall be held by any court of competent jurisdiction to be invalid or unenforceable to any extent, the remainder of this Act and the application of such provisions shall not be affected thereby, shall be enforced to the greatest extent permitted by law and are declared to be severable.

Education/Schools - Historical Notes

Board of Education

The following acts once affected the board of education in Williamson County but are no longer operative. Also referenced below are acts which repeal prior law without providing new substantive provisions.

1. Private Acts of 1907, Chapter 236, created a Board of Education and a District Board of Advisors for every county in the State for the management and control of the schools and abolished the office of District Directors. The County Court was directed to divide the County into five school districts, as nearly equal in size and population as possible, composed of whole Civil Districts. If the county had less than five civil districts, one member of the Board of Education would come from each and the remainder elected at large. The County Superintendent would serve as Secretary to the Board. The County Court would appoint the first members of the Board to serve until September, 1908, when the members elected by the people for two year terms would take office. The duties of the Chairman, Secretary, and members of the Board were enumerated generally. Each member of the Board would be paid from \$1.50 to \$3.00 per meeting as set by the County Court. A three member Advisory Board would be elected in each Civil District for two year terms whose duties were likewise spelled out in the statute.
2. Private Acts of 1929, Chapter 612, amended Public Acts of 1925, Chapter 115, which is the general education law of the State and is codified as Title 49, of Tennessee Code Annotated, by striking a portion of the second paragraph of Section 6, which prohibited a member of the Quarterly County Court or any other county official from serving as a member of the Board of Education as the same applied to Williamson County.
3. Private Acts of 1931, Chapter 607, abolished the existing County Board of Education in Williamson County and created a three member County Board of School Commissioners to be called the County Board of Education, who would be elected by the people for two year terms. The Board would select one of their number as President and the County Superintendent of Public Instruction would be the Secretary. Each member must meet the State qualifications and could not be a county official or a member of the Quarterly Court. Each member would be paid \$8 per day up to 15 days a year while discharging the duties generally mentioned in this Act. The Act named J. A. Williams, Bennett W. Hunter, an A. W. Witner, as the first members of the Board. This Act was repealed by Private Acts of 1937, Chapter 608.
4. Private Acts of 1963, Chapter 94, created a seven member Board of Education, one member from each of seven school districts into which the county was divided, composed of whole Civil Districts. Terms were for six years but the election dates were staggered so that two members would be elected every two years, and each of the members of the present school board would serve until the successor in office was chosen. The entire Act was dependent upon popular approval in a referendum to be held within one year from the date of passage. This Act was repealed by Private Acts of 1972, Chapter 323.
5. Private Acts of 1967-68, Chapter 404, amended Private Acts of 1963, Chapter 94, by adding a provision at the end of Section One that in the event of a vacancy occurring on the Board of Education the Quarterly County Court would fill such vacancy for the unexpired portion of the term. This Act was repealed by Private Acts of 1972, Chapter 323.
6. Private Acts of 1970, Chapter 330, established a nine member Board of Education in Williamson County. The County was divided into seven school districts composed of whole Civil Districts from each of which one school board member would be elected by popular vote except District 4 and District 5 where two members of the Board would be elected by the people. Terms were for six years with a provision that present members of the Board would continue in office until their successors were elected and qualified to assume the position. This Act was not acted on by the Williamson County Quarterly Court and is not effective.

School Districts - Franklin School District

The following private acts have no current effect on the Franklin School District having been repealed, superseded, or not approved by local authorities.

1. Private Acts of 1925, Chapter 710, created the Franklin Special School District in Williamson County which included the city of Franklin. A six member Board of Education would operate the school district in conjunction with the Board of Mayor and Aldermen and Board of Education of Franklin. Members of the Board would be elected for two year terms. The Act named J. W. King,

Wirt Courtney, T. J. Gore, C. M. McDaniel, C. H. Kinnard, and Kirby S. Howlett, as the first Board members. The Board would choose a Chairman, a Vice- Chairman, a Secretary and a Treasurer from its members and proceed to enter into all essential contracts with the Town of Franklin to use its facilities. No compensation would be paid to the members but the Secretary could be given financial and clerical assistance for keeping records. The powers of the Board were generally stated in the Act, and the County Trustee was directed to apportion the school funds so that the District would receive its share. In addition, a special tax of 15 cents per \$100 of taxable property was levied for the year 1925 and in subsequent years which would be spent under the control of the Board. This Act would not affect any other school or school district. This Act was repealed by Private Acts of 1949, Chapter 616.

2. Private Acts of 1937, Chapter 870, amended Section 7, Private Acts of 1925, by Chapter 710, by reducing the tax levy in the Franklin Special School District from 15 cents to 5 cents per \$100 property valuation.
3. Private Acts of 1943, Chapter 450, amended Private Acts of 1925, Chapter 710, by returning the tax rate levy to 15 cents per \$100 every year to support the schools in the District. These school taxes would be due and collected as were other taxes with all school funds being placed under the supervision of the District Board of Education for the use and benefit of the schools therein.
4. Private Acts of 1947, Chapter 225, amended Private Acts of 1925, Chapter 710, by increasing the property tax rate for the schools in the District from 15 cents to 40 cents per \$100 applicable to all property within the District commencing in 1947.

School Districts - Hillsboro School District

The following acts were once applicable to the Hillsboro School District, but are no longer operative.

1. Private Acts of 1931, Chapter 129, created the Hillsboro Special School District which was composed of the Third, and portions of the Second, Fifth, and Sixth Civil Districts of Williamson County. The District would be operated and managed by a seven member Board to which the Act named as the first members C. D. Sweeney, Harold Meacham, Barney Beasley, M. W. Southall, Joe Pearre, P. O. Hassell, and M. T. Carlisle. Members of the newly created Board of Directors of the Hillsboro Special School District must be elected by the people for six year terms. Section 5 contained ten specific powers granted to the Board relating to the general management of the District. The Trustee was directed to apportion school funds in accordance with this Act. A special school tax of 20 cents per \$100 property valuation would be levied on those within the District. All resident children between ages of six and twenty-one could attend free of charge, others must pay the tuition rate set up by the Board.
2. Private Acts of 1933, Chapter 692, repealed Private Acts of 1931, Chapter 129, and provided further that no tax levy, or apportionment of school funds would be made in the District for 1933 but could be done for 1932. The County Board of School Commissioners were authorized and directed to pay the balance due on a note to the Harpeth National Bank in Franklin which money was borrowed and used to erect a school building in the District. Any surplus remaining would be used for maintenance and operation of any public school within the special school district.
3. Private Acts of 1935, Chapter 542, amended Private Acts of 1933, Chapter 692, so as to provide for the refund of donations to the School District in the pro-rated amounts stipulated in this Act payable to the people who were named herein. The amounts ranged from \$5 to \$100 to be refunded. This was in lieu of applying the surplus to the operation of the schools within the District.

School Districts - Nolensville School District

The following acts once applied to the Nolensville School District, but are no longer operative.

1. Private Acts of 1931, Chapter 818, formed the Nolensville School District which was composed of the Sixteenth, Seventeenth, Eighteenth and Nineteenth Civil Districts. The Act named H. J. Brittain, T. H. Guthrie and Ben Waller as the first Board of School Directors who would serve until their successors were elected by the people on the first Saturday in May, 1932, and every two years thereafter. The Board was given specific grants of power and assigned certain obligations essential to operating the School District, including the power to make contractual arrangements to have the children taught in private schools. A special school tax of ten cents per \$100 was allowed to be levied against the property in the District, the same to be collected by the Trustee as any other tax. The Trustee was charged with paying out that revenue and such other funds when lawful and proper so to do for the benefit of the school district.
2. Private Acts of 1931 (2nd Ex. Sess.), Chapter 57, amended Private Acts of 1931, Chapter 818, by adding after Section 6 another Section containing ten specific grants of power and authority to the

Board of Directors of the School District. The County Court was empowered to levy an additional tax if it determined that the special levy for the school district would be insufficient for meeting the needs of the District. Another Section was added which allowed the Directors to issue bonds for the District under certain conditions and limitations, and, if bond issues were considered undesirable, the Directors could issue warrants drawn on the County Trustee, which would be payable only from the funds belonging to the School District. This Act was declared to be constitutional when its validity was attacked in the case of Brittain v. Guthrie, 164 Tenn. 669, 51 S.W.2d 848 (1932).

3. Private Acts of 1933, Chapter 762, expressly repealed Private Acts of 1931, Chapter 818, as amended, and provided further that any funds belonging to the District would be used to pay any obligations owned by the School District. The Trustee was allowed to pay these obligations on the proper warrant of the Board of Education. Any funds remaining after the payment of the obligations of the District would become a part of the general school fund of the County to be used for schools within the District.

School Districts - Thompson Station District

The following acts once applied to the Thompson Station District, but are no longer operative.

1. Private Acts of 1921, Chapter 255, delineated a special school district in the Fourth and Eleventh Civil Districts of Williamson County which would be called the Thompson Station Special School District. The District would be controlled and operated by a seven member Board which was incorporated. The Act nominated Sam Aaron, A. D. Gillespie, Kernan Akin, John B. Ridley, C. B. Alexander, J. E. Johnston, and Dr. A. Gibbs, as the first Board members. The members would elect one of their number as President, one as Secretary and one as Treasurer. Those Directors named would serve until their successors, elected in the August, 1921 election for 6 year terms, could take office. Section 5 was composed of ten grants of specific powers to the Board. The District must levy a thirty cent per \$100 of valuation property tax on all property located therein and would be eligible for its pro rata share of other funds. All resident children between the ages of 6 and 21, could attend the school free of charge, but all others must pay the tuition amount determined by the Board.
2. Private Acts of 1921, Chapter 645, amended Private Acts of 1921, Chapter 255, so as to reduce the authorized tax rate from thirty cents to ten cents per \$100 property valuation.

Superintendent or Director of Schools

The acts referenced below once affected the office of superintendent of education in Williamson County, but are no longer operative. Also referenced below is an act which repeals prior law without providing new substantive provisions.

1. Private Acts of 1931, Chapter 394, stated that in Williamson County the County Superintendent of Schools would be elected by the people at the regular August election for a two year term, assuming office on September 1 following the election, but that person elected in August, 1932, would not take office until January 1, 1933. The Superintendent must be at least twenty-five years of age, have a minimum of 36 months experience as a principal, teacher, or supervisor in the State of Tennessee, and meet all the other standards and qualifications established by the State. The compensation of the office would be determined by the County Board of School Commissioners and could not be reduced during the term. It was unlawful for the Superintendent to be the beneficiary of any school contract and he must perform all the duties prescribed by the State. This Act was repealed by Private Acts of 1937, Chapter 609, but Section 2 permitted the present Superintendent to continue in office until the next regular election to be held under the school laws of the State.
2. Private Acts of 1955, Chapter 205, provided that in Williamson County the Superintendent of Education would be elected by popular vote beginning at the regular August, 1956, election and would occur every four years thereafter. The first person elected would hold office until September 1, 1960. The Secretary of State's Office reported that this Act was not acted on locally which would preclude it from becoming a law.
