Private Acts of 1992 Chapter 220

SECTION 1. The Election Commission of Williamson County may adopt a supplemental system for maintaining registration records utilizing electronic, electromechanical or microfilm equipment. If the commission exercises its option to place the permanent record "original" which has been signed by the registered voter, on microfilm, or retain the "original" and adopt an electronic computerized method of storing and printing duplicate registration records, the "original" or microfilm of the "original" and the computerized printout of the "duplicate," shall be the legal documents of registration. The county election commission may, in its discretion, elect to use data processing equipment owned by a local governing body or contract with outside commercial data processing agencies, including other governmental agencies, or, with the approval of the legislative body of such county, may purchase appropriate data processing equipment. The coordinator of election in consultation with the state election commission shall determine whether a supplemental system meets the requirements of this section.

SECTION 2. This act shall have no effect unless it is approved by a two-thirds (2/3) vote of the county legislative body of Williamson County before July 1, 1992. Its approval or nonapproval shall be proclaimed by the presiding officer of the county legislative body of Williamson County and certified to the Secretary of State.

SECTION 3. For purposes of approving or rejecting the provisions of this act, it shall be effective upon becoming a law, the public welfare requiring it. For all other purposes, it shall become effective upon being approved as provided in Section 2.

Passed: April 23, 1992.
