Private Acts of 1987 Chapter 113

WHEREAS, Williamson County, Tennessee, has been the fastest growing county in the state for the past fifteen (15) years, having been impacted by the rapid growth in the standard metropolitan area of Nashville; and

WHEREAS, Anticipated continued growth from the expansion of Nashville is expected to accelerate due to the location of the hub of American Airlines in the Nashville area, and from other factors; and

WHEREAS, After an intense national competition, the state of Tennessee successfully negotiated with the General Motors Corporation to locate its Saturn plant in Tennessee; and

WHEREAS, General Motors Corporation selected and is presently constructing the Saturn automotive assembly plant in an unincorporated area of Maury County just south of the Williamson County line at Spring Hill; and

WHEREAS, The investment in said plant is anticipated to be approximately \$3.5 billion when the plant is complete; and

WHEREAS, Maury County has negotiated a Payment in Lieu of Tax (PILOT)

Agreement with General Motors whereby the Saturn plant will make payments in lieu of property tax in the amount of \$43.430 million over the next fifteen (15) years, but Williamson County, lying within a few miles of the plant has no such agreement, and will receive no such benefit; and

WHEREAS, The Saturn plant is anticipated to stimulate commercial, office, industrial and warehouse development in Williamson County in the vicinity of the Saturn plant as well as in the cities of Franklin, Brentwood and Fairview, all lying within Williamson County; and

WHEREAS, The projected non-residential development and the availability of jobs is

anticipated to stimulate a significant demand for new dwelling units in Williamson County; and

WHEREAS, current projections show that:

(1) County population will be 129,000 persons in year 2005, an increase of 122% from 1980 to 2005; there will be a demand for approximately 22,000 additional dwelling units between 1980 and 2005; and new residential and non-residential development will consume an additional 14,000 acres of land in Williamson County;

(2) projected growth and land use development will cause a demand for county provided capital facilities (schools, roads, jails, parks, etc.) in an amount well in excess of \$50 million over the next fifteen (15) years;

(3) The county's present revenue raising authority is limited and relies heavily on intergovernmental transfers which are not subject to county control and on property taxes, which would impose the costs of new growth on existing residents rather than on new residents and businesses who create the demand for the additional expenditures; and

WHEREAS, Williamson County is committed to both present and future county residents to maintaining a level of public facilities and services commensurate with those presently provided; and

WHEREAS, Williamson County is prepared to impose a fair, equitable and reasonable share of the costs of providing the necessary public facilities and services on existing residents of the county; and

WHEREAS, The county's present population employment base, tax base and budget cannot alone support the additional revenues needed to supply facilities to serve new growth without a substantial increase in the property tax rate on existing development; and

WHEREAS, The introduction of the Saturn plant in Maury County, the American Airlines Hub in Davidson County, and the continued expansion of the Nashville Metropolitan area represent both an extraordinary economic opportunity for the state of Tennessee as well as a potential economic burden on the existing residents of Williamson County; and

WHEREAS, Due to these unique circumstances, it is necessary and appropriate that Williamson County be given authorization to extend its taxing power to enable the county to impose a fair and reasonable share of the costs of public facilities necessitated by new development on that development so as not to create an unfair and inequitable burden on existing county residents; and

WHEREAS, There is precedent in the state of Tennessee for such additional tax measures to impose costs on those who benefit from improvements and where the result would otherwise be to impose an unfair burden on existing residents; and

WHEREAS, The most logical and effective mechanism to accomplish the intended result would be the imposition of a new privilege tax on new development in Williamson County; now, therefore,

SECTION 1. This Act shall be known and cited as the Williamson County Adequate Facilities Tax.

SECTION 3. It is the intent and purpose of this act to authorize Williamson County to impose a tax on new development in the county payable at the time of issuance of a building permit or certificate of occupancy so as to ensure and require that the persons responsible for new development share in the burdens of growth by paying their fair share for the cost of new and expanded public facilities made necessary by such development.

SECTION 4. Engaging in the act of development within Williamson County, except as provided in Section 6 herein, is declared to be a privilege upon which Williamson County may, by resolution of the governing body, levy a tax in an amount not to exceed the rate set forth in Section 7.

SECTION 5. The governing body shall impose the tax authorized herein by resolution after adopting a capital improvements program indicating the need for the cost of public facilities anticipated to be funded, in part, by this tax and after finding that the need for such public facilities is reasonably related to new development in the county. The resolution of the governing body imposing this tax shall state the rate of tax on new residential and non-residential development. The governing body shall, by resolution, adopt administrative guidelines, procedures, regulations and forms necessary to properly implement, administer and enforce the provisions of this act.

SECTION 6. This act shall not apply to development of:

- (a) Public buildings.
- (b) Places of worship.
- (c) Barns or outbuildings used for agricultural purposes.
- (d) Replacement structures for previously existing structures destroyed by fire or other disaster.
- (e) Additions to a single-family dwelling.
- (f) A structure owned by a non-profit corporation which is a qualified 501(c)3 corporation under the Internal Revenue Code.

SECTION 7. For the exercise of the privilege described herein, Williamson County may impose a tax on new development not to exceed one dollar (\$1.00) per gross square foot of new residential and new non-residential development.

SECTION 8. The tax established in this act shall be collected at the time of application for a building permit for development as herein defined or, if a building permit is not required, at the time of application for a certificate of occupancy by the county or city official duly authorized in such jurisdiction to issue building permits or certificates of occupancy. If the tax is collected by the county, the county building official or other responsible official shall receive payment in full in cash or other negotiable instrument as specified by resolution of the county. If the tax is collected by a city, the city shall, before issuance of the building permit or certificate of occupancy, receive payment in cash or by a negotiable instrument payable to the county in the full amount of the tax due. By the tenth day of each month the city shall transfer such cash and negotiable instruments as were collected the preceding month to the county collector. No building permit for development as herein defined, or certificate of occupancy if no building permit is required, shall be issued in Williamson County unless the tax has been paid in full to

the county or a negotiable instrument payable to the county has been received.

SECTION 9. Within fifteen (15) days after the last day of each month, the county collector shall distribute thirty percent (30%) of the tax proceeds collected during such period to the incorporated cities within the county, said thirty percent (30%) to be divided pro rata among the incorporated cities on the basis of their relative population as of the last federal decennial census, or any special state certified census. Provided, however, no distribution shall be made to a city that has not adopted a general plan and capital improvements program, which plan and program have been found by the governing body to be consistent with the county general plan and capital improvements program. The portion of the thirty percent (30%) distributable to cities within the county which constitutes the pro rata share of a city which has not adopted a general plan and capital improvements program consistent with the county general plan and capital improvements program as required herein shall be redistributed to other cities in the county in the same manner as herein before provided.

SECTION 10. All tax funds collected, whether used by the county or cities, shall be used for the purpose of providing public facilities, the need for which is reasonably related to new development. The county, in budgeting its funds, shall utilize one hundred percent (100%) of county proceeds of tax funds collected for public school purposes. The county shall make the appropriate distribution to the Franklin Special School District according to ADA formula.

SECTION 11. Appeals. Any person aggrieved by the decision of the county building official or other responsible official concerning any aspect of this act may obtain review of the official's decision in the following manner:

(1) By payment of the disputed amount to Williamson County and by notifying the official that the payment is made under protest.

(2) By requesting an appeal of the decision of the official in written form within ten (10) days of the protest and payment. Appeals shall be heard by the Williamson County Board of Adjustment and Appeals. Hearings shall be scheduled within forty-five (45) days of the written request for appeal.

The board of adjustment and appeals shall render a decision on all hearings within thirty (30) days of the hearing date, unless the hearing is continued from time to time by a majority vote of the board for further information.

The board of adjustment and appeals shall act as a quasi-judicial body whose purpose is to determine the intent of this act, its applicability to the appellant, and to rule upon the interpretation of the official.

The board will not be bound by formal rules of evidence applicable to the various courts of the state.

Hearings before the board shall proceed as follows:

(1) The building official shall explain his ruling and the reasons for his ruling.

(2) The appellant shall explain his reasons for protesting the ruling.

(3) The board may request further information from any county official, including, but not limited to the county executive, county commissioners, or committee members, the county attorney, or the county planning staff. The board will not have the power of subpoena.

(4) The board will deliberate and render a decision by a majority vote.

Decisions will be reduced to writing and copies shall be sent to all parties and shall become a part of the minutes of the board. Decisions of the board of adjustment and appeals shall be final, except that either the building official, or the person aggrieved may seek review of the board's actions by certiorari and supersedeas to the chancery court of Williamson County, Tennessee, provided that an application to the court is made within sixty (60) days of the written decision of the board.

As amended by: Private Acts of 1990, Chapter 173.

SECTION 12. The authority to impose this privilege tax on new development in Williamson County is in addition to all other authority to impose taxes, fees, assessments, or other revenue raising or land development regulatory measures granted either by the private or public acts of the state of Tennessee and the imposition of such tax, in addition to any other authorized tax, fee, assessment or charge, shall not be deemed to constitute double taxation.

As amended by: Private Acts of 1990, Chapter 172

SECTION 13. The provisions of this act shall in no manner repeal, modify, or interfere with the authority granted by any other public or private law applicable to Williamson County. This act shall be deemed to create an additional and alternative method for Williamson County to impose and collect taxes for the purpose of providing public facilities made necessary by new development in the county.

As amended by: Private Acts of 1990, Chapter 172

SECTION 14. If any provisions of this act or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of the act which can be given effect without the invalid provision or application, and to that end the provisions of this act are declared to be severable.

As amended by: Private Acts of 1990, Chapter 172.

SECTION 15. This act shall have no effect unless it is approved by a two-thirds (2/3) vote of the county legislative body of Williamson County before October 1, 1987. Its approval or nonapproval shall be proclaimed by the presiding officer of the county legislative body and certified by him to the secretary of state.

As amended by: Private Acts of 1990, Chapter 172

SECTION 15. For the purpose of approving or rejecting the provisions of this act, it shall be effective upon becoming a law, the public welfare requiring it. For all other purposes it shall become effective upon being approved as provided in Section 14.
