# Court System - Historical Notes

## **Board of Jury Commissioners - Jurors**

The following acts once affected jurors or boards of jury commissioners in White County, but are no longer operative. Also referenced below are acts which repeal prior law without providing new substantive provisions.

1. Acts of 1806 (Ex. Sess.), Chapter 11, provided that any householder or any person holding land by bond or entry, was competent to serve as a juror, in the same manner as if they were freeholders.
2. Acts of 1817, Chapter 128, declared it to be lawful for Justices of the Peace in Davidson, Smith, Franklin, Rutherford, Maury, Lincoln, Giles, Overton, Bedford, Wilson, Hickman, Sumner, Stewart, Humphreys, Williamson, White, Montgomery, Warren, Robertson, and Dickson Counties to levy a tax at their first session in each year for paying an additional compensation to jurors but the added pay shall not exceed fifty cents per day.
3. Private Acts of 1947, Chapter 493, created a three member Board of Jury Commissioners for White County, who would be discreet, freeholders, not lawyers, state or county officials, had no suit pending or any interest in one, and who would be appointed by the Judge of the Circuit or Criminal Courts. No more than two could belong to the same political party. Vacancies were to be filled in the same way. They would be sworn and pick one of their number as Chairman, the Clerk of the Circuit Court serving as their Clerk. The board would pick 500 names, or more if ordered, from the tax rolls, or other sources of public information, verifying the entire list when completed, and writing the names on separate slips of paper, which list shall be the Jury List until it becomes necessary to select another group. The slips would be deposited in a box, which would be locked, sealed, and kept in custody of the Clerk, which seal shall only be broken on the order of the Judge, and in the presence of at least two Commissioners. From 25 to 30 days prior to the opening of Court, a child under ten years of age, or a blindfolded person shall draw from the box the number of names ordered by the Judge which shall be the Jury List for that term, or for the time specified. The Judge shall not be confined to that list in the selection of a Grand Jury and the Judge of the Criminal Court could select special Juries, or panels, when needed. The Sheriff summoned the jurors who could be excused only by the Judge. After serving, the names of those doing so would be kept in a special envelope for three years and then returned to the box. The Commissioners were to be paid \$3 per day for each day actually spent in the performance of their duties hereunder.
4. Private Acts of 1949, Chapter 92, stated that, after the effective date, all jurors serving as such in White County in a court of record shall be paid at the rate of \$4 per day for each day's attendance at the Courts which shall include all petit and Grand Jurors in all the courts. This Act will have been superseded by current state law which pays jurors more than this amount.
