SECTION 1. Any person or persons, firms or corporations desiring to erect or have erected, constructed, or reconstructed, any building or structure in Union County, or any person or persons, firms or corporations desiring to alter or have altered any existing building or structure in Union County, where the value of such alteration will exceed the sum of one thousand dollars (\$1,000.00), shall first apply to and obtain from the Tax Assessor of Union County for a building permit for such erection, construction, reconstruction, or alteration. Said application shall be in a form to be prescribed by the County Tax Assessor and shall contain the following information: (1) whether the proposed work is to be new construction or the alteration of an existing structure; (2) the location or address of the proposed construction or alterations; (3) the identity of the owner or owners of the premises; (4) the estimated cost of the completed structure in the case of new construction, or in the case of alteration of an existing structure, the estimated value of such structure before and after such alteration; and (5) such other information as the County Tax Assessor shall prescribe. Upon proper application, duly filed, the County Tax Assessor shall then issue a building permit and shall take note of the fact of such erection, construction, reconstruction, or alteration for his tax records. No new or additional property tax shall be assessed against such premises unless and until the same are completed or at least completed to the extent that they are habitable or may be put to use. However, in the case of the alteration of an existing structure not theretofore on the tax books of the county, or against which no property tax has been assessed, the County Tax Assessor is not precluded from assessing such structure at its value before such alteration is completed and subsequently increasing the assessment upon completion of such alteration, so as to include the value thereof within the current taxable year.

SECTION 2. The county building permit required herein shall not be required in any parts of the county, or the cities therein, wherein a building permit is required under county or city zoning or building laws, provided copies of such permits are made available to the office of the County Tax Assessor, but all parts of the county, including the cities of Luttrell and Maynardville, continue to be subject to the permit requirements of this law so long as and during such time as zoning or building construction permits are not required and enforced in such areas, or if these areas and cities fail to make copies of the required permits available to the office of the County Tax Assessor of Union County.

SECTION 3. The County Assessor of Properties shall be entitled to a fee for the issuance of each building permit. The amount of the fee shall be set by the county legislative body for Union County, and shall not exceed the following:

- (1) The sum of two hundred twenty-five dollars (\$225) for residential construction, including homes and the setup of new and used mobile homes; and
- (2) The sum of four hundred fifty dollars (\$450) for commercial construction which shall include a unit or development of more than two (2) residential units.

As amended by: Private Acts of 2005, Chapter 31.

SECTION 4. Any violation of any of the provisions of this act shall be punishable upon conviction thereof by a fine of not less than twenty-five dollars (\$25.00) nor more than fifty dollars (\$50.00).

SECTION 5. This act shall have no effect unless the same shall have been approved by two-thirds ($\frac{2}{3}$) vote of the Quarterly County Court of Union County on or before the next regular meeting of such court occurring more than thirty (30) days after its approval or non-approval shall be proclaimed by the presiding officer of the body having jurisdiction to approve or the reverse, and shall be certified by him to the Secretary of State.

SECTION 6. For the purpose of approving this act as provided in Section 2, it shall take effect on becoming a law, the public welfare requiring it, but the provisions hereof shall not be effective until July 1, 1973.

The term of membership shall be four (4) years. In the event of a vacancy in office resulting from death, resignation, refusal to serve, or otherwise, of a member appointed by a circuit court judge, a chancellor, or a general sessions judge, such vacancy shall be filled for the balance of the term by the judge or his successor in office who made the original appointment of that library commissioner. In the event of a vacancy in office resulting from death, resignation, refusal to serve, or otherwise, of a member elected by the county commission, such vacancy shall be filled for the remainder of the term by the county commission. Each library commissioner shall serve until his successor is appointed and assumes the duties of office after taking an oath to faithfully fulfill the duties of the office.

SECTION 2. The purpose of the library commission shall be to establish, acquire, maintain and operate a county governmental library. The commission shall have full power and authority to acquire by purchase, gift, rent, lease, loan or otherwise, law books, codes, treatises, periodicals or other works of law, government, medicine, literature or other written materials that they may deem necessary or beneficial to the courts, and to state, county and municipal officials, members of the bar and the public; for research or use in the preparation, trial, or decisions of any matters that come or may come before the courts of the county and state; or of use by public officials or the public, on questions of law or government. SECTION 4. The library commission shall have full power and authority to raise sufficient operating funds, to assess lawyers and others, except judges and public officials, reasonable dues or charges for the use of the library, and to make charges for the use, damage or destruction of books or other property. However, this act was disapproved by the quarterly county court and therefore did not become a law.

County Mayor

The references below are of acts which once applied to the office of county judge, or county executive in Union County. They are included herein for historical purposes only. Also referenced below are acts which repeal prior law without providing new substantive provisions.

1. Acts of 1855-56, Chapter 253, created the office of county judge for every county in the state requiring him to be learned in the law and elected by the people to a four year term, and to meet other qualifications as written. The quorum courts were abolished and all their obligations given to the judge. The sessions of the court, the jurisdiction and power of the court, the responsibilities of the clerk, who would be the circuit court clerk, and the judge's duties as financial officer are all specified in detail. This act was repealed by Public Acts of 1857-58, Chapter 5, and the courts were returned to their former status.
2. Private Acts of 1901, Chapter 201, created and regulated the office of county judge for Union

County. This act was amended by Acts of 1905, Chapter 84, which added \$150 per year compensation for the county judge for his doing the work of financial agent for the county, this being in addition to his salary as county judge. Private Acts of 1913, Chapter 105 also amended Private Acts of 1901, Chapter 201, Section 5, by increasing the salary of the county judge at \$150 per annum; and \$350 per year as financial agent to Union County. Private Acts of 1901, Chapter 201, was repealed by Private Acts of 1921, Chapter 767.

4. Private Acts of 1935 (Ex. Sess.), Chapter 93, provided that the county judge of Union County for his services as county judge and financial agent would be paid \$750 annually in monthly installments from the county treasury. The purpose of the legislature was declared to be to increase the salary as financial agent so that the total sum of \$750 annually would be paid. This act was amended by Private Acts of 1943, Chapter 418, by increasing the combined salaries of the county judge, as specified in the amended act, from \$150 to \$900 annually. Chapter 418 was amended by Private Acts of 1947, Chapter 119, which increased the salary of the Union County Judge to \$1,200 per annum. General References

The following private or local acts constitute part of the administrative and political history of Union County but are today no longer operative because they have either been superseded, repealed, or failed to receive local approval. Also referenced below are acts which repeal prior law without providing new substantive provisions.

1. Acts of 1861 (Ex. Sess.), Chapter 24, declared that Union County would form one regiment to be known as the one hundred-sixty second regiment and be attached to the fourth brigade of the state militia. The militia officers holding the highest rank and command in Union County shall at a predetermined time and place call all officers together and hold elections as the law requires for battalions and companies as these officers may lay off for Union County.
2. Private Acts of 1933, Chapter 643, recited that the state was suing John B. Sharp and his sureties, a former trustee of Union County, for balances due Union County on various accounts; that the county court had authorized a settlement of these account with the current trustee which all had mutually agreed upon; and, because the said John B. Sharp did not keep accurate records of disbursements, a significant injustice could be done to his sureties. Therefore, the action of the county court in directing and authorizing a settlement to be made and the affair closed is ratified and confirmed in all things if the said conditions of the same as directed therein are met in full by all parties.

2. Public Acts of 1899, Chapter 315, permitted the quarterly court of Union County to issue up to \$50,000 in 6%, 50 year bonds, to build macadamized roads in the county as the county court may direct, the details were fixed, the tax levy required, and the county judge, or chairman, was given the responsibility to keep accurate and permanent records of all transactions connected with the issue and the projects.

1. Private Acts of 1868-69, Chapter 8, regulated ferriages by permitting anyone to build or erect a ferry on Powell or Clinch Rivers at any place in Union County where these rivers ran, provided that boats were built according to the act's specifications and maintained in good order. The banks of the river were also required to be kept in good condition. No toll rates could be charged until an affidavit of compliance with this law was filed with the county court clerk. The county court set the rates to be charged, and anyone removing a boat could be sued for damages. Mail carriers and jurors for the courts were given special attention and every effort would be expended in their behalf despite weather or other conditions.

Private Acts of 1913, Chapter 263, regulated the laying out, constructing, repairing and working of all amended by Private Acts of 1915, Chapter 368, which made it the duty of the district road commissioner to appoint overseers for the road sections instead of the county court. The county court would fix the time for working on the roads but in the event they did not, the overseer could do so. Road hands would be given credit for work whether done in their district or not and taxes would not apply to fractions of the \$100.00 property valuation.
