Elections - Historical Notes

Districts - Reapportionment

The act listed below once affected the civil districts in Trousdale County, but is no longer operative regarding elections.

1. Private Acts of 1955, Chapter 184, redistricted part of Trousdale County, defining the Seventh Civil District as all the territory of the present Seventh Civil District lying east of the center line of Little Goose Creek. The new 8th Civil District consisted of all the territory of the present 8th Civil District plus that part of the old 7th District lying west of Little Goose Creek, all being subject to the approval of the electorate in a referendum. This Act was also rejected by the people of Trousdale County rendering it null and void.
