Adequate Facilities Tax

Private Acts of 1999 Chapter 57

WHEREAS, Sumner County, Tennessee, has been one of the fastest growing counties in the State for the past ten years, having been impacted by the rapid growth in the standard metropolitan area of Nashville; and WHEREAS, anticipated continued growth from the expansion of Nashville is expected to accelerate; and WHEREAS, this growth is anticipated to stimulate commercial, office, industrial and warehouse development in Sumner County as well as the incorporated cities of Gallatin, Hendersonville, Millersville, Mitchellville, Portland, Westmoreland and White House, all lying within Sumner County; and WHEREAS, the projected non-residential development and the availability of jobs is anticipated to stimulate a significant demand for new dwelling units in Sumner County; and WHEREAS, current projections show that:

- (1) County population will be 147,700 persons in the year 2010, an increase of more than forty-three percent (43%) from 1990 to 2010; there will be a demand for approximately 15,000 additional dwelling units between 1990 and 2010; and new residential and non-residential development will consume additional acreage in Sumner County;
- (2) Projected growth and land use development will cause a demand for county provided capital facilities (schools) in an amount well in excess of \$20 million over the next four (4) years alone; and
- (3) The county's present revenue-raising authority is limited and relies heavily on intergovernmental transfers which are not subject to county control and on property taxes, which would impose the costs of new growth on existing residents rather than on new residents and businesses creating the demand for the additional expenditures; and

WHEREAS, Sumner County is committed to both present and future county residents to maintaining a level of public facilities and services commensurate with those presently provided and WHEREAS, Sumner County is prepared to impose a fair, equitable and reasonable share of the costs of providing the necessary public facilities and services on existing residents of the county; and WHEREAS, the county's present population employment base, tax base and budget cannot alone support the additional revenues needed to supply facilities to serve new growth without a substantial increase in the property tax rate on existing development; and WHEREAS, the continued expansion of the Nashville metropolitan area represents both an extraordinary economic opportunity for the State of Tennessee as well as a potential economic burden on the existing residents of Sumner County; and WHEREAS, due to these unique circumstances, it is necessary and appropriate that Sumner County be given authorization to extend its taxing power to enable the county to impose a fair and reasonable share of the costs of public facilities necessitated by new development on that development so as not to create an unfair and inequitable burden on existing county residents; and WHEREAS, there is precedent in the State of Tennessee for such additional tax measures to impose costs on those who benefit from improvements and where the result would otherwise be to impose an unfair burden on existing residents; and WHEREAS, the most logical and effective mechanism to accomplish the intended result would be the imposition of a new privilege tax on new development in Sumner County and to use the revenues from such tax to provide the needed public facilities in those areas of Sumner County that would generally be required due to the growth in that area; now, therefore, BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

The authority to impose this privilege tax on new development in Sumner County is in addition to all other authority to impose taxes, fees, assessment, or other revenue-raising or land development regulatory measures granted either by the private or public acts of the State of Tennessee and the imposition of such tax, in addition to any other authorized tax, fee assessment or charge, shall not be deemed to constitute double taxation.

Appeals shall be heard by the Sumner County Board of Construction Appeals. Hearing shall be scheduled within forty-five (45) days of the written request for appeal. The Board of Construction Appeals shall act as a quasi-judicial body whose purpose is to determine the intent of this act, its applicability to the appellant, and to rule upon the interpretation of the official. The board will not be bound by formal rules of evidence applicable to the various courts of the State. Hearings before the board shall proceed as follows:
 - (1) The county building official shall explain his ruling and the reason for his ruling.
 - (2) The appellant shall explain his reasons for protesting the ruling.
 - (3) The board may request further information from any county official, including, but not limited to, the county executive, county commissioners, or the committee members, the county attorney, or the county planning staff. The board will not have the power of subpoena.
 - (4) The board will deliberate and render a decision by a majority vote. SECTION 12. The provisions of this act shall in no manner repeal, modify, or interfere with the authority granted by any other public or private law applicable to Sumner County. This act shall be deemed to

create an additional and alternative method for Sumner County to impose and collect taxes for the purpose of providing public facilities.

SECTION 13. If any provision of this act or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of the act which can be given effect without the invalid provision or application, and to that end the provisions of this act are declared to be severable.

SECTION 14. This act shall have no effect unless it is approved by a two-thirds (2/3) vote of the County Legislative Body of Sumner County. Its approval or non-approval shall be proclaimed by the Presiding Officer of the County Legislative Body and certified by such officer to the Secretary of State.

SECTION 15. For the purpose of approving or rejecting the provisions of this act, it shall be effective upon becoming a law, the public welfare requiring it. For all other purposes, it shall become effective as provided in Section 14.
