Cigarette Tax

Private Acts of 1955 Chapter 295

SECTION 1. That all Counties within the State of Tennessee having a population according to Federal Census of 1950 of 482, 393 or more and all incorporated Cities within such Counties be and they hereby are authorized to levy a privilege tax upon the purchase at retail of cigarettes of One Cent per package containing 20 or less cigarettes and for packages containing more than 20 cigarettes at the rate of One Cent for each 20 cigarettes or fraction thereof; said tax so levied being a privilege tax upon the consumer of said cigarettes to be collected as hereinafter provided.

SECTION 2. Definitions: For the purposes of this Act:

(a) The term "retailer" means a person who sells cigarettes for consumption and not for resale.

(b) The term "wholesaler" means the person who sells cigarettes to retailers and shall include distributors, manufacturers or any other person making sales to retailers.

SECTION 3. That the tax imposed under the authority of this Act by any County shall be levied upon the retail purchases of cigarettes made in such County from retailers whose places of business are located in the portions of such County outside the boundaries of any incorporated City. A County may if it shall so determine, by appropriate resolution, levy the tax herein authorized upon all purchases of cigarettes within any City in the County which shall have failed to itself levy said tax on purchases within its boundaries, but shall not levy said tax within any city which has levied the tax within its boundaries. The tax levied by the action of the Government of any incorporated City within such County shall be levied only on the retail purchases of cigarettes made from retailers whose places of business are located within the City Limits of such incorporated City imposing such tax by the authority of this Act.

Any City within a County having a population of 482, 393 or more according to the Federal Census of 1950 or any subsequent census may cause the provisions of this Act to become effective within its boundaries, even though the County itself or other Cities within such County, have failed to do so.

SECTION 4. That said tax shall be added by each and every wholesaler who sells cigarettes to retailers within such Counties and Cities, to each invoice for cigarettes sold to a retailer within a County or City which shall have levied the tax under the authority hereof and shall be collected by such wholesaler from such retailer and remitted to said Counties and Cities as may be entitled thereto as hereinafter set out. Each such retailer shall include the amount of such tax paid by him to the wholesaler in the retail price charged by him to the consumer on each and every package of cigarettes sold.

SECTION 5. That it shall be unlawful for any retailer to sell any cigarettes within a County or a City which has adopted the provisions of this Act and levied the tax herein authorized without collecting the tax hereby authorized and each separate sale without the collection of such tax is hereby made a separate offense, punishable as hereinafter provided.

SECTION 6. That the tax hereby levied shall be remitted by all wholesalers who sell cigarettes within Counties and Cities which have adopted the provisions of this Act to the County Court Clerk, in the case of the County, and to that official who is charged with the duty of collection of privilege taxes within such City, or such other officer as may by resolution or ordinance be charged with the duty of collection thereof, said tax to be remitted to such officer not later than the 20th day of each month for the preceding month. The wholesaler is hereby required to collect the said tax from the retailer at the time of delivery of all cigarettes on which said tax is levied, and if credit be granted by the wholesaler to the retailer then the obligation to all Counties and Cities entitled to said tax shall be that of the wholesaler. The County Court of any County or the governing body of any City which has adopted the provisions of this Act is hereby authorized and empowered by Resolution in case of the County and by Ordinance in case of a City to provide reasonable rules and regulations for the implementation of the provisions of this Act. Without limitation upon the provisions of such Resolution or Ordinance such Resolution or Ordinance may provide for the making of a monthly tax return by the wholesaler under oath with such number of copies thereof as may be reasonably required by the collection of said tax and including such facts and information as may be deemed reasonable for the verification of the tax due and may provide for and require access to the pertinent records of all wholesalers at reasonable times. Such Resolution or Ordinance may likewise require the placing or printing by the wholesaler of a stamp upon each package of cigarettes showing the payment of said tax and in the event such provision is made then such stamps may be printed and sold by such Counties and such Cities to wholesalers. Such Resolution or Ordinance may also exempt from the tax herein provided all purchasers of cigarettes made upon any military base, post, hospital or other

military establishment of the United States of America. A County and a City within the County or two or more Cities within a County may contract with each other for the purpose of adopting common methods, measures, agencies, rules and regulations for the collection of their several taxes.

SECTION 7. That if the Counties and Cities levying the tax herein authorized shall elect by Resolution or Ordinance to provide and sell stamps to be affixed to packages of cigarettes, or shall elect by Resolution or Ordinance to permit the wholesaler to print a stamp on each package of cigarettes indicating the payment of the tax due thereon, it shall then be unlawful for a retailer or a consumer to have in his possession with such County or within such City any package or packages of cigarettes which are not so stamped or printed, and the possession of each and every package of unstamped cigarettes by a retailer or a consumer shall constitute a separate offense under the provisions of this Act, punishable as provided hereinafter.

SECTION 8. That each violation of any provision of this Act shall be punishable by a fine of not less than \$50.00 nor more than \$500.00.

SECTION 9. That each County and each City adopting the provisions of this Act may by Resolution or Ordinance, as the case may be, allow the wholesaler a discount of not to exceed 5% of the Tax collected by him as compensation for affixing or printing stamps, making reports and such other services as may be required of the wholesaler in the administration of the provisions of this Act.

SECTION 10. That if any portion of this Act shall be held invalid the remaining portions hereof shall not be affected.

SECTION 11. That this Act shall become effective as to any County or any City coming within the provisions hereof when the same shall have been approved by the County Court, in the case of the County, or by governing body of a City, in the case of a City, coming within the provisions hereof, by a vote of not less than two-thirds of the members of the County court or the governing of a City, as the case may be, such approval to be made by said County Court or said governing body of a City, as the case may be, within 60 days after the sine die adjournment of the General Assembly of the State of Tennessee for the year 1955, the public welfare requiring its becoming effective at that time, and this Act shall not become effective as to any County or any City before such approval by such County Court, in the case of a County, or such governing body of a City, in the case of a City. The initial Resolution adopted by the County levying said tax shall be adopted not more than thirty (30) days after approval by the Quarterly County Court as provided in Section 12 of this Act; and said initial Resolution shall set the effective date of the tax which shall not be more than thirty (30) days after adoption of the initial Resolution, and shall further state the purpose of said tax to be the construction of an addition to the public Auditorium, or of additional facilities adjacent to the public Auditorium, in the nature of a convention center, for conventions, exhibitions, meetings or similar large gatherings. Revenue from this tax shall be credited to a County Fund entitled, "The Auditorium Fund", under jurisdiction of the Chairman of the Quarterly County Court, and all such expenditures therefrom shall be for the stated purpose as provided in the County Resolution levying said tax. In the event that capital expenditures for construction of such facilities are made by the County alone, the revenue from this tax shall first be applied to payment of all bonded indebtedness, principal and interest and the expenses of the bond sale or sales incurred by the County for construction of such facilities; thereafter, the revenue from this tax shall be applied to reimburse the County in full for any and all capital expenditures by the County for construction of such facilities, made or financed by means other than bonded indebtedness, including but not limited to capital expenditures from general revenue, sinking fund for capital improvements and contributions in-kind of real or personal property. In the event that a municipality within the County shall participate jointly with the County in the contribution of capital expenditures for construction of such facilities, the revenue from this tax shall be applied and allocated as follows:

(a) The revenue from such tax shall first be applied to payment of bonded indebtedness, principal and interest including expenses of the bond sale or sales, incurred by both the County and the municipality, or by either of them, for construction of such facilities and such revenue shall be allocated between the County and the municipality in such amounts necessary to meet the fiscal debt service requirements each year of both if there be sufficient funds. Such allocation shall be based upon actual bonded indebtedness incurred for such purpose, without deduction or offset due to any grant, credit or benefit which either government entity may be entitled by law to receive in connection with or as a result of such capital expenditures, such as but not limited to any grant, credit or benefit accruing under provisions of federal housing and urban renewal statutes. The Chairman of the Quarterly County Court under whose jurisdiction shall be the Auditorium Fund as provided herein shall, excluding the first year in which this tax shall be levied and beginning June 30 of each year subsequent thereto or as soon as practicable thereafter but in no event more than ninety (90) days, calculate and pay over to the municipality that amount due such municipality from the proceeds of this tax levy during that fiscal year currently ending. Revenue derived from the levy of this tax during the first year in which said tax is levied shall be carried over for use in the next ensuing fiscal year in the payment of the allocable amounts to the County and the municipality in accordance with the provisions of Section 10 hereof where applicable.

(1) If at the close of any fiscal year, the revenue from such tax shall not be sufficient to meet the total debt service of both the County and the municipality for bonded indebtedness incurred for construction of such facilities, the available revenue from this tax shall be allocated between the County and the municipality in the same direct proportion as such bonded indebtedness of each bears to the total of such bonded indebtedness of both, calculated upon the basis of the total principal amount of all such bonds which have been issued by the County and the municipality at any time prior to the close of that fiscal year provided further, that the balance, if any, of such debt service of either the County or the municipality not paid by revenue of this tax at the end of each fiscal year shall be accumulated by each in a separate account (hereinafter referred to as "deficit account") which shall bear simple interest at the same rate as the bonds issued by each such governmental entity for construction of such facilities.

(2) If the revenue from such tax in any fiscal year exceeds the total of such debt service requirements for that year, such surplus revenue thus accruing may be retained by the Chairman of the Quarterly County Court as a sinking fund for such future debt service requirements or such surplus may be applied to the reduction of the deficit accounts of the County and the municipality in the same proportion as provided in sub-section (a) (1) hereof.

(3) In the event the total bonded indebtedness incurred for construction of such facilities by either the County or the municipality shall become paid in full as to bond principal and interest, including expenses of the bond sale or sales, and some portion of such bonded indebtedness of one governmental entity remains unpaid, then that governmental entity whose bonded indebtedness has been satisfied in full shall cease, for the time being, to share in the revenue of this tax, and the total revenue from this tax shall be applied toward payment of such outstanding bonded indebtedness of the other governmental entity. For purposes of this subsection (a) (3) only, the bonded indebtedness of either the County or the municipality shall be considered paid in full whenever the bonded indebtedness obligation to the holders of such obligation shall have been satisfied in full, even though such obligations may have been paid in part from sources other than the revenue from this tax.

(b) Upon the total of such bonded indebtedness of both the County and the municipality being paid in full, principal and interest, including expenses of the bond sale or sales, then the revenue from this tax, together with any surplus revenue accumulated in accordance with subsection (a) (2) hereof, shall next be applied to the County and the municipal accumulated deficit accounts as provided in sub-section (a) (1). For purposes of this sub-section (b) only, the revenue and surplus, if any, shall be allocated between the County and the municipality in the same direct proportion that such deficit account of each bears to the total of such deficit accounts of both governmental entities. Upon one of such governmental entities being reimbursed in full, both principal and interest on such deficit account, with a balance of the deficit account of the other governmental entity remaining unreimbursed, then the total revenue from this tax shall, for the time being, be applied to reimbursement of the deficit account of that governmental entity whose account remains unpaid.

(c) When both the County and the municipality shall have been reimbursed in full, principal and interest for such deficit accounts, in accordance with sub-section (b) hereof, then the revenue from this tax shall next be applied to reimburse both the County and the municipality for capital expenditures for construction of such facilities made from sources other than the proceeds of bonded indebtedness, including but not limited to, capital expenditures made from general revenues, sinking funds for capital improvements, and contributions in-kind of real or personal property. For purposes of this sub-section (c) only, the revenue from this tax, together with and including any surplus in the Auditorium Commission Fund, if any there be, shall be allocated fifty percent (50%) to the County and fifty percent (50%) to the municipality. When either of such governmental entities shall be reimbursed in full for all of such capital expenditures for construction of such facilities, then the total revenue from this tax shall be applied to reimbursement of the other governmental entity for such capital expenditures. At the later of: (i) such time as the original issue of bonds issued to finance the construction of the Cook Convention Center and any bonds issued in accordance with subsections (e) and (f) of Section 10 hereof shall become paid in full as to both principal and interest and (ii) June 30, 2015, the taxing resolution shall be repealed and the tax shall no longer be levied; provided further that any funds remaining in "The Auditorium Fund", after all obligations imposed under the provisions of this act shall have been fulfilled, shall be paid into a trust fund restricted to those uses in subsections (d), (e) and (f) of Section 10 hereof.

(d)

(1) Through Fiscal Year 2025 ending June 30, 2025, subject to the availability of funds, the Convention and Visitors Bureau or its successor agency (the "CVB") shall receive an amount of three million three hundred thousand dollars (\$3,300,000) for Fiscal Year 1995-1996; provided further, that subject to the availability of funds, the amount of such funding shall increase by five percent (5%) per annum for each fiscal year thereafter until the tax provided for herein shall no longer be levied. Subject to the restrictions and conditions set forth herein, the Memphis City Council and the Board of County Commissioners may appropriate all excess revenues derived from the levy of the tax provided for herein for the funding of the Convention and Visitors Bureau or its successor agency.

(2) Notwithstanding subdivision (d)(1), if the revenues of such tax are not sufficient to generate eleven million four hundred thousand dollars (\$11,400,000) for Fiscal Year 2025 ending June 30, 2025, to cover the County's commitment to fund the required annual debt service for either a new or substantially renovated indoor sports facility owned by a sports authority pursuant to Tennessee Code Annotated, Title 7, Chapter 67, in which a National Basketball Association franchise is a tenant (including any refinancing or additional bonds

issued, the "New Arena Bonds") plus the County's requirement to cover capital expenses and a ticket shortfall for the existing FedEx Forum, then the difference between eleven million four hundred thousand dollars (\$11,400,000) and the actual amount the County receives shall be refunded to the County by the CVB.

(e)

(1) For Fiscal Year 2026 commencing July 1, 2025, the revenues produced by this tax after subtracting any administrative fee charged by the Shelby County Clerk shall be allocated as provided in subdivision (e)(2). In return for this funding, the CVB will provide two (2) seats on its Board of Directors for individuals nominated by the Shelby County Mayor and approved by the Shelby County Board of Commissioners.

(2) Commencing July 1, 2025, the revenues of the tax shall be allocated annually as follows:

(A) The first thirty-five and three-quarters percent (35.75%) shall be allocated to the CVB.

(B) After the CVB has received its share pursuant to subdivision (e)(2)(A), up to a maximum amount of eleven million four hundred thousand dollars (\$11,400,000), plus an increase based upon the growth of the revenues of the tax, if any, shall be allocated to cover the County's commitment to fund the required annual debt service for the New Arena Bonds plus the County's payment requirements, including, without limitation, capital expenses and ticket shortfall, under that certain Arena Use and Operating Agreement by and among the County, the City of Memphis, the Memphis and Shelby County Sports Authority, Inc., and Hoops, LP., and that certain Arena Operations Shortfall Agreement by and between the Memphis and Shelby County Sports Authority, Inc., and Memphis Basketball, LLC, including any amendments, supplements, and successor agreement to the foregoing agreements. As an example, if hotel occupancy tax revenues increase in Fiscal Year 2026 by two percent (2%) over the Fiscal Year 2025 revenues, then the County's initial share of the revenues of the tax would be eleven million six hundred twenty-eight thousand dollars (\$11,628,000).

(C) The remainder of the revenues of the tax up to sixty-one and one-quarter percent (61.25%) of the revenues of the tax shall be allocated to the CVB.

(D) Any remaining hotel occupancy taxes shall be allocated to the County for any purpose permitted under this Private Act.

(E) Upon the retirement of the New Arena Bonds, sixty-one and one-quarter percent (61.25%) of the revenues of the tax will be allocated to the CVB and thirty-five and three-quarters percent (35.75%) will be allocated to the County for any purpose permitted under this Private Act.

(F) The County and the CVB shall have the authority to enter into any agreements necessary to effectuate the purpose of this section; provided, that such agreements do not conflict with the express provisions provided herein.

(f) If there be excess revenues remaining after each year's debt service on the existing and outstanding bonded indebtedness incurred by the city and the county for the construction of the existing Cook Convention Center, after funds have been provided to the Convention and Visitors Bureau or its successor agency as prescribed in Section 10, subsection (d) hereof, and after each year's debt service on the existing and outstanding bonded indebtedness (issued after January 1, 1995), in aggregate principal amount of not exceeding eleven million five hundred thousand dollars (\$11,500,000), incurred by the county for construction of improvements to the Pyramid Arena as prescribed in Section 10, subsection (e), such funds must be used for one of the following purposes or any combination thereof: (1) to fund the payment of any capital improvement project expenditures relative to the existing Cook Convention Center and Auditorium that have been made by the city and the county in the past, present, or the future, including, but not limited to, debt service, interest, and pro rata issuance costs which are additional to the construction costs or (2) to provide additional funding to the Convention and Visitors Bureau or its successor agency, or (3) to fund the operating deficit, if any, of the existing Cook Convention Center and Auditorium or (4) to the payment of capital, operating and maintenance expenditures incurred in connection with a sports facility, whether paid directly by the county or paid by the county to a third party under a use and operations agreement relating to a sports facility, or to the payment of bonded indebtedness, principal and interest including expenses of the bond sale or sales, incurred by the

city and county, or by either of them, for construction or modification of a sports facility, as designated by the Mayor of Memphis and the Memphis City Council and the Mayor of Shelby County and the Shelby County Board of County Commissioners or (5) to the payment of capital expenditures for public infrastructure that promotes tourism in the county.

As amended by: Private Acts of 1987, Chapter 85,

SECTION 11. Severability Clause. The provisions of this Act are hereby declared to be severable. If any of its sections, provisions, exceptions, or parts be held unconstitutional or void, the remainder of this act shall continue to be in full force and effect, it being the legislative intent now hereby declared, that this Act would have been adopted even if such unconstitutional or void matter had not been included herein.

SECTION 12. That this Act shall have no effect unless approved by a two-thirds ($\frac{2}{3}$) vote of the Quarterly County Court of any County to which this Act may apply not more than sixty (60) days subsequent to its approval by the Chief Executive of this State or after its otherwise effective date.
