The auditing commission in such counties hereinafter provided for shall be and is hereby authorized and empowered to determine the nature, extent and scope of the initial and annual audits hereinbefore permitted and authorized, but not mandatorily required, to be made.

SECTION 2. That, for each of such counties, there be and is hereby created a County Auditing Commission, composed of five (5) members, three of whom shall be members of the Quarterly County Court and two of whom shall be citizens and taxpayers at least twenty-one years of age who are not members of the Quarterly County Court. Each such County Auditing Commission shall elect the chairman and secretary thereof from its membership, and the compensation of the members thereof shall be Three Dollars (\$3.00) per day for every day said commission is in session; provided that, however, no member shall receive more than SeventyFive Dollars (\$75.00) in such compensation in any one year. Said compensation shall be paid by warrant of the County Judge or Chairman of the Quarterly County Court, as the case may be. Three members shall constitute a quorum for all purposes. The minutes of the meetings or sessions of said commission shall be recorded in a well bound book, and be safely kept by the secretary thereof, in which shall be recorded all action of the commission.

It shall be the duty of said commission, and said commission is hereby required, to employ and/or contract for the services of a certified public accountant or accountants to make the initial and subsequent annual audits that are mandatorily required to be made under the terms of Section 1 hereof, and to cause such audits to be made, and to supervise, manage, direct and conduct the same; and said commission is hereby authorized and empowered to employ and/or contract for the services of such accountant or accountants to make such additional initial and subsequent annual audits as are permitted and authorized, but not mandatorily required, to be made under the provisions of Section 1 hereof, and to cause such audits to be made, and to supervise, manage, direct and conduct the same.

The County Auditing Commission of such counties shall be authorized to expend for and in connection with the initial audits or either of them provided for in Section 1 hereof, not more than the sum of Five Thousand Dollars (\$5,000.00), and the Quarterly County Courts of such counties shall be and are hereby authorized and empowered to appropriate additional sums for the purpose of defraying the costs and expenses of or incident to the making of said initial audits or either of them, and shall be and are hereby

Said sum of \$5,000.00 to defray the costs and expenses of said initial audit or audits is hereby appropriated from and out of the general county funds of such counties, and shall be available for said purpose in all events, regardless of any budgetary or other provision therefor or restriction thereon and regardless of whether or not approved by the Quarterly County Courts of such counties; and, in the event said sum of \$5,000.00 shall be insufficient to defray the costs and expenses of said initial audit or audits, it shall be the duty of such County Auditing Commission to certify to the Quarterly County Court that additional funds are needed therefor. Necessary amounts of said sum of \$5,000.00 shall be expended upon order of the chairman of said commission, drawn on the County Judge or Chairman of the County Court, as the case may be, and it shall be the duty of such County Judge or Chairman of the County Court to issue warrants drawn on the County Trustee for payment of such expenditures. The unexpended portion of said sum of \$5,000.00 shall be returned to the general county fund.

The County Auditing Commission of every such county shall, on or before June 30, 1944, and on or before June 30th in each succeeding year, file with the County Judge or Chairman of the County Court thereof, as the case may be, for submission to and filing with the Quarterly County Court thereof at the next regular meeting or session thereof, a report of the activities of such commission for the preceding year.

The County Auditing Commission of every such county shall be a continuing body, and no audit nor audits provided for in this Act in the process of being made shall be discontinued, interrupted, or be otherwise interfered with or prevented, nor shall the validity, effect or enforceability of any contract entered into by said commission as provided for in this Act be in anywise affected, either by or on account of the expiration of the period or term for which any member thereof has been elected to serve or the election of the successors to the members of said commission or by or an account of the removal, ouster or resignation of said members or any of them.

SECTION 3. That it shall be the duty of said auditing commission so designated and appointed, as soon as practicable after the passage of this Act, to assume the duties of said commission under this Act, and, as soon as practicable after the passage of this Act, said commission so designated and appointed shall promptly proceed to employ and/or contract for the services of a certified public accountant or accountants to make the initial audit mandatorily required and the initial audit permitted and authorized, to be made under the provisions of Section 1 hereof, and forth-with to proceed to cause said audit or audits to be made and to supervise, manage, direct and conduct said audit or audits, until the successors to the members of said commission are elected as hereinafter in this Section provided for.

At the first regular meeting of the Quarterly County Court after the passage of this Act, the County Judge or Chairman shall designate the names of six members of the Quarterly County Court, from which number the Quarterly County Court shall elect three members of the County Auditing Commission; and at such time the County Judge or Chairman shall also designate the names of four citizens and taxpayers of said county, from which number the Quarterly County Court shall elect two members of said County Auditing Commission, the five members so elected to compose the County Auditing Commission herein provided for, who shall hold their respective offices until the regular July term or meeting of the Quarterly County Court in 1944, and/or until their successors shall have been duly elected or appointed and qualified as provided for elsewhere in this Act. Such appointments, however, shall be made from members of the Court and from citizens and taxpayers as hereinbefore provided in case of election by the Quarterly County Court.

Vacancies on said commission, whether occurring by reason of death, disability, resignation, ouster, removal or other cause whatsoever, shall be filled by the Quarterly County Court at its next regular meeting after such vacancy occurs, from persons designated by the County Judge or Chairman, two

designations or nominations to be made for each such vacancy, or appointed by the County Judge or Chairman in the event the Court fails to elect as hereinbefore provided, and such newly elected or appointed member or members shall hold their respective offices until the next regular July term of the Quarterly County Court, or until their successors are duly elected or appointed and qualified as herein provided.
