Court System - Historical Notes

Board of Jury Commissioners - Jurors

The following acts once affected jurors or boards of jury commissioners in Rutherford County, but are no longer operative. Also referenced below are acts which repeal prior law without providing new substantive provisions.

1. Acts of 1803, Chapter 73, listed the number of jurors each County in the Mero Judicial District must furnish to the Superior Courts thereof. The counties were Jackson County which would provide two jurors; Smith, four jurors; Sumner, six jurors; Wilson, three jurors; Rutherford, two jurors; Williamson, four jurors; Davidson, seven jurors; Robertson, four jurors; Montgomery, four jurors; Dickson, two jurors; and Stewart, two jurors.
2. Acts of 1806, Chapter 24, apportioned the number of jurors each County in the Mero District must furnish to the Superior Court. Davidson County must send twelve jurors; Sumner County, eight; Wilson County, six; Williamson County, eight; and Rutherford County, five.
3. Acts of 1812, Chapter 38, authorized Theophilus A. Cannon, James L. Armstrong, William W. Searcy, John Hoover, and Noble Warnick, or any three of them, to appoint a jury, or juries, for the next term of the County and Circuit Courts of Rutherford County, and to direct the Clerks of the Courts to record the names of those selected.
4. Acts of 1817, Chapter 128, authorized the Justices of Rutherford County to levy a tax for the purpose of providing additional compensation to the jurors attending the County and Circuit Courts. The additional compensation could not exceed fifty cents per day.
5. Acts of 1819, Chapter 67, declared it to be lawful after January 1, next, for the County Courts of Davidson, Sumner, Williamson, Giles, Rutherford, Bedford, and Maury Counties to appoint 37 jurors for each of the Counties named who would serve in the County and Circuit Courts. Jurors were bound to attend court under penalty and would be paid as other jurors were paid.
6. Acts of 1819, Chapter 134, permitted the County Courts of the County of Davidson, Williamson, Giles, Rutherford, and Maury to select 37 jurors for the County Court and the Circuit Court combined, making their compensation the same as other jurors.
7. Acts of 1833, Chapter 244, made it the duty and responsibility of the Rutherford County Court at their first session in each and every year to levy a tax sufficient to pay talisman jurors who might be compelled to serve according to recent acts passed by the General Assembly.
8. Private Acts of 1909, Chapter 334, created a Board of Jury Commissioners in Wilson and Rutherford County composed of three discreet people to be appointed by the Judges having criminal jurisdiction, who were not practicing attorneys, had no suit pending, and were residents of the County. No more than two could come from the same political party. The Commissioners must be sworn according to the oath in the Act, must select one of their number as Chairman, and would serve a one year term. The Circuit Court Clerk, after also being sworn, would serve as a Clerk to the Board. The Board would select from the tax rolls a number of names equal to 1/5 of the votes cast in the last Presidential election but in no case less than 250 nor more than 1,000, which names would constitute the Jury List for the next two years. The names must be listed alphabetically in a book provided by the County and the list certified by all three members of the Board and reported to the Circuit Court. The names must also be placed on cards, or scrolls, put into a box, locked and sealed. From 10 to 15 days before the term of Court opens, the box would be unlocked and a child under ten years of age would draw the number of names from the Box as was ordered by the Judge, or which would be sufficient to provide jurors. These names were to be kept, recorded, and reported to the Court. At least five days before Court opened the list was sent to the Sheriff who would summon them as jurors. The Grand and petit jurors would be selected from this number, none being excused except by the Judge. Provisions were included for special panels and to replenish an exhausted panel. The Commissioners would be paid \$2.00 per day for each day spent in discharge of this duty. This Act was repealed by Private Acts of 1951, Chapter 212. See *Wade v. State*, 191 Tenn. 573, 235 S.W.2d 583, (1951).
9. Private Acts of 1945, Chapter 339, fixed the compensation of every regular juror serving a Rutherford County at \$3 per day for each day's attendance as a juror.
10. Private Acts of 1951, Chapter 212, amended Private Acts of 1909, Chapter 334, by striking out the population figures referring to Rutherford County which would remove the County from the provisions of the Act establishing a Board of Jury Commissioners.
11. Private Acts of 1951, Chapter 213, created a three member Board of Jury Commissioners for

Rutherford County, writing in the same qualifications as the 1909 Act except that a School Board Member or a Justice of the Peace could not serve on the Board. Terms and conditions expressed follow those of the 1909 Act except the limitations placed on the number of names to be drawn were no more than 1,500 nor less than 1,000. Procedures to be followed in this Act in the selection of names were substantially the same as those described in the 1909 Act except that more records and reports were required to be kept. Some additional methods to replenish panels and to summon special jurors were incorporated. The Jury Commissioners would be paid \$4 for each day's service in that regard.

12. Private Acts of 1953, Chapter 236, amended Private Acts of 1951, Chapter 213, Section 4, by directing that jurors be selected from the civil districts in proportion to district population. Any source of information could be used in drawing up the jury list. Section 5 was amended to give the Judge more discretion in impaneling the juries by giving him the power to direct the Sheriff to go out into the County and summon a sufficient number to discharge the need, or the Judge may cause the Jury Box to be brought in and additional names withdrawn. Section 15 was amended to give the Commissioners \$10 per day up to two days and seven cents per mile for traveling, when sworn statements were filed to verify the same, as compensation for their services.
13. Private Acts of 1957, Chapter 206, stated that any person serving as a juror in Rutherford County would be paid \$6 per day for each day spent in service as such, except the Foreman of the Grand Jury, who would be paid \$10 for each day. This Act would apply to any and all jurors in the County, including the Juries of View, and Juries of Inquisition. This Act was properly ratified by the Quarterly Court.

General Sessions Court

The following acts once affected the general sessions court of Rutherford County, but are no longer in effect and are included herein for reference purposes.

1. Private Acts of 1947, Chapter 737, amended Private Acts of 1947, Chapter 384, Section 15, by increasing the amount to be paid to the Clerk of the General Sessions Court from \$1,000 to \$1,300 per annum. This entire Section was later ruled unconstitutional in *O'Brien v. Rutherford County*, 199 Tenn. 642, 288 S.W.2d 708 (1956).

2. Private Acts of 1957, Chapter 217, amended Section 11, Private Acts of 1947, Chapter 384, by increasing the annual salary of the Judge of the court from \$3,600 to \$6,500, and by adding a new paragraph at the end which stated that this increased amount would be and include the entire compensation to be paid to the Judge for all of his services. This Act was rejected by the Rutherford County Quarterly Court and consequently did not become an effective law.
3. Private Acts of 1963, Chapter 114, amended Section 2, Private Acts of 1947, Chapter 384, by adding a sentence to give concurrent jurisdiction to the General Sessions Court with the Circuit Court in divorces, habeas corpus proceedings, and workmen's compensation cases. Section 12 was amended with an added provision that the present Judge is the presiding Judge, and the Judge of Part I of the Court, who would assign cases, etc. The Act created a Part II of the General Sessions Court which would have a judge of equal jurisdiction and power, to be appointed by the Governor to serve until September 1, 1964. This Act was rejected by the Quarterly Court thus failing to become operative.
4. Private Acts of 1973, Chapter 1, would have created a Court of General Sessions, Juvenile Court and Probate Court of Rutherford County. Division I of three divisions would constitute the Court of General Sessions. This Act failed to receive local approval and never became effective.
5. Private Acts of 1973, Chapter 2, was in many respects identical to Private Acts of 1973, Chapter 1. This Act failed to receive local approval and consequently never became effective.
