Board of Education

The following acts once affected the board of education in Fentress County but are no longer operative.

1. Private Acts of 1937, Chapter 622, provided for the election of members of the County Board of Education for Fentress County. The Board consisted of five members who were to be elected from five districts. No two of whom could reside in the same district. Each member was to serve a two year term.
2. Private Acts of 1987, Chapter 39, amended this act by raising the Board Members compensation from \$15 to \$100 for each day's attendance up to six days. However, the act was not approved locally and did not become effective.
3. Private Acts of 2006, Chapter 121, amended Private Acts of 1972, Chapter 251, as amended by Private Acts of 1994, Chapter 160, and Private Acts of 1998, Chapter 149, relative to compensation of members of the county board of education in Fentress County. The act proposed to compensate members at a rate of \$100 per day for each day's attendance at meetings of the county board of education. This act never received local approval.

Superintendent or Director of Schools

The act referenced below once affected the office of superintendent of education in Fentress County, but is no longer operative.

1. Private Acts of 1937, Chapter 216, established the office of county superintendent of schools in counties having a population of not less than 11,030 nor more than 11,040 under the federal census of 1930 to be elected by the people at the regular biennial August elections, beginning the first Thursday in August, 1938, and every two years thereafter. Later, T.C.A. § 49-2-301(d) provided that county superintendents of schools be elected for four (4) year terms.

3. Private Acts of 1835-36, Chapter 100, gave the Fentress County Court authority to remove and replace any Trustee of the Mount Cumberland Academy, if in the discretion of the court it was believed that the safety of the Academy required such actions.
4. Acts of 1855-56, Chapter 267, authorized the school Trustees to pay out all school funds that might come into their hands from the sale of land to Fentress County, in the same manner as other funds received by them.
5. Acts of 1907, Chapter 143, created a special school district in the Fourteenth Civil District of Fentress County. The school was to be designated and known as "Wilder District No. 14". Dock Morgan, Alexander Boles and D. L. Sparks were appointed the School Directors. They were to serve until the next regular election for School Directors in Fentress County. The Trustee of Fentress County was authorized by this act to apportion this special school district all funds then on hand or funds to be collected for that District.
6. Acts of 1907, Chapter 217, created a school district in the First District of Fentress County to be known as the "Jamestown School District of Fentress County." W. W. Wood, J. T. Wheeler and J. L. The Trustee was authorized by this act to apportion to this school district its rate pro rata of all school funds or those funds that would come into his hands.
7. Acts of 1909, Chapter 494, required parents or guardians of children over eight years old and under fourteen years old to direct such children to attend some public school four months or eighty consecutive days each year. This act applied to Fentress and other Counties. Failure to comply with the provisions of this act was a misdemeanor. A fine of \$1 per day a child was absent was the penalty upon conviction. Cost of prosecution was to be paid out of the public school fund of the county. Those children enrolled in private or parochial schools, those who had covered the subjects required by law were exempted from the provisions of this act. Those children with a mental condition or those who were needed by the family to work were also exempt. This act was amended by Private Acts of 1911, Chapter 221. This amendment made the act applicable to counties have a population of not less than 90,000 and not more than 120,000 persons. Public Acts of 1978, Chapter 716, repealed Acts of 1909, Chapter 494 and the amendment, Private Acts of 1911, Chapter 221.
8. Private Acts of 1921, Chapter 807, exempted from any further examination all teachers in Fentress County who had forty consecutive years experience. Private Acts of 1927, Chapter 803, authorized the citizens of Fentress County who had taught in public schools not less than fifty consecutive years to be entitled to be enrolled by the County Board of Education upon a list to be known as County Teacher's Pension List provided they remain in Fentress County.

The Board consisted of five members who were to be elected from five districts. No two of whom could reside in the same district. Each member was to serve a two year term. This has now been superseded by the current law.

Chapter VII - Elections

Elections - Historical Notes

Districts - Reapportionment

The act listed below once affected the civil districts in Fentress County, but is no longer operative regarding elections.

1. Acts of 1903, Chapter 392, divided Fentress County into five Civil Districts. The new districts were to be composed of one or more old districts. The polling places would remain the same throughout the county. The act provided that an election be held for the purpose of electing Justices and Constables for each district.

Elections

The following is a listing of acts for Fentress County which affected the elective process, but which have been superseded or repealed. They are listed here for historical and reference purposes.

1. Private Acts of 1829, Chapter 129, provided that the comparing of votes in the election for Governor, members to Congress and members to the General Assembly would be held at the house of Henry Matlock in Overton County on the first Monday after the first Thursday and Friday in August for the Counties of White, Overton, Fentress and Jackson.
2. Private Acts of 1831, Chapter 69, authorized the proper officer to open and hold a precinct election at Rodgers' Store in Poplar Cove in Fentress County, for the purpose of electing field officers in Fentress.

The act provided for the election of two Justices of the Peace and one Constable for said District. Weder was designated as the voting precinct. These acts apparently had no effect since the same legislature subsequently redistricted the county into five Civil Districts. (See Acts of 1903, Chapter 392 found on the preceding pages of this volume).

Highways and Roads - Historical Notes

The following is a listing of acts which once had some effect upon the county road system in Fentress County, but which are no longer operative. Also referenced below are acts which repeal prior law without providing new substantive provisions.

1. Private Acts of 1826, Chapter 173, authorized John Brown and Robert Burke, as owners of the Cumberland Turnpike Road, to build and keep a gate on said road. The act authorized them to collect a road toll for each person using it. The owners had the duties of repairing the road and had the authority to change the direction of the road out of the counties of Fentress and Morgan.
2. Acts of 1843-44, Chapter 194, allowed the proprietor of Scott's Turnpike road to keep one gate in Fentress County.
3. Acts of 1845-46, Chapter 160, repealed Acts of 1843-44, Chapter 194, above, by making it unlawful for the proprietor to keep a gate upon Scott's Turnpike road.
4. Acts of 1849-50, Chapter 154, appointed William R. Campbell, David Hall, Sr. and Mitchell H. Frogge Commissioners of the Montgomery Turnpike Road.
5. Acts of 1901, Chapter 136, was a statewide road law for all counties in Tennessee under 70,000 in population. The County Court in each county would select a Road Commissioner at its January meeting for each road district. The road districts would be coextensive with the County Civil Districts. The act detailed the duties of the Road Commissioners and the road section overseers to be appointed by the Commissioners. Male residents of the County were subject to road work but could commute the duty by paying a fee. Prisoners of the County were also subject to road work. A tax levy was authorized not to exceed twenty cents per \$100 valuation.
6. Private Acts of 1913, Chapter 260, was the first road law for Fentress County enacted by private act. This act created a three member Board of Public Road Commissioners who were to have general supervision of the County's roads and bridges and also created the office of Superintendent of Public Roads who was to have personal, everyday supervision of the county road system. All of these officers were to be elected by the County Court. This was repealed by Private Acts of 1917, Chapter 193.
7. Private Acts of 1917, Chapter 291, was the first special road law for Fentress County. The County Court was authorized to select a Road Commissioner from each of the Civil Districts to serve two-year terms but those Commissioners then in office would continue until their terms expired. The Commissioners would be sworn and bonded, would lay off his district into road sections, classify the roads, appoint overseers and road hands to perform the work. A road tax was authorized from fifteen to thirty cents per \$100 valuation to be collected by the Trustee. All males between twenty-one and forty-five years of age would work not less than 5 nor more than 8 days to each man for road service at 9 hours per day.
8. Private Acts of 1919, Chapter 188, repealed Private Acts of 1917, Chapter 291, above. In addition, the act authorized the Quarterly County Court of Fentress County to select a Road Commissioner for each Civil District to serve a one-year term but those Commissioners then in office would continue until their terms expired. The Commissioners were required to be sworn and bonded before entering their duties. Each Commissioner had the duty to appoint overseers in the districts, who would serve a one-year term. A road tax was authorized from fifteen to forty cents per \$100 valuation to be collected by the Trustee. All males between twenty-one and forty-five years of age, could work between 3 to 8 days at 9 hours per day.
9. Private Acts of 1929, Chapter 173, returned to a form of county-wide supervision of the road system. This act created a County Highway Commission, to consist of the County Judge, the County Trustee and the County Court Clerk, with the County Judge acting as Chairman of the Commission. All authority that had been vested in County or District Road Commissioners or Bridge Commissioners was given to the County Highway Commission. The County Highway Commission was authorized by this act to employ a Superintendent of Roads whose duties would be those previously performed by the District Road Supervisors.
10. Private Acts of 1937, Chapter 212, amended Private Acts of 1929, Chapter 173, above, by

allowing the people to elect and fix the term of service, the qualification, bond and oath of members of the Commission.

11. Private Acts of 1943, Chapter 287, repealed Private Acts of 1929, Chapter 173, as amended by Private Acts of 1937, Chapter 212, both above.
12. Private Acts of 1943, Chapter 317, created the office of County Road Supervisor for Fentress County and placed supervision and control of the county roads in this office. The County Road Supervisor was to be elected by the Quarterly County Court for a one year term and no member of the County Court could serve as Road Supervisor. The County Road Supervisor had the authority to oversee construction, operation, maintenance and repair of the roads and were vested with the power of eminent domain. The County Road Supervisor was required to execute a bond. Compensation for the Supervisor was \$100 per month.
13. Private Acts of 1945, Chapter 526, created a County Highway Commission, composed of five members, one to be elected from each of the five Civil Districts by the voters of that District. The Commissioners were to select a Superintendent of Highways who would have day-to-day supervision of the county road system, under their general control. This act was amended by Private Acts of 1949, Chapter 291, to limit the per diem and expenses paid the members of the commission to not more than \$50 in any one calendar month, and to raise the salary of the superintendent to \$2400 annually. This 1949 amendatory act was itself amended by Private Acts of 1957, Chapter 110, to increase the salary of the Superintendent of Highways in Fentress County to \$3600 annually.
14. Private Acts of 1945, Chapter 527, repealed Private Acts of 1943, Chapter 317, above.
15. Private Acts of 1965, Chapter 233, repealed Private Acts of 1945, Chapter 526, above.

Chapter X - Law Enforcement

Law Enforcement - Historical Notes

Militia

Those acts once affecting Fentress County, which related to the militia and to other law enforcement agencies other than the sheriff, are mentioned below in chronological order.

1. Private Acts of 1824, Chapter 154, provided that the Governor number the regiment of the militia of Fentress County that was to be attached to the 8th Brigade.
2. Acts of 1839-40, Chapter 56, declared that all white males between the ages of eighteen and forty-five would compose the State of Tennessee Militia. Some persons were exempted including judges, ministers of the gospel, postmasters, grist mill keepers, jailers, and public-ferry keepers. The militia residing in each company would be commanded by one Captain, one First Lieutenant, one Second Lieutenant, one Ensign, three corporals and three sergeants. They would be elected by those in each company and would hold office five years. No company could be composed of less than forty-five privates. The field officers in Fentress County had the duty to attend the first battalion muster ground on the Saturday before the regimental muster. The removal of muster places was only allowed by a two-thirds vote of the officers present at a regimental court martial. Fentress County composed the 46th Regiment. Regimental musters were held in each Regiment in Tennessee in the month of October of every year. Some Regiments in each Brigade were exempted from the normal muster meeting by the act. The counties of Fentress, Overton, White and Jackson composed the Eighth Brigade, which was a part of the 4th Division.

Offenses

The act briefly summarized below fell into this category in Fentress County.

1. Private Acts of 1967-68, Chapter 97, specified how fireworks were to be regulated in Fentress County. The act made it a misdemeanor for any person, firm or corporation to possess, store, use, manufacture, or sell pyrotechnics in Fentress. The act did not apply to persons, firms or corporations conducting public displays of pyrotechnics by contract or arrangement with any state fair, patriotic assembly or similar public function. The act defined pyrotechnics as any sparkler, squib, rocket, firecracker, roman candle, fire balloon, flashlight composition, fireworks or composition used to obtain a visible or audible display. Such contraband was subject to confiscation when found within the boundaries of Fentress County. This act was declared to be unconstitutional because regulation of firecrackers in one particular county was not in its

governmental or proprietary capacity. Jones v. Haynes, 221 Tenn. 50, 424 S.W.2d 197 (1968).

Sheriff

The following acts have no current effect but are included here for reference purposes since they once applied to the Fentress County Sheriff's Office.

1. Private Acts of 1929, Chapter 249, provided that the Sheriff in Fentress County would receive \$600 annually. The Sheriff was assigned to receive all fees collected by his office in the exercise of the duties of he and his deputies.
2. Private Acts of 1949, Chapter 48, raised the annual salary of the Sheriff to \$2,100, payable at a monthly rate of \$175. This was in addition to the fees of office then received by sheriffs.

Taxation - Historical Notes

Assessor of Property

The following acts were superseded, repealed or failed to win local ratification, but they are listed here as a reference to laws which once affected the Fentress County Assessor.

1. Acts of 1905, Chapter 445, authorized the Fentress County Assessor to assess all real estate in the county and to collect taxes for the year 1905, even though no new real estate assessment was provided for by law until 1906. This act was necessary since tax schedules, tax duplicates and tax books showing the assessments of taxes in the County of Fentress for the year 1904 were destroyed by fire and the last assessment record was for the year 1902.
2. Private Acts of 1951, Chapter 690, set the assessor's salary at \$1800 annually, payable out of the County Treasury.

Taxation

The following act once pertained to taxation in Fentress County but is no longer effective.

1. Public Acts of 1870-71, Chapter 50, authorized the counties and the cities of this State to levy taxes for County and municipal purposes under the following conditions: (1) that all taxable property would be taxed according to its value upon the principles established in regard to state taxation, and (2) that the credit of a county or city not be loaned to any person, firm, or corporation, unless the action was first approved by a majority of the County Court and the issue submitted for approval to the voters. A three-fourths vote was required for approval. Fentress and other counties were exempted for ten years from the three-fourths majority vote requirement, so that a simple majority would be sufficient.
