# Court System - Historical Notes

## **Board of Jury Commissioners - Jurors**

The following acts once affected jurors or boards of jury commissioners in Perry County, but are no longer operative.

1. Acts of 1819, Chapter 165, directed the Quarterly County Courts of Humphreys, Perry, and Hardin Counties to allow jurors and witnesses who are compelled to cross the Tennessee River to attend court a sum of money to pay for their ferriage which would be paid out of any monies in the county treasury which were not appropriated at the time.
2. Acts of 1825, Chapter 279, made it the duty of the ferryman to give any person a certificate when they pay their ferriage who have been summoned as a juror in Humphreys, Perry, and Roane Counties, which the juror can file with the County Trustee who shall return the amount of the ferriage to him.
3. Acts of 1903, Chapter 509, created a three member Board of Jury Commissioners in Perry County, who would be of good repute, and good habits, not attorneys or county officials who had no suit pending nor any interest in one. Those appointed would appear immediately before the Judge to be sworn after being notified and they would be paid \$2.00 per day for each day actually worked in this capacity. Their appointments would be for one year. They would retire to some room in the Court house and select from the tax rolls, or some other public source, the jurors who would serve for the next three terms of Court. The jurors chosen would have their names entered on a book and also written on separate slips of paper which would be placed into an envelope and sealed. The proper number would be chosen for each term of Court. These envelopes would be presented to the Judge in open Court. At least twenty days before the term of Court opened, the Clerk would open the envelope and issue summons for the 25 named on the list. Provisions were made for selecting special panels and to replenish an exhausted list. The Judge may dismiss a Commissioner for failure to perform his duty and fill the vacancy created thereby. No one could be excused except by the Judge.
4. Private Acts of 1949, Chapter 195, fixed the compensation of jurors serving on both the Grand Jury and the various petit juries in Perry County at \$4.00 per day for every day of attendance as such.
5. Private Acts of 1949, Chapter 919, amended Chapter 427, Private Acts of 1917, which set up a Board of Jury Commissioners for Williamson County so as to make the same Act applicable to Perry County. Chapter 427 created a four man Board of Jury Commissioners who could not be lawyers, or State or County officials who would be appointed after the first two years to four year terms by the Circuit Judge. Those appointed must take the oath prescribed in the Act and select one of their members as Chairman. The Circuit Court Clerk or his Deputy, would serve as Clerk to the Board and must likewise subscribe to the oath written into the Act. On the first Monday in June the Board would meet and select from the tax rolls, or other public sources, a list of names equal to one-fifth of the voters in the last Presidential election but which number would be no less than 250 nor more than 4,000. Those selected would be the petit Jury list for the next two years, whose names would be entered alphabetically in a book provided for them by the Clerk and the list certified by all of the Commissioners. Two-fifths of that number would be designated as Grand Jurors, who would also be listed in the book and certified by the Commissioners. Their names would also be written on separate scrolls, or cards, which would be placed in a box, locked, and sealed. All these would be presented to the Court as Grand and petit juries. At least fifteen days before the court would open the term, the Judge shall open the box and draw names for the petit jurors. And then do the same for the Grand Jurors, whereupon the box would be relocked and sealed. The names chosen would be delivered to the Sheriff to be summoned as Jurors. They could be excused only by the Judge and then only for the reasons specified in the law. Ample provisions were included for special jury panels.
